# Welcome to the Lockport Area Benefit Plan Benefits Program

*Lockport Township High School is pleased to present this overview of your employee benefits. We offer a variety of benefits to help you protect your health, your family, and your way of life.*

*Your benefits are a valuable part of your compensation package. Please take the time to review this information carefully, along with the materials provided by the insurance carriers, and keep it handy for future reference. You may also contact the insurance carriers directly if you have any questions; their phone numbers and websites are listed under the Contact Information section.*

This booklet is intended to provide only the highlights of your benefits; see your plan documents for full details. If any conflict ever arises between this booklet and the actual plan document, the terms of the plan document will govern in all cases. Lockport Area Benefit Plan reserves the right to change, modify, or terminate the benefit plans at any time. This booklet is not a contract for purposes of employment or payment of benefits.

## General Information

### Who Is Eligible

You may enroll in the Lockport Area Benefit Plan if you are a regular full-time employee and you have met the requirements of your working group agreement.

You may also enroll your eligible dependents for benefits. Generally, your eligible dependents are:

- Your legal spouse, as defined by federal law.
- Your civil union spouse.
- Your children up to age 26. This includes your natural children, stepchildren, adopted children, and children for whom you are the legal guardian.
- Your unmarried children may be covered under the medical, dental, and vision plans up to age 30 if they:
  - Live within the state of Illinois; and
  - Have served as an active or reserve member of any branch of the Armed Forces of the United States; and
  - Have received a release or discharge other than a dishonorable discharge.
- Your mentally or physically disabled children over age 26 (if they depend on you for support). You will be required to provide appropriate documentation of their disability.

### When Coverage Starts

You must sign up for benefits within 30 days of becoming eligible.

**New Employees.** Your coverage becomes effective on your Date of Hire.

**Open Enrollment.** If you sign up for benefits during open enrollment, your coverage becomes effective July 1st.

### Changing Your Coverage During the Year

Once you enroll for coverage, you may not change or cancel your benefits until the next open enrollment period unless you have a “qualifying event,” such as marriage, divorce, birth or adoption of a child, death of a dependent, or certain events that affect your dependent’s insurance coverage (for example, your spouse losing his or her job). If you experience a qualifying event, you must contact your Benefits Department to change your coverage within 30 days of the event.

# Medical

Lockport Area Benefit Plan offers comprehensive medical plan coverage through Blue Cross Blue Shield of Illinois. Availability of plans is based on your employment group and length of service.

- Blue Choice Options PPO Plan
- Blue Choice Options HSA Compatible Plan
- HMO Plan

## How Your Blue Choice Options Plans Work

A preferred provider organization (PPO) is a network of doctors and health care facilities that provide services to plan members at discounted rates. You can go to any doctor you like within the Blue Choice Options (BCO) network, including specialists, without a referral. In-network preventive care is covered in full.

You still have access to the Traditional BCBS PPO network with this plan. The Blue Choice Options PPO has two sets of in-network benefits. When searching for providers, you will use “Blue Choice Options [BCO]” network. Your deductible, copays and coinsurance are the lowest if you use a Tier 1: BCO Provider. The deductibles and out-of-pocket maximums cross-accumulate between Tier 1 and Tier 2 which will allow you to limit total out-of-pocket expenses when you stay in-network.

**Tier 1** includes providers in the BCO Network which is a smaller network with some of these commonly used hospitals: Advocate, Loyola, NorthShore (Glenbrook, Highland Park, Evanston, Skokie), Northwestern, Rush University Medical Center, Rush Oak Park Hospital and Northwest Community.

**Tier 2** includes providers under the Traditional BCBS PPO network, including: Lurie Children’s Hospital, SouthShore Hospital, and University of Chicago Medical Center.

If you go to an out-of-network provider, the plan will pay benefits based on Medicare reimbursement rates for a particular health care service in your geographic area. **If your out-of-network provider charges more than the amount covered by the plan, you will have to pay all charges over that amount.**

## How an HSA Compatible Plan Works

Your HSA Compatible plan utilizes the same network as the traditional PPO plan. In-Network preventive care is covered in full (not subject to the deductible), but you must pay the full deductible before the plan pays for any other medical services.

Unlike a traditional PPO, this type of plan has no copay schedule for prescription drugs. You must pay the full discounted price for your prescriptions (and medical care) until you have met the deductible. After you have paid the deductible, you will pay coinsurance for your prescription drug and medical expenses until you reach the out-of-pocket limit.

In addition, this plan allows for you to open a Health Savings Account (HSA) to help pay for your medical expenses and prescription drugs while you are still paying your deductible. See page 11 for more information about HSAs.

If you go to an out-of-network provider, the plan will pay benefits based on Medicare reimbursement rates for a particular health care service in your geographic area. **If your out-of-network provider charges more than the amount covered by the plan, you will have to pay all charges over that amount.**

## How the HMO Plan Works

A health maintenance organization (HMO) is a network of doctors and health care facilities that closely manage your medical care in an effort to control cost.

When you enroll in the HMO, you (and each of your enrolled dependents) must choose a primary care physician (PCP) from the Blue Advantage HMO Network. That physician will coordinate all of your medical care, including any referrals to a specialist that may be necessary. Women may go directly to an OB/GYN in their PCP’s medical group without a referral.

**Unless it’s an emergency, you must receive all of your medical care within the HMO network—and under your PCP’s direction—or the plan will not cover it.**

The Medical Plan Comparison charts on pages 5-7 show the key benefits for each of the medical plans.

