

Job Description

Blue Valley School District

Intensive Resource Teacher

Purpose Statement

The job of Intensive Resource Teacher is done for the purpose/s of instructing and caring for special needs students in the regular classroom or in a self-contained classroom.

Essential Functions

- Designs and implements instructional programs, including classroom activities, assignments and/or materials to provide an opportunity for students to actively participate in classroom activities for those students in a self-contained classroom.
- In conjunction with the classroom teacher, adapts, modifies and provides accommodations of classroom activities, assignments and/or materials to provide an opportunity for students to actively participate in regular classrooms.
- Ensure student special health care needs are met and programs are designed to develop students' daily living and behavioral skills.
- Creates a classroom environment conducive to learning and appropriate to the maturity level of the students.
- Collaborates with other staff and parents to provide support and information related to the student's progress as established in the student's Individual Education Program (IEP).
- Assesses the progress of students on a regular basis and provides progress reports as required.
- Maintains accurate, complete, and correct records as required by law, district policy, and administrative regulation.
- Makes provisions for being available to students and parents for education-related purposes outside the instructional day when required or requested to do so.
- Analyzes and uses appropriate data to guide instruction and develop assessments.

Other Functions

- Performs administrative duties such as hall & cafeteria monitoring, and bus loading/unloading as assigned.
- Attends staff meetings and serves on staff committees, as required.
- Attends professional meetings, educational conferences, and teacher training workshops to maintain and improve professional competence.
- Performs other related duties as assigned.
