The employee may choose to contribute to their HSA account through payroll deduction up to the applicable IRS limits.

Subd. 2. Retiree Participation in Health and Hospitalization Plans: Employees who retire at regular retirement age shall be entitled to participate in the School District health and hospitalization plans. Such plan will be in the amount of fifty thousand dollars (\$50,000) coverage per school service employee. Any additional cost of the premium shall be borne by the employee and paid by payroll deduction.

Upon termination of employment, all School District contributions shall cease, except as provided in this Article.

Subd. 1. Summer Insurance Contributions for less than 12-Month Employees: Employees working less than twelve (12) months shall receive the monthly District contribution to insurance coverage during June, July, August, and September, and have their portion of their premiums for these months deducted proportionately by the number of pay periods for that school year.

ARTICLE VIII

LEAVES OF ABSENCE

Section 1. Sick Leave.

Subd. 1. Allocation: All full-time employees shall be credited with twelve (12) days of sick leave at the beginning of each school year. All part-time employees working nine (9) months shall be credited with eight (8) days at the beginning of each school year. All part-time employees working ten (10) months shall be credited with nine (9) days at the beginning of each school year. In the event that an employee terminates employment with the School District having used more than the allowed amount of sick leave, the district shall deduct for any difference between the actual paid sick leave and the allowed amount.

Subd. 2. Carry Over: An employee may carry over up to one hundred and fifty (150) days of such leave from one year to the next.

Subd. 3. Usage: Sick leave with pay shall be allowed whenever an employee's absence is found to have been due to employee's illness and/or disability which prevented his/her attendance and performance of duties on that day or days, or any other uses allowed under Minnesota Statute 181.9447.

Subd. 4. Care of Relative: An employee may use his/her accrued sick leave for absences due to an illness of or injury to the employee's spouse, adult child, sibling, parent, mother-in-law, father-in-law, grandchild, grandparent or stepparent for reasonable period of time as the employee's attendance may be necessary, on the same term upon which the employee is able to use sick leave benefits for the

employee's own illness or injury. This leave is limited to one hundred sixty (160) hours in any 12-month period. This leave is concurrent, rather than in addition to sick leave an employee may use under Subd. 1. of this Section. In addition, the school district shall include any additional relatives named in Minnesota Statute 181.9447.

Subd. 5. Medical Certificates: The School District may require an employee to furnish a medical certificate from a qualified physician as evidence of illness or disability, indicating such absence was due to illness or disability, in order to qualify for sick leave pay. However, the final determination as to the eligibility of an employee for sick leave is reserved to the School District. In the event that a medical certificate will be required, the employee will be so advised. The School District shall pay the cost for the office call to obtain the medical certificate.

Subd. 6. Deduction: Approved sick leave shall be deducted from the accrued sick leave days earned by the employee.

Subd. 7. Approval: Employees shall submit a request for sick leave as soon as the need is known. Approval determination shall be made by the head supervisor upon receiving the request.

Section 2. Personal Leave.

Subd. 1. Eligibility: A school service employee that is eligible for vacation shall be granted two (2) personal leave days per year. One (1) sick leave day will be deducted for each personal leave day used. A school service employee that is not eligible for vacation shall be granted two (2) personal leave days per year. These days shall not be deducted from sick leave. Personal leave may accumulate to five (5) days.

Subd. 2. Part-Time Employees: A part-time employee may earn personal leave on a prorated basis.

Subd. 3. Requests: A request for personal leave is to be made to the head supervisor at least three (3) days in advance, except in emergencies when an oral request through the head supervisor will be considered.

Subd. 4. Usage: Leave may be used in half or full day increments. However, if a substitute for the employee is not needed, as determined by the employee's supervisor, personal leave of less than one half day may be taken. However, the minimum personal leave that can be taken is one hour. Personal days may be used on consecutive days.

Subd. 5. Employee Limitation: No more than one employee in each department, but no more than two (2) employees of a building's school service employees may be on personal leave at the same time. However, the employee's supervisor may approve more than two (2) employees off at the same time when a substitute employee is available, or no substitute employee is needed, as determined by the employee's supervisor.

Subd. 6. Usage Limitations: Personal leave shall not be allowed on a workday immediately prior to or after Thanksgiving, Christmas Eve Day, Christmas Day, Easter, or the first or last day of school, parent conference, workshops, or in-service days, unless granted by the Superintendent.

Subd. 7. Order of Approvals: If more than the allocated number of school service employees apply for any given day; the leave shall be granted in the order that the requests are received.