### Availability of Summary Health Information

To help you make an informed choice, Blue Cross Blue Shield of Illinois makes available a Summary of Benefits and Coverage (SBC), for each plan option. The SBC summarizes important information about the plan’s benefits, limitations and exclusions, in a standard format. It is a great resource as you compare your medical plan options, and is available from Blue Cross Blue Shield of Illinois. You may also request a copy by contacting the Business Office.

**See page 12 for a glossary of medical plan terms.**

# Galileo Health – Your FREE Digital Medical Practice

## Who is eligible:

Employees, spouses and dependents (age 0+) on the LABP Blue Choice Options PPO & HSA Compatible Plans.

**Galileo Medical includes the following services at NO COST for all eligible members.**

- Unlimited 24/7 virtual consults and patient support
- Support available virtually via email, phone and app messages
- 7 mental health therapy & coaching video sessions

Create your account now at [galileo.health/labp](https://galileo.health/labp)

## Galileo: The first stop on your healthcare journey!

### 24/7 virtual primary and specialty care

Whether you need treatment after hours, can't get in to see your doctor, or prefer to skip the waiting room altogether, Galileo can help. You can message their doctors about sudden health issues (the flu, stomach pain) or everyday concerns (like back pain or stress). Through the app, you can access highly qualified doctors wherever you are, whenever you need it. You'll always get a fast, same-day response—at no cost to you (no copays, no deductibles).

### Care navigation and advocacy – *How Can We Help?*

Galileo's Patient Support team specializes in administrative tasks that are often confusing, frustrating and time-consuming, such as:

- Requesting medical records from other doctors you see
- Insurance authorizations
- Referrals to in-network specialists
- Care coordination with multiple providers

Galileo's Advocates would be happy to help you with these tasks anytime and they're available 24/7. To get help from an Advocate, simply open the Galileo app and tap on *"Ask our patient support team"*

### Mental health therapy & coaching

In addition to unlimited mental health screening, guidance and treatment, you can access up to 7 video sessions with a therapist or mental health coach at no cost via the Galileo app. Simply open the Galileo app and select *"Consult our medical experts"* and type in your concern (e.g. anxiety, depression, feeling down) and a provider will guide you.

### Pediatric urgent care

Galileo provides 24/7 pediatric urgent care for your little ones, including guidance on whether in-person care is needed.

- Receive treatment for your child based on their age, symptoms, and health history.
- Find out if you need to keep your child home from school or go to the emergency room
- Text or video chat with a pediatric specialist day or night
- Skip urgent care and talk to a Galileo pediatric specialist anytime for \$0.

Please note: Physicals/well-child visits, chronic condition support, and behavioral health care will be coordinated with or referred to in-person pediatricians or specialists.

To create an account for your eligible dependents under age 18, register here [galileo.health/labp](https://galileo.health/labp). Each eligible member needs their own account with a unique email address.

## Zero

### No Deductibles. No Co-Pays. No Co-Insurance. You Always Pay ZERO

Zero is available to all Blue Choice Options PPO medical plan members. HSA Compatible PPO Plan and HMO Plan members are not eligible. Zero covers services and procedures such as surgeries, x-rays, advanced imaging (MRI, CT), lab work, and much more. If your doctor refers you for a procedure or orders labwork, chances are Zero can get you that done for free. Just let your doctor know that you have Zero and would like to schedule it through them. After the doctor visit, call your Personal Health Assistant at 855.816.0001, chat online at [www.zero.health](http://www.zero.health) or email [help@zero.health](mailto:help@zero.health). If your service or procedure is covered by Zero, they will send you a referral to the provider you choose and will set up the appointment. Providers are listed on their website at [www.zero.health](http://www.zero.health). The health plan will cover the cost, and you will pay \$0.

When you need lab work, ask your doctor to send your lab orders to the nearest Quest Diagnostics location. When you arrive be sure to show your ZERO ID with the Quest Diagnostics and LabCard logos. Quest Diagnostics will then send your lab results back to your doctor. Download your ZERO ID at [my.zero.health](http://my.zero.health).

# Prescription Drug Benefits

To get the most out of your prescription drug benefits, please keep the following in mind.

Prime Therapeutics has a formulary (or preferred drug list—Performance Drug List) that is updated quarterly. We recommend that you review this list on [www.bcbsil.com](http://www.bcbsil.com) to check the cost of your prescription.

**Prior Authorization.** Some drugs, such as acne antibiotics, steroids, erectile dysfunction drugs, and hepatitis c medications, require prior authorization. That means you or your doctor must contact the insurance company to request approval before the drug is covered under the plan.

**Step Therapy.** Some medications, such as antidepressants, pain management drugs, certain cholesterol drugs, and specialty drugs for conditions like MS and rheumatoid arthritis, are subject to “step therapy.” If your doctor recommends one of these drugs, you must try a “first-line” drug before the plan will cover the step therapy drug. First-line drugs are proven, cost-effective medications that are FDA-approved and treat the same condition.

**Specialty Pharmacy Program.** You are required to use the plan’s specialty pharmacy for specialty drugs, such as injectable and infused therapies used to treat complex medical conditions such as hepatitis c, immune deficiency, hemophilia, multiple sclerosis, and rheumatoid arthritis.

