

## WHO ARE WE ?

- Career Training Program for Young adults age 18-21
- We build partnerships between employers and young adults with special needs.
- We specialize in helping our young adults become successful contributing members of our community.
- We bridge the gap between high school and adult transition agencies.

## WHAT DO WE OFFER?

- We educate young adults to develop a strong work ethic and healthy lifestyle.
- We help young adults to enhance their self confidence,abilities,and skills to promote independence.
- We provide meaningful community and work experiences for young adults of all ability levels.
- We match our young adults unique abilities and interests with employers needs.
- We provide young adults a variety of opportunities to explore career
