

DMH- Science/Special Education Content PD Facilitator

Position	Purpose/Description	Essential Functions	Minimum Qualifications	Preferred Qualification	Working Conditions	Terms of Employment
<p>Special Education/ Science Content Professional Development Facilitator</p>	<p>The SEIS science content consultant will facilitate a consecutive 2 day Professional Development content series specific to Science teachers working in residential education programming in Department of Mental Health (DMH) sites. Teachers are content and/or special education certified as the majority of students they serve are special education students. Our teachers teach content and are responsible for managing IEP goals and objectives for the students. The sessions will be held October 2 &amp; 3, 2019 in Norwood, MA. Facilitator will create and design workshops for the two day series with a focus in specific targeted areas (instruction, assessment, teaching all students) as defined and discussed with the Associate Director of Professional Development and Curriculum. Facilitators must have content area certification for secondary sciences and special education certification is a plus. *Please indicate on application your certification in science and/or special education certification if applicable.</p>	<ul style="list-style-type: none"> <li>- Develop a Professional Development content series specific to Science with an emphasis on instruction, assessment and teaching all students.</li> <li>- Deliver an in-person Professional Development series for secondary education teachers employed in DMH settings.</li> <li>- Submit purchase requisitions, timesheets, and mileage sheets in a timely manner</li> <li>- Assume additional responsibilities as directed by the Associate Director for Professional Development and Curriculum or designee</li> </ul>	<ul style="list-style-type: none"> <li>- 3-5 years of experience in content area</li> <li>- Demonstrated success in leading Special Education teachers in Instruction</li> <li>- Content teaching certification/license required</li> <li>- Valid driver's license and reliable vehicle</li> </ul>	<p>Bachelor's or Master's degree in Special Education or related area</p>	<p>Requires Driving/Travel within MA</p>	<ul style="list-style-type: none"> <li>- 38 hour commitment which includes: preparation, training, and facilitation.</li> <li>- Must be available for a one day training the week of June 25th or 26th, 2019 (TBD)</li> <li>- Must be available for Professional Development Content Series October 1st and 2nd, 2019</li> <li>- This position is not benefits eligible.</li> </ul>