**No-Cost Medicines and Contraceptives.** Your plan includes certain prescriptions, over-the-counter preventive medicines and contraceptives at no cost to you. Certain contraceptives for women have no member cost-share under the medical plans, as required by health care reform. Call the customer service number listed on your member ID card to find out what drugs and contraceptives are covered at no cost under your plan.

**Proton Pump Inhibitors, Non-Sedating Antihistamines, Compound Medications and Over the Counter Medications.** The plan will not cover brand-name PPIs (such as Nexium) any NSAs (such as Claritin) or Compound medications. Over the counter medications are also not covered under the plan.

Available to all Blue Choice Options PPO Plan and medical HMO Plan members. \*The HSA Compatible PPO Plan is not eligible for The CRX International program.

Available to you on a voluntary basis is a cost saving mail order drug program for brand name prescriptions administered by CRX International. **Advantages of joining the LABPRx program administered by CRX are:**

- **\$0 COPAY** for all prescriptions offered through the program
- Prescriptions shipped directly to your home with no shipping and handling costs
- No out-of-pocket expenses

Check to see if a medication is offered call CRX at 1-866-488-7874 or to view the complete formulary and enroll on-line or download an enrollment form - visit [www.crxintl.com](http://www.crxintl.com) (WebID: LABP).

## HSA Compatible PPO Plan Members

Certain generic preventive drugs are covered at 100% (deductible does not apply). Call the customer service number listed on your member ID card to find out what drugs and contraceptives are covered at no cost under your plan. The preventive program includes prescription drugs in the following categories.

- Anti-coagulant/anti-platelets
- Bowel preparation
- Breast cancer primary prevention
- Contraceptives
- Diabetes medications
- Diabetic supplies
- Fluoride supplements
- High blood pressure
- High cholesterol
- Osteoporosis
- Respiratory
- Tobacco cessation
- Vaccines

**Generic drugs will always save you money. Did you know many nationwide chains such as Walmart offer generics for just \$4?**

**Member Pay Difference.** When you fill a prescription for a covered brand name drug where a generic equivalent is available, you will pay more. You will pay the copay/coinsurance amount plus the difference in cost between the brand drug and its generic equivalent.

## Health Savings Account (HSA)

Employees enrolled in the HSA Compatible PPO Plan are eligible to open an HSA account administered by HealthEquity (previously known as Further). An HSA is a savings account that lets you set aside tax-favored money to pay for your qualified health care expenses, like your deductible and prescription drug costs. You are able to fund this account through pre-tax payroll deductions or by making after-tax contributions. If you make after-tax contributions, you can deduct your HSA contribution when you file your tax return. You may only access up to the balance in your HSA at the time the expense is incurred.

If you enroll in the HSA Compatible PPO plan and open an HSA with HealthEquity (previously known as Further), Lockport Area Benefit Plan will contribute money to your account per paycheck, in addition to your own personal contributions per the below chart.

Coverage Tier	Lockport Township High School Annual HSA Contribution	\$1 for \$1 HSA Match from Lockport Township High School (Only If You Contribute to the HSA)	Maximum Lockport Township High School Annual HSA Contribution (Assuming Full \$1 for \$1 Match)	2026 IRS Contribution Limits (Your Contributions + Lockport Township High School Contribution)
Employee Only	\$400	Up to \$300	\$700	\$4,400
Employee + Spouse	\$1,050	Up to \$550	\$1,600	\$8,750
Employee + Child(ren)	\$1,050	Up to \$550	\$1,600	\$8,750
Employee + Family	\$1,050	Up to \$950	\$2,000	\$8,750

Note: If you will be 55 or older, you may make an additional “catch-up” contribution of up to \$1,000.

**It is very important that you do not exceed the maximum contribution level.** Remember that the IRS contribution limit includes your personal contributions as well as Lockport Area Benefit Plan’s contribution amount. Lockport Area Benefit Plan will match your HSA contributions dollar for dollar up to the amount shown in the chart above, in addition to the base annual HSA contribution. Excess contribution dollars are subject to adverse tax consequences.

**Please note:** If you use the money in your HSA for something other than a qualified health care expense, you will have to pay income tax on the amount you spent, as well as an additional 20% penalty if you are younger than 65 years old. Once you turn 65, the penalty will not apply.

### HSA Advantages

- The money you contribute to your HSA is exempt from all federal taxes—and it stays this way as long as you spend it on qualified health care expenses. (State income tax may still apply.)
- The money in your HSA always belongs to you. Any money you haven’t spent at the end of the plan year will stay in your account—you do not have to “use it or lose it” during the plan year, as you do with a health care FSA.
- When you retire or leave Lockport Township High School, you could use the money in your HSA to pay for COBRA coverage, Medicare premiums and out-of-pocket expenses, or long-term care insurance.

### Eligibility

You must not be covered by any other medical plan, unless it is also a qualified high-deductible health plan.

- You must not be enrolled in Medicare.
- You must not receive health benefits under TRICARE.
- You must not have received VA benefits within the last three months.
- You cannot be claimed as a dependent on another person’s tax return, except as a spouse.
- Neither you nor your covered spouse may participate in a health care flexible spending account, unless it is a “limited FSA” used for dental and vision services only.

