Number of Employees: 25

Overview of OLS

Our Lady of the Snows School is a Preschool-8th grade school located minutes from Midway airport.

Our Preschool class is full-day, combined with 3 and 4 year olds.

We have one class per grade level with classroom aides helping in the Preschool-1st grade classroom.

Our middle school team works collaboratively in a departmentalized manner to meet the needs of all our diverse learners.

Catholic Identity

We believe that we are disciples of Christ. We nurture our students to be models of Christ's love & go forth to serve others. We have weekly Mass for students in Kindergarten-8th grade.

Our Catholic values encompass all that we do and are embedded in our work with our community. We ask our 7th & 8th grade students to complete service hours to ignite a passion for serving others, as Christ did.
