BEAVER ISLAND COMMUNITY SCHOOL
37895 Kings Highway
Beaver Island, Michigan, 49782

Notice of Vacancy: May 17, 2019
Application Deadline: July 15, 2019

Job Title:	Elementary Education Teacher (1.0 FTE)
Position Begins:	August 27, 2019
Location:	Beaver Island Community School, Beaver Island, MI
Days:	186
Salary:	Competitive pay, based on Level of Experience and Performance

Beaver Island Community School…is located in a unique and beautiful location; features small, multi-grade class sizes; offers the opportunity to work with creative and adventuresome colleagues; is committed to tailoring teaching to each student's unique needs and interests; and benefits from a supportive community seeking success for all.

Job Qualifications—Applicants Must…

- Possess or be eligible to obtain within one year a current Michigan Teacher Certificate issued by MDE with an endorsement in Elementary Education;
- Have successful teaching experience with elementary students;
- Have demonstrated a passion for helping young children learn and grow;
- Be flexible and organized with a willingness and ability to teach two or more grade levels and successfully manage all aspects of a multi-age classroom;
- Be eager and willing to work cooperatively with school staff and parents, and to continue learning to develop as a professional educator;
- Have demonstrated high-level skills of language, math, reasoning and communications, and can readily perform the physical demands of teaching;
- Have knowledge and skill in designing and implementing standards-based learning goals and experiences for students, documenting learning progress, and using technology for data gathering, instruction, and communication.

Job Description—The Successful Candidate Will…

- Develop, refine, and implement all aspects of the curriculum for the grade levels to which the candidate is assigned;
- Provide individualized needs-based instruction and appropriate educational activities based on data from tests, records and observations;
- Develop and implement appropriate learning goals and assessments;
- Manage his/her students and classroom effectively to optimize learning;
- Assume professional teacher duties such as testing, maintaining individual data and records, conducting parent and teacher conferences, dealing with a range of student learning levels, contributing collaboratively to school improvement with members of the elementary teaching team and the entire staff;
- Organize and implement field trips and activities that enrich learning and build connections between the classroom and community;
- Work under the direction of the school principal/superintendent, and perform all duties associated with district requirements and Board policies.

Priority Candidates Will…

- Have endorsements or majors or minors in addition to elementary education—especially in the areas of early childhood (Pre-K) education, math, music, technology, or physical education;
- Value living in a safe, peaceful, and small but connected community surrounded by natural beauty that offers a plethora of outdoor recreation activities;
- Understand and relish the fact that working in a small school involves wearing many different hats and requires flexibility;
- Have a track record of being a positive force that brings creativity and collaborative problem solving to their team.