## Medical Plan Terms You Should Know

<p><b>Deductible</b></p>	<p>The dollar amount you pay for most services each calendar year before the plan will pay benefits.</p> <p><b>Embedded Deductible.</b> The Blue Choice Options PPO plan will begin to pay benefits for any covered family member who satisfies the individual deductible. Once combined individual deductible amounts reach the full family level, the plan will pay benefits to all family members, even the members who have not satisfied the individual deductible.</p> <p><b>Aggregate Deductible.</b> The HSA Compatible PPO plan will begin to pay benefits for any covered family member only after the entire family deductible has been satisfied. The deductible can be satisfied by one family member or multiple members.</p> <p>Please refer to the Medical Plan Comparison charts on pages 5-7 for your plan’s family deductible type.</p>
<p><b>Coinsurance</b></p>	<p>The percentage of your medical cost you pay for most covered services. You will begin paying the coinsurance after you have met the applicable deductible.</p>
<p><b>Copay</b></p>	<p>The flat dollar amount you may pay for certain services, such as office visits and prescription drugs, when you go to a network provider.</p>
<p><b>Out-of-Pocket Limit</b></p>	<p>The maximum share of expenses you may have to pay each calendar year before the plan begins to pay at 100%. The out-of-pocket limit includes what you spend on copays, the deductible, and coinsurance.</p>
<p><b>Preferred Provider Organization (PPO)</b></p>	<p>A network of doctors and health care facilities that have agreed to provide services to plan members at discounted rates.</p>
<p><b>Medicare Reimbursement Rates</b></p>	<p>If you go to an out-of-network provider, the plan will pay benefits based on Medicare reimbursement rates for medical services in your area. Medicare’s fee schedule is a national standard recognized by all providers; it is used to reimburse a significant portion of all medical claims in the United States.</p>

## Medical Plan Resources

The medical plan coverage through Blue Cross Blue Shield of Illinois (BCBSIL) includes the following resources.

### Blue Access for Members

Blue Access for Members provides information about your medical plan benefits and resources to manage your health. You can request new ID cards or print temporary ID cards, check claims and claims history, view Explanation of Benefits (EOBs), and more. Go to [www.bcbsil.com](http://www.bcbsil.com) and click “Log In,” then click “Register Now” if you are a new user. To register you will need your ID number on the front of your BCBSIL ID card.

### 24/7 Nurseline<sup>1</sup>

Get answers to your health questions when you need them by calling 800-299-0274 — 24 hours a day, 7 days a week. When a health problem pops up late in the day or in the middle of night, it can be hard to know how serious it is. Should you go to the emergency room? Urgent care? Or can it wait until you can see your regular doctor? Registered nurses can help you get answers to health problems you or a covered family member may be having, such as:

- Asthma flare-ups
- Back pain
- Issues from a chronic illness, like diabetes or heart problems
- Dizziness or severe headaches
- High fever
- A baby’s nonstop crying
- Cuts or burns
- Sore throat
- COVID -19 concerns, symptoms and education

### Cancer Support Program<sup>1</sup>

A cancer diagnosis can change your life forever. The BCBS oncology team will work with you to get the treatment, care and support that you and your family need. Once you have completed your treatment plan, your oncology support specialists will also help you get back to your usual routine and remind you to schedule your follow-up care. Oncology clinician support is available by calling 800-327-8497.

### Fitness Program<sup>1</sup>

The Fitness Program offers a nationwide network of fitness centers. Membership is month to month with no long-term contract. This program is available to employees, spouses and covered dependents over age 18. Log in to Blue Access for Members and click “Fitness Program” under Quick Links to enroll.

### Women’s and Family Health

Whether you are pregnant or planning to get pregnant, BCBSIL members have access to a variety of tools that can help. Women’s and Family Health provides app-based coaching delivered by Ovia Health®, addressing prepregnancy, pregnancy and post-pregnancy wellness<sup>1</sup>.

### Well onTarget<sup>2</sup>

With Well onTarget you can earn points for completing healthy activities like taking a Health Assessment, enrolling in a self-management program, joining the Fitness Program or using a fitness tracker. Redeem points with the Blue Points Program in the Shopping Mall for a variety of items. Visit [wellontarget.com](http://wellontarget.com) and log in using your Blue Access for Members user name and password.

### Wondr Health

Wondr Health provides an anytime, anywhere online coaching program that builds behavioral skills to promote long-term weight loss and reduce the risk of metabolic syndrome. Employees, spouses and covered dependents over age 18 are eligible to apply to the program. Learn more or apply at [wondrhealth.com/BCBSIL](http://wondrhealth.com/BCBSIL).

### Learn to Live<sup>1</sup>

Help for stress, anxiety, depression, sleep problems or substance use is just one click away. Confidential online programs are available through Learn to Live at no added cost to you. This program is available to employees, spouses and covered dependents age 13 and older. Log in to Blue Access for Members, choose Wellness, then find Digital Mental Health.

<sup>1</sup> Not available to HMO members. For medical emergencies, call 911. These program are not a substitute for a doctor’s care. Talk to your doctor about any health questions or concerns.

<sup>2</sup> Blue Points Program Rules are subject to change without prior notice. See the Program Rules on the Well onTarget Member Wellness Portal for more information. Member agrees to comply with all applicable federal, state and local laws, including making all disclosures and paying all taxes with respect to their receipt of any reward.

## Dental

Lockport Area Benefit Plan offers dental coverage through Delta Dental of Illinois.

### How the Dental Plan Works

Whenever you need dental care, you have three options, as shown below.

**Delta Dental PPO Dentists—Your Best Value!** These dentists have agreed to charge Delta plan members significantly reduced rates. Delta Dental PPO has a national network of more than 78,200 dentists practicing in more than 155,500 locations.