Subd. 8. Approval Notices: Employees shall be notified of approval or denial within ten (10) working days of their request for personal leave time off. Employees submitting requests for leaves one (1) month or more in advance, shall email their immediate supervisor of their request.

Subd. 9. Sick Leave Exchange: If requested by the employee, any employee with over sixty (60) days of sick leave on the last contract day of the previous school year shall be granted additional personal leave during the following school year

provided their sick leave total does not fall below sixty (60) days. These additional days will be calculated at a 3:1 ratio to be deducted from sick leave. A maximum of two (2) additional days may be realized through this process. Through the use of this benefit the total accumulation of personal leave may be increased to seven (7) days.

Section 3. Workers' Compensation. Pursuant to M.S. 176, an employee injured on the job in the service of the School District and collecting workers' compensation insurance may draw sick leave and receive full salary from the School District. The employee's salary shall be reduced by an amount equal to the insurance payments, and only the fraction of the days not covered by insurance will be deducted from the employee's accrued sick leave. The employee shall provide the HR Director with a copy of all payments received by Worker's Compensation within ten (10) days of receipt, to verify payroll and paid leave adjustments.

Section 4. Emergency Leave.

Subd. 1. Definition: Employees may be granted an emergency leave at the discretion of the School District. Emergency leave refers to approved absence from work because of serious personal or family illness or family emergency.

Subd. 2. Deduction: Emergency leave shall be deducted from sick leave days.

Subd. 3. Request for Leave: Requests for emergency leave must be made in writing to the Superintendent at least three days in advance, whenever possible, except in the event of emergencies. The request shall state the reason for the proposed leave. The School District reserves the right to refuse to grant such leave if, under the circumstances involved, such leave should not be granted. All leaves must have written approval, but at no time shall more than three percent of the employees be granted emergency leave.

Section 5. **Child Care Leave.**

Subd. 1. Eligibility: A child care leave may be granted by the School District, subject to the provisions of this section, to one (1) parent of an infant child, provided such parent is caring for the child on a full-time basis.

Subd. 2. Request for Leave: An employee making application for child care leave shall inform the Superintendent in writing of intention to take the leave at least three calendar months before commencement of the intended leave.

Subd. 3. Application of Sick Leave: If the reason for the child care leave is occasioned by pregnancy, an employee may utilize sick leave pursuant to the sick leave provisions of the Agreement during a period of physical disability. However, an employee shall not be eligible for sick leave during a period of time covered by a child care leave. A pregnant employee will also provide, at the time of the leave application, a statement from the employee's physician indicating the expected date of delivery.

Subd. 4. Dates of Leave: The School District may adjust the proposed beginning or ending date of a child care leave so that the dates of the leave coincide with some natural break in the school year - i.e., winter vacation, spring vacation, semester break or quarter break, end of grading period, end of the school year, or the like. The availability of a substitute employee may also be considered by the School District in the granting of a child care leave or the duration thereof.

Subd. 5. District Rights: In making a determination concerning the commencement and duration of a child care leave, the School Board shall not, in any event, be required to:

- (a) Grant any leave more than twelve (12) months in duration.
- (b) Permit the employee to return to his or her employment prior to the date designated in the request for child care leave.

Subd. 6. Return from Child Care Leave: An employee returning from child care leave shall be re-employed in a like or similar position for which he or she is qualified.

Subd. 7. Failure to Return: Failure of the employee to return pursuant to the date determined under this section shall constitute grounds for termination unless the School District and the employee mutually agree to an extension in the leave.

Subd. 8. Probation Period: The parties agree that the applicable periods of probation for employees as set forth in Minnesota statutes are intended to be periods of actual service enabling the School District to have opportunity to evaluate an employee's performance. The parties agree, therefore, that periods of time for which the employee is on child care leave shall not be counted in determining the completion of the probationary period. An employee who returns from child care leave within the provisions of this section shall retain all previous seniority credit for pay purposes and any unused leave time accumulated under the provisions of this Agreement at the commencement of the beginning of the leave. The employee shall not accrue additional seniority credit for pay purposes or leave time during the period of absence for child care leave.

Subd. 9. Group Insurance Participation: An employee on child care leave is eligible to participate in group insurance programs if permitted under the insurance policy provisions, but shall pay the entire premium for such programs as the employee wishes to retain, commencing with the beginning of the child care leave. The right to continue participation in such group insurance programs, however, will terminate if the employee does not return to the School District pursuant to this section.

