Date Available:  
August 15, 2019

Location:  
Ascension School

Description:  
Responsible for instruction of Spanish for the primary, intermediate and junior high level; creating, planning and implementing developmentally appropriate lessons to meet the social-emotional, cognitive and creative needs of children in the area of Spanish, working together with other staff, communicating with parents, providing a safe environment for children to learn and excel.

Job Summary:

- **High expectations for all students:** Support a mastery-based Spanish learning environment and lead students to meet ambitious academic goals.
- **Differentiated instruction:** Personalize student learning based on needs and mastery.
- **Meaningful assessment:** Craft opportunities for regular assessment and reflection using a range of methods. Use data from assessments to reach all learners’ needs.
- **Content-area expert:** Apply knowledge of best practices for integrated instruction to support the Spanish curriculum.
- **Technology:** Integrate technology into daily Spanish lessons using Chromebooks or iPads.
- **Communication:** Maintain communication with parents and guardians on a regular basis via newsletters and website postings.
- **Collaboration with colleagues:** Work with colleagues to develop and test innovative solutions.
