Cross Country Coaching Position  
2020-2021  

The OLPH Athletic Department is looking for a dedicated and knowledgeable cross country coach for the 2020 fall season. This is an exciting opportunity to teach students in grades 5-8 the fundamentals and skills necessary for cross country. We are seeking an individual with an enthusiastic attitude and the ability to understand intermediate boys and girls in an athletic setting. Candidates must be able to lead practices with targeted goals and objectives relating to core strength, and speed and endurance training. Previous coaching and/or running experience are required.

The season begins in mid-August and ends in October. Practices are Monday-Friday, in the evening, for one hour. There will be approximately seven meets throughout the season, and a final IESA State meet in October. Familiarity with the University of Notre Dame’s, Play Like A Champion Today, youth sports initiative is encouraged.

There is a stipend available for this position. Interested candidates may contact the Athletic Director, Kyle Aksamitowski, at kaksamitowski@olph-il.org for more information.