Subd. 10. Pay and Benefits: Leave under this section shall be without pay or fringe benefits, unless the employee qualifies under Article VIII, Section 5, Subd. 3. Employees may access district health insurance contributions for up to 12 weeks if they are on a medically qualifying event per FMLA.

Section 6. Jury Duty. An employee who serves on jury duty shall be granted the day or days necessary as stipulated by the court to discharge this responsibility without any salary deduction or loss of basic leave allowance. The compensation received for jury duty service shall be remitted to the School District exclusive of mileage reimbursement.

Section 7. Eligibility. Leave benefits provided in this Article are designed for all employees as defined in Article IX, prorated to a 40-hour week.

Section 8. Bereavement. In the event of the death of a member of the employee's immediate family of the employee, which shall include the spouse, registered domestic partner, children, parent(s), brother(s), sister(s), grandparent(s), grandchildren(s), mother(s)-in-law, father(s)-in-law, brother(s)-in-law, sister(s)-in-law, daughter(s)-in-law, son(s)-in-law, aunt(s), uncle(s), niece(s), and nephew(s), leave with pay of up to three (3) days will be granted by the Superintendent. Out of these paid days, one (1) day shall not be deducted from the employee's sick leave, while the remaining two (2) days shall be deducted from the employee's sick leave. Additional days may be granted at the discretion of the Superintendent. The number of additional days granted as leave shall be deducted from the employee's sick leave.

Section 9. Extended Unpaid Leave. An employee may apply for an extended unpaid leave beyond the leaves provided in this article, not to exceed a maximum total of two (2) years. Employees shall not accrue benefits or step advancement on the salary schedule but may remain on insurance at their own expense.

Section 10. Limited Unpaid Leave

Subd. 1. Eligibility: All employees who have completed their probationary period and are not eligible for vacation shall be granted three (3) days of unpaid leave per year.

Subd. 2. Requests: A request for unpaid leave shall be made to the head supervisor at least four (4) weeks in advance, except in cases of emergency. Approvals will be made on a first come first serve basis, based on district needs. Limited unpaid leave may be used prior to using paid leave.

Subd. 3. Usage: Limited unpaid leave may be used in emergency situations in which the employee is unable to provide advance notice of the absence.

Subd. 4. Accumulation: Unpaid leave shall not be carried over from year to year.

ARTICLE IX

HOURS OF SERVICE

Section 1. Basic Work Week. A basic work week shall consist of forty (40) hours, exclusive of lunch, for full-time employees. All work over forty (40) hours shall be paid at the overtime rate of time and one-half. Overtime must be approved by the administration in advance. With the prior permission of the Superintendent or her/his designee and at the request of an employee, time and one-half (1-1/2) comp time may be granted in lieu of overtime pay. Time and one-half (1-1/2) comp time is not applicable to facility rental work and other time that is not paid directly by the School District. Comp time must be used within thirty (30) days from which it was earned. All comp time must be utilized within thirty (30) days of being earned or will be paid out at the end of the thirty (30) days.

Section 2. Basic Work Year. A basic work year shall consist of twelve (12) months' employment.

Section 3. Part-time Employees. The School District reserves the right to employ such personnel as it deems desirable or necessary on a part-time or casual basis.

Section 4. Shifts and Starting Time. All employees will be assigned starting time and shifts as determined by the School District. Specific to Community Education events and excluding an employee absence within the maintenance department, an employee shall be given a five (5) day notice.

Subd. 1. Custodial Department: Employees working second shift shall be able to work the normal day shift hours on any non-student contact day, if they choose. Should an event be scheduled in a building and no second shift employee(s) have voluntarily stayed on second shift, and/or more than one (1) employee is needed for

an event, second shift employees in that building will be called back based on the least senior non-probationary employee. Those normally assigned 2nd shift shall remain on the 2nd shift pay schedule all year regardless of moving to day shift on non- student contact days.

Section 5. Lunch Period/Rest Breaks. Employees working six (6) hours or more per day, shall be provided a duty-free lunch period of at least 30 minutes. In the Custodial Department, when an employee is working alone in the building during an event, the employee shall take a paid 30-minute lunch period and note it on their timecard. In addition, all employees shall receive a fifteen (15) minute paid rest break if working four (4) or more hours up to eight (8) hours. Employees working eight (8) hours per day shall receive two (2) paid fifteen (15) minute rest breaks.

