- **Advanced Internal**
http://www.generalasp.com/olauserdocs/_id.aspx?id=19, And
http://www.generalasp.com/olauserdocs/_id.aspx?id=406
- **Requisitions**
http://www.generalasp.com/olauserdocs/_id.aspx?id=372, And
http://www.generalasp.com/olauserdocs/_id.aspx?id=363
- **Finding applicants by Highly Qualified Status**
http://www.generalasp.com/olauserdocs/_id.aspx?id=278

More Information

- “Edit Recruitment Efforts”

http://www.generalasp.com/oluserdocs/_id.aspx?id=419

- “Job Fair Quick Form” preference

http://www.generalasp.com/oluserdocs/_id.aspx?id=412

Advanced Internal Application: Why?

- No re-submission from internal candidates
- Full customization of internal application (pages)
- Greater filtering/searching/browsing capabilities for internal

Advanced Internal Application: Impact?

- Welcome page changes
- Internal candidates do not provide
- **ALL** internal applicants must use advanced app. Cannot have basic form for non-licensed and advanced for licensed,
(HOWEVER, you can create a very basic app (1 addl. page) for non-licensed positions.)
- Existing simple applications remain in the system and print using the existing, simple format for print.
- Consortium must agree to go advanced for ALL member districts.

Demo of Advanced Internal App

- Poll: How likely are you to use the advanced internal app after hearing about it today?

Job Posting Requisitions: What?

- Allow hiring supervisors to electronically submit a request for a job to be filled (Requisition)

Job Posting Requisitions: Why?

- Reduce duplicate work
- Simplify job posting
- Provide verification and quality control
- Visibility into process
- Enhance record keeping

Job Posting Requisitions: Who?

- Requestor

- Intermediate Approver

 - Optional

- Final Approver

Job Posting Requisitions

Demo of Job Posting Requisitions

- Poll: How likely are you to use the Requisitions features after hearing about it today?

Efficiency and Convenience

- Job Posting Tools
- “Should Email?” on Routings
- Email Templates
- Copy Email to NotePad
