ANNOUNCEMENT OF VACANCY

Ridge Lawn School Principal

Ridge Lawn School

Ridge Lawn School was built in 1965.

The building has gone through numerous additions with the newest change bringing additional PreK and EL spaces to the students. The 580 students of Ridge Lawn range from Pre-Kindergarten to 5th grade.

Instruction is guided by the Common Core Standards, student needs, and evidence-based best practices. Students engage in a well-rounded learning experience that includes ELA, math, science, social studies, art, library, music, PE, and STEM, fostering curiosity, creativity, and critical thinking across all content areas.

What Makes Ridge Lawn Unique?

Ridge Lawn is a model school that embraces the diverse student population it serves. Teaching to the whole child is a cornerstone of the educational experience for all students.

Staff at Ridge Lawn strive to provide students with unique learning opportunities so they can grow and achieve at the highest levels.

"Ridge Lawn is unique because of our diverse student and staff population. We use this diversity to strengthen our connections between school, home, and community." - Ridge Lawn Staff Member

"Ridge Lawn's teachers are friendly and the school plans fun activities." - 5th grade student.

"Ridge Lawn offers a strong sense of community." - Ridge Lawn Parent

About Chicago Ridge School District 127.5

The Chicago Ridge Public Schools serve over 1500 students in Grades PreK-8 in two elementary (PK-5) and one middle school (6-8). The District serves a major portion of the Village of Chicago Ridge and a small part of the Village of Oak Lawn.

Upon completion of their PreK-8 education, most students attend Richards High School in Community High School District 218. The District is a member of the Eisenhower Special Education Cooperative which serves the needs of special education students.

A dedicated school board and effective staff lead students in developing the skills necessary to meet the educational and societal challenges required for the 21st Century.