Section 6. School Closing. In the event that school is closed for the full day for any reason; all employees scheduled to work that day will be paid for all hours scheduled, for the first occurrence each school year. On the second day school is closed (inclusive of e-learning) employees shall either be given a work assignment or have the ability to complete professional development, provided by the District, and be paid for their normal work assignment for that day. After the first occurrence, if school is closed for any reason (inclusive of e-learning) and the employee is not required to work, the employees will be afforded the opportunity to make up the time, as determined by the district, or use any accrued paid leave. If make up days are scheduled, employees will not be paid for the first make up day. In cases where school is late starting, or has an early dismissal and the employees are not required to perform services the employees will be afforded the opportunity to make up the time, as determined by the district.

Section 7. Building Overtime/Building & Grounds. For the purposes of overtime, the most senior person by building shall be offered the overtime first, except in an emergency. Should no employee in the building want to work the overtime, overtime shall be offered on a district wide voluntary overtime list, in rotation, starting with the most senior employee (the next overtime opportunity shall start with the second most senior and so on). Should no employee sign up for the overtime, mandatory overtime shall be assigned in reverse seniority order. Employees that are trained district wide, and want to work overtime, shall sign up upon ratification and each July 1 thereafter. New hire employees are able to be added to the overtime list after completion of

probation. In the event of an emergency, the School District has the right to assign the person who can perform the duty in the most expeditious manner and such assignment is not subject to the grievance process.

Section 8. Annual Training: Employees shall be provided paid training as required by state statute. If the employee requires additional training, a written request may be made for up to four (4) additional hours. All requests shall be made to the HR Department.

ARTICLE X

Weekend Work. All non-regular scheduled weekend event work (Saturdays and Sundays), shall be paid at the rate of time and one-half (1-1/2). If no volunteer from the Maintenance/Buildings and Grounds Department is available for weekend work, the District reserves the exclusive right to assign a substitute.

Subd. 2. Scheduling: The District retains the right to determine the necessity of weekend work, schedule shifts, and to adjust compensation accordingly. Short Staffing

WHEREAS, the District recognizes the challenges posed by vacant positions within its workforce;

WHEREAS, the District aims to ensure that employees who are directly affected by such vacancies are appropriately compensated for their additional workload;

NOW THEREFORE, the parties agree to the following terms regarding short staffing pay during the 2024-2025 school year:

In exceptionally rare circumstances, and at the sole discretion of the District, an eligible employee that is directly impacted due to a vacant position of thirty (30) or more consecutive working days in their building shall be entitled to receive an additional two dollars (\$2.00) per hour for all regularly scheduled work hours commencing on the thirtieth (30) consecutive working day covering for that position. The District maintains full authority to determine the rarity and severity of the circumstances and to deny compensation if it deems fit. The provision excludes vacancies with substitute coverage, and the District's right to assign work remains unaffected.

- a. "Directly impacted" is defined as meeting one or more of the following conditions:
 - i. The employee is required to work additional hours beyond their regular schedule to compensate for the vacant position.
 - ii. The employee is assigned tasks or duties that are outside the scope of their usual job description as a direct result of the vacant position.
- b. Employees shall not be considered directly impacted in instances where the vacant position has substitute coverage.
- c. The District retains the right of assignment, allowing the District to allocate tasks and responsibilities as necessary to meet the operational needs.
- d. To qualify for short staffing pay, impacted employees must provide clear documentation, such as timesheets or task logs, demonstrating the additional hours worked or the tasks performed outside their job description.

BETWEEN
Becker School District (District)
AND
SEIU 284 Multi-Unit (Union)

WHEREAS, a recent review and feedback from the food service department has prompted a reconsideration of the current SEIU 284 Multi-Union Agreement, which mandates that all employees take a 30-minute unpaid lunch break after 6 hours of work; and

WHEREAS, the food service department has indicated that, due to lunchroom scheduling, some employees would prefer not to be required to take this unpaid break; and

WHEREAS, current law mandates that employers provide a 30-minute unpaid lunch break for all employees working 8 or more hours per day; and

WHEREAS, both the district and the union acknowledge that the existing collective bargaining agreement governs the terms and conditions of employment;

NOW, THEREFORE, be it resolved; the district and union agree to remove the requirement for food service staff who work less than 8 hours per day to take a 30-minute duty-free lunch break, as stated in Article IX, Section 5. The district and union agree that if an employee wishes to include this 30-minute break into their scheduled work day, they will notify the District in writing within 10 days of the school year, or date of hire, whichever occurs first.

This Memorandum of Understanding is non-precedent setting and shall remain in effect until the terms and conditions are integrated into the existing collective bargaining agreement.