**Delta Premier Dentists.** These dentists offer discounted rates for Delta plan members, but their prices are not as low as the prices in the PPO network. Premier dentists accept Delta’s approved fee as payment in full—which means they won’t “balance bill” you for charges that the plan does not cover.

**Out-of-Network Dentists.** These dentists can charge whatever they like for their services. If you have dental services performed by a non-Delta dentist, the plan will only pay benefits up to Delta Dental’s approved fee. **Important:** If your non-Delta dentist charges you more than the approved fee, you will have to pay the difference.

Delta Dental PPO and Premier dentists will never charge you more than Delta Dental’s approved fee.

To help you make an informed choice, please refer to the plan summary for more details. Locate an in-network provider at <https://www.deltadentalil.com/find-a-provider/dental/>.

# Vision

Lockport Area Benefit Plan offers vision coverage through VSP.

Under the VSP vision care program, you can choose between network and out-of-network providers—but you will receive a higher level of benefits, and enjoy greater convenience, if you go to a vision care provider in the VSP network. If you decide to go to an out-of-network provider, you will pay the entire bill up front, then file a claim with VSP. The plan will reimburse you for your out-of-network services up to the allowances listed below.

VSP Plan		
Eye Exams: Every 12 Months Lenses: Every 12 Months Frames: Every 24 Months Contacts (instead of glasses): Every 12 Months		
Network	In-Network	Out-of-Network
Examination	\$20 copay	Plan reimburses up to \$45
Frames	Up to \$150 allowance; 20% of balance discount on balance	Plan reimburses up to Up to \$70
Single Vision Lenses Lined Bifocal Lenses Lined Trifocal Lenses Progressive Lenses	Combined with exam Combined with exam Combined with exam \$0 copay	Plan reimburses up to \$30 - \$65 Plan reimburses up to \$30 - \$65 Plan reimburses up to \$30 - \$65 Plan reimburses up to \$30 - \$65
Elective Contact Lenses Medically Necessary Contact Lenses	\$150 allowance Covered in full	Plan reimburses up to \$105 Plan reimburses up to \$105

In addition, VSP members can receive a number of lens options, such as progressive lenses and special coatings, at a discounted price. VSP also offers a discount on laser vision correction.

Locate an in-network VSP provider at <https://www.vsp.com/eye-doctor>.

## Flexible Spending Accounts (FSAs)

FSAs allow you to save money by paying certain health and dependent care expenses on a pre-tax basis. You pay no taxes on the money you put in these accounts, which means more take-home pay for you. The FSAs are administered by P&A Group.

**Health Care FSA.** You may contribute up to \$3,400 per calendar year to pay for out-of-pocket medical, prescription drug, dental, and vision care expenses for yourself and your eligible family members—even if you do not cover your family members under the Lockport Area Benefit Plan health care plans. You can use this FSA to pay expenses like medical and dental plan deductibles and copays; orthodontia expenses not covered by your dental plan, prescription drugs, prescription glasses and contact lenses, and laser eye surgery. You may not contribute money to a Health Care FSA if you or your spouse participate in a Health Savings Account (HSA).

**Dependent Care FSA.** This FSA lets you set aside pre-tax money to pay for eligible dependent care expenses so that you—and your spouse, if you are married—can work. You may contribute up to \$7,500 per calendar year in the FSA (if your tax filing status is “married filing jointly” or “head of household”).

**You must spend your FSA money on expenses you incur during the plan year, or during the 2½-month grace period, or you will lose it.** You must use the money in your FSA for eligible expenses incurred from January 1, 2026 - December 31, 2026 or during the grace period (January 1, 2027 - March 15, 2027). You have until March 31, 2027 to submit reimbursement requests. Please refer to the summary plan description for the plan specific rules.

### FSA Debit Card

You will receive a debit card that you can use to access your FSA funds for eligible expenses. This card works like a bank debit card—just swipe it when you make your purchase and the money will automatically be deducted from your account. Having your expenses directly debited from your FSA saves you time and improves your cash flow. You may be asked to document your FSA expenses, so be sure to save your receipts!

## Basic Life and AD&D Insurance

All eligible employees are automatically covered by the group life insurance and accidental death and dismemberment (AD&D) insurance plans. Lockport Area Benefit Plan pays the full cost of these plans, which are insured by Mutual of Omaha. Benefits are payable to your designated beneficiary.

### Company-Paid Life Insurance

Refer to the Mutual of Omaha booklet for specifics on your life insurance benefit.

### Company-Paid AD&D Insurance

This plan pays an additional benefit if you die as a result of a covered accident. Benefits are also payable if you suffer certain severe injuries in an accident, including loss of limb, sight, or paralysis.

Your company-paid AD&D benefit is equal to your life insurance benefit.

Your coverage amount will reduce when you get older; see your Certificate of Insurance for details.

## Supplemental Life and AD&D Insurance

The Supplemental Life and AD&D insurance plan lets you buy coverage in addition to the Life and AD&D insurance provided by Lockport Area Benefit Plan. You will pay the full cost of your insurance through payroll deductions.

If you purchase coverage for yourself, you may also purchase coverage for your family members.

