Job Description
For
Job Coach

Position location:	This position is based out of Ansonia High School; however, majority of the work will be performed in community work sites as delineated by student's IEP.
Hours:	Weekly hours will not exceed 29
Hourly Salary:	Negotiated with Director of Special Services
Supervisors:	Immediate Supervisor is AHS Transition Coordinator and Certified Special Education Teacher in the Life Skills Program;
Administrative Supervision:	AHS Principal AHS Assistant Principal Director of Special Services
Responsibilities:	Modeling and coaching of job-related tasks on work sites. Depending on the work site this could include physical labor such grounds maintenance (i.e. raking, picking up trash, etc.), washing hair, filing and other office work, carrying food trays, stacking materials on shelves, etc. This is by no means an exhaustive list but should serve as an example. Documenting students work through data collection and paper work reporting to AHS Transition Coordinator and Special Ed Teacher. Ensuring the safety for all students assigned to the Job Coach while on the work site. This would include meeting the students at the bus drop off location and returning students to the bus at the end of their shifts. Again, this is not exhaustive but is an example. Any other duties as related to this position as assigned by immediate supervisors and/or administrative supervisors.