	Coverage for You	Coverage for Your Spouse	Coverage for Your Children
<b>Maximum Benefit Amount</b>	7 times annual salary, up to \$500,000	100% of employee's benefit, up to \$500,000	100% of employee's benefit, up to \$10,000
<b>Guaranteed Issue Amount*</b>	7 times annual salary, up to \$150,000	100% of employee's benefit, up to \$40,000	100% of employee's benefit

*\*When you first become eligible for Lockport Area Benefit Plan's benefits program, you may purchase life insurance coverage up to the Guaranteed Issue (GI) amount without providing evidence of good health. You will have to submit evidence of good health for any coverage over the GI amount and will not be covered for the higher value until you receive approval from Mutual of Omaha.*

If you enroll in the Supplemental life insurance plan when you first become eligible, you may increase your coverage each open enrollment by \$10,000—up to the Guaranteed Issue amount—without providing evidence of good health. If you do not enroll when you are first eligible and later wish to purchase any amount of coverage during open enrollment, you will have to provide evidence of good health.

Your Supplemental life insurance coverage automatically comes with an equal amount of AD&D coverage.

## Employee Assistance Program

We all need help with life's challenges now and then. Whether it's a difficult situation affecting your home life or stress interfering with your work, the employee assistance program (EAP) is there for you and your immediate family members 24 hours a day, seven days a week.

The EAP is provided by Lockport Area Benefit Plan at no cost to you and is administered by Mutual of Omaha.

The EAP provides free, strictly confidential counseling to help you resolve a wide range of personal issues, including:

- Stress and depression
- Life transitions
- Grief and loss
- Parenting and child care
- Elder care referrals

# 2026 Annual Notices For Group Health Plan Benefits

To make sure that you have all the information you need to make informed decisions for you and your family, the law requires we provide you with notice of certain legal rights that you may have and legal obligations that apply to the Lockport Area Benefit Plan Group Health Plan. These rights and obligations are described in more detail in the enclosed notices.

You should review these notices closely and keep them with other materials that you receive about benefits available under the Plan. If you have any questions about any of the legal rights and obligations described below or the Plan, you should write or call Susan Mead at [smead@lths.org](mailto:smead@lths.org).

The following notices are not intended to be a description of the benefits offered under the Plan. For more information about specific benefits, refer to the Summary Plan Descriptions for the Plan, which are available by contacting the Human Resources Department.

## Women’s Health and Cancer Rights Act (WHCRA) Notice

### Enrollment Notice:

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women’s Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan. Therefore, the deductibles and coinsurance apply for the: BCBSIL BCO PPO, HMO, & HSA PPO Plans.

If you would like more information on WHCRA benefits, call your plan administrator, Susan Mead at 815-588-8120.

### Annual Notice:

Do you know that your plan, as required by the Women’s Health and Cancer Rights Act of 1998, provides benefits for mastectomy-related services including all stages of reconstruction and surgery to achieve symmetry between the breasts, prostheses, and complications resulting from a mastectomy, including lymphedema? Call your plan administrator, Susan Mead at 815-588-8120 for more information.

## Newborns’ and Mothers’ Health Protection Act

Group health plans and health insurance issuers generally may not, under federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, federal law generally does not prohibit the mother’s or newborn’s attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under federal law,

require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

## Your Rights and Protections Against Surprise Medical Bills

**When you get emergency care or get treated by an out-of-network provider at an in-network hospital or ambulatory surgical center, you are protected from surprise billing or balance billing. In these cases, you shouldn’t be charged more than your plan’s copayments, coinsurance and/or deductible.**

### What is “balance billing” (sometimes called “surprise billing”)?

When you see a doctor or other health care provider, you may owe certain out-of-pocket costs, such as a copayment, coinsurance, or deductible. You may have other costs or have to pay the entire bill if you see a provider or visit a health care facility that isn’t in your health plan’s network.

“Out-of-network” means providers and facilities that haven’t signed a contract with your health plan to provide services. Out-of-network providers may be permitted to bill you for the difference between what your plan agreed to pay and the full amount charged for a service. This is called “balance billing.” This amount is likely more than in-network costs for the same service and might not count toward your plan’s deductible or annual out-of-pocket limit.

“Surprise billing” is an unexpected balance bill. This can happen when you can’t control who is involved in your care—like when you have an emergency or when you schedule a visit at an in-network facility but are unexpectedly treated by an out-of-network provider. Surprise medical bills could cost thousands of dollars depending on the procedure or service.

## You’re protected from balance billing for:

### Emergency Services

If you have an emergency medical condition and get emergency services from an out-of-network provider or facility, the most they can bill you is your plan’s in-network cost-sharing amount (such as copayments, coinsurance, and deductibles). You can’t be balance billed for these emergency services. This includes services you may get after you’re in stable condition, unless you give written consent and give up your protections not to be balance billed for these post-stabilization services.

As of August 2022, the following 18 states had enacted comprehensive Balance Billing Protections: California, Colorado, Connecticut, Florida, Georgia, Illinois, Maine, Maryland, Michigan, New Hampshire, New Jersey, New Mexico, New York, Ohio, Oregon Texas, Virginia, Washington.

As of August 2022, the following 15 states had enacted limited Balance-Billing Protections: Arizona, Delaware, Indiana, Iowa, Massachusetts, Minnesota, Mississippi, Missouri, Nebraska, Nevada, North Carolina, Pennsylvania, Rhode Island, Vermont, West Virginia.

Generally, those state passed protections apply to fully insured medical plans governed by the specific state and not self-funded medical plans. Check the state insurance commissioner website for details on specific state laws.

If your state is not listed, check your state commissioner’s website as states may adopt a surprising billing mandate at any time.

## Certain Services at an In-Network Hospital or Ambulatory Surgical Center

When you get services from an in-network hospital or ambulatory surgical center, certain providers there may be out-of-network. In these cases, the most those providers may bill you is your plan’s in-network cost-sharing

amount. This applies to emergency medicine, anesthesia, pathology, radiology, laboratory, neonatology, assistant surgeon, hospitalist, or intensivist services. These providers **can't** balance bill you and may **not** ask you to give up your protections not to be balance billed.

If you get other types of services at these in-network facilities, out-of-network providers can't balance bill you, unless you give written consent and give up your protections.

**You're never required to give up your protections from balance billing. You also aren't required to get care out-of-network. You can choose a provider or facility in your plan's network.**

### When balance billing isn't allowed, you also have the following protections:

- You're only responsible for paying your share of the cost (like the copayments, coinsurance, and deductible that you would pay if the provider or facility was in-network). Your health plan will pay any additional costs to out-of-network providers and facilities directly.
- Generally, your health plan must:
  - Cover emergency services without requiring you to get approval for services in advance (also known as "prior authorization").
  - Cover emergency services by out-of-network providers.
  - Base what you owe the provider or facility (cost-sharing) on what it would pay an in network provider or facility and show that amount in your explanation of benefits.
  - Count any amount you pay for emergency services or out-of-network services toward your in-network deductible and out-of-pocket limit.

If you think you've been wrongly billed, you may contact the US Dept. of Health & Human Services at

1-877-696-6775 or your State Insurance Commissioner.

**The contents of this document do not have the force and effect of law and are not meant to bind the public in any way, unless specifically incorporated into a contract. This document is intended only to provide clarity to the public regarding existing requirements under the law.**

### Michelle's Law

When a dependent child over the age of 26 loses student status under the eligibility policy of Lockport Area Benefit Plan group health plan group health plan coverage, as a result of a medically necessary leave of absence from a post-secondary educational institution, the Lockport Area Benefit Plan group health plan group health plan will continue to provide coverage during the leave of absence for the earlier end date of up to one year, or until coverage would otherwise terminate under the Lockport Area Benefit Plan group health plan group health plan.

To maintain eligibility continue coverage as a dependent during such leave of absence:

- The Lockport Area Benefit Plan group health plan group health plan must receive written certification by a treating physician of the dependent child which states that the child is suffering from a serious illness or injury and that the leave of absence (or other change of enrollment) is medically necessary; and
- The dependent must be established as a disabled dependent as defined by the medical carriers. Please refer to the plan's SPD. To access your SPDs, contact Susan Mead at [smead@lths.org](mailto:smead@lths.org).

To obtain additional information, please contact: Susan Mead at [smead@lths.org](mailto:smead@lths.org).

### Notice of HIPAA Special Enrollment Rights

This notice is being provided to ensure that you understand your right to apply for group health insurance coverage. You should read this notice even if you plan to waive coverage at this time.

#### Loss of Other Coverage

If you are declining coverage for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within 30 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

#### Medicaid or CHIP

If you or your dependents lose eligibility for coverage under Medicaid or the Children's Health Insurance Program (CHIP) or become eligible for a premium assistance subsidy under Medicaid or CHIP, you may be able to enroll yourself and your dependents. You must request enrollment within 60 days of the loss of Medicaid or CHIP coverage or the determination of eligibility for a premium assistance subsidy.

To request special enrollment or obtain more information, please contact:

### Important Notice from Lockport Township High School District 205 about Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Lockport Township High School District 205 and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan.

If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Lockport Township High School District 205 has determined that the prescription drug coverage offered by the Lockport Township High School District 205 Employee Benefit Plans are, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and are therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

### When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

### What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current coverage may be affected. If you do decide to join a Medicare drug plan and drop your current coverage, be aware that you and your dependents will not be able to get this coverage back until the next open enrollment period.

### When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage.

For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

### For More Information About This Notice Or Your Current Prescription Drug Coverage...

Contact the person listed below for further information. NOTE: You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage changes. You also may request a copy of this notice at any time.

### For More Information About Your Options Under Medicare Prescription Drug Coverage...

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

- Visit [www.medicare.gov](http://www.medicare.gov)
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at [www.socialsecurity.gov](http://www.socialsecurity.gov), or call them at 1-800-772-1213 (TTY 1-800-325-0778).

**Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).**

- Ask for an accounting of certain disclosures of your health information.
- Ask us to limit the information we share.
- Ask for a copy of our privacy notice.
- Write a letter of complaint to us if you believe your privacy rights have been violated.

The purpose of this document is to outline and inform you about your privacy rights enacted under the Health Insurance Portability and Accountability Act of 1996 (HIPAA). This privacy notice describes the privacy practices of the Company under the Plan. You should check with the administrator of the health plans and health care flexible spending accounts for more details on those specific plans. You may receive a Notice of HIPAA Privacy Rights specific to each plan you are enrolled on.

The Company, as the sponsor and administrator of the Plan, and each of the claims administrators that have been hired to administer the Plan's group health plans, are required by law to protect the privacy of your health information.

"Protected health information," as used in this privacy notice, means any individually identifiable health information that is created or received by a health care provider or the Plan relating to:

- Your physical or mental health or condition
- The provision of health care to you
- The payment for health care

"Protected health information" does not include, among other things, any information maintained on the Company's payroll system or records related to an individual's enrollment in or coverage level under a Company group health plan. It also does not include any other information that the Company holds in its capacity as "employer" or in connection with plans other than the Company's group health plans.

The Company reserves the right to change or amend this privacy notice and our privacy practices and to make such changes effective for all protected health information that we maintain, but if we do, we will communicate any material changes to you in a revised privacy notice by the effective date of the material change. We will provide you with the revised notice, or information about the change and how to obtain the revised notice, in the next annual mailing to you. You may request a copy by contacting Susan Mead at [smead@lths.org](mailto:smead@lths.org).

You may also request a copy via mail at the address listed at the beginning of this notice.

#### How we may use or disclose your protected health information

We must use and disclose your protected health information to provide information:

- To you or someone who has the legal right to act for you (your personal representative)
- To the Department of Health and Human Services, if necessary, to make sure your privacy is protected
- When it's required by law

We have the right to use and disclose your protected health information to pay for your health care and to operate and administer the Plan. Some examples of when we may use your protected health information are:

- For payment of claims for services received by you and processed by the claims administrators for the Plan in which you are enrolled.
- For treatment, so that doctors, hospitals, or both can provide you medical care.

- For coordination of benefits with other covered health plans.
- For health care operations, to operate and administer the plan and to help manage your health care coverage. For example, the Plan may use your protected health information in connection with:
  - A disease management or wellness program to improve your health
  - Underwriting, including, but not limited to, soliciting bids from potential insurance carriers (genetic information shall not be used for underwriting purposes)
  - Merger and acquisition activities
  - Determining participant contributions
  - Submitting claims to the plans' stop-loss (or excess loss) carrier (if any)
  - Conducting or arranging for medical review
  - Legal services
  - Audit services
  - Fraud and abuse detection programs

The Plan also may use your protected health information for other administrative activities, such as cost management and conducting quality assessment and improvement activities.

- To provide information on health-related programs or products. For example, the claims administrator might talk to your doctor about health-related products and services, or to suggest an alternative medical treatment or program.

Under limited circumstances, we may have to use or disclose your protected health information:

- To persons involved with your care, such as a family member, if you are incapacitated, in an emergency, or when permitted by law.
- For public health activities, such as reporting disease outbreaks.
- For reporting victims of abuse, neglect, or domestic violence to government authorities, including a social service or protective service agency.
- For health oversight activities such as governmental audits, fraud, and abuse investigations.
- For judicial or administrative proceedings, such as responding to a court order, search warrant, or subpoena.
- For law enforcement purposes, such as providing limited information to locate a missing person.
- To avoid a serious threat to health or safety, such as disclosing information to public health agencies.
- For specialized government functions, such as military and veteran activities, national security, and intelligence activities.
- For workers' compensation, including disclosures required by state workers' compensation laws for job-related injuries.
- For research purposes, such as research related to the prevention of disease or disability, but only if the research study meets all privacy law requirements.
- To provide information regarding decedents, such as providing protected health information to a coroner or medical examiner to identify a deceased person, determine a cause of death, or as authorized by law, or to funeral directors as necessary to carry out their duties.
- For organ procurement purposes, such as banking or transplantation of organs, eyes, or tissue.

The Plan also may use your protected health information for other administrative activities, such as cost management and conducting quality assessment and improvement activities.

Substance Use Disorder. You have certain additional protections available to you related to substance use disorder treatment records to the extent we receive substance use disorder treatment records from any program or activity relating to substance abuse education, prevention, training, treatment, rehabilitation, or research which is conducted, regulated, or directly or indirectly assisted by any department or agency of the United States. We will not use or disclose any of these records without first obtaining your written authorization to disclose such records or without a court order requiring these records to be used or disclosed. We will require that any court order be accompanied by a subpoena or other legal document compelling disclosure before the records will be disclosed. Please note, however, that your written authorization is not required if the records are being provided to public health authorities if the records are de-identified pursuant to the requirements under the Privacy Rule.

If none of the above reasons applies, then your written authorization is needed to use or disclose your protected health information. Specifically, your written authorization is required to use or disclose any psychotherapy notes, if applicable, and to use or disclose any protected health information for marketing purposes or for which the group health plans receive compensation. If applicable, the group health plans also may contact you to raise funds, but you may elect not to receive any such fundraising communications in the future. If a use or disclosure of protected health information is prohibited or materially limited by other applicable laws, then it is our intent to meet the requirements of the more stringent law to protect your privacy.

After we receive authorization from you to release your protected health information, we cannot guarantee that the person to whom the information is provided will not disclose your information. You may revoke your written authorization unless we have already acted based on your authorization. To revoke an authorization, contact the claims administrator for the Plan in which you are enrolled.

Note, any required or permitted disclosures described in this Notice may be subject to redisclosure by the recipient of the disclosure and, at that time, would no longer be protected by the rights and obligations described in this Notice. Further, the Plan does not use or disclose PHI, including substance use disorder information, for purposes of fundraising.

## What are your rights to your protected health information?

You have the right to:

- Ask for restrictions on uses or disclosures of your protected health information for treatment, payment, or health care operations. You also can ask to restrict disclosures to family members or to others who are involved in or make payments for your health care. We may also have policies on dependent access that may authorize certain restrictions. We ask you to understand that while we will try to honor your request and will permit requests consistent with our policies, we are not required to agree to any restriction.

A covered entity (such as a health care provider) must comply with a requested restriction if the disclosure is to a health plan for purposes of payment or health care operations and the protected health information relates to a health care item or service for which an individual paid in full, out of pocket. For example, if you receive medical care and choose to pay the provider for the entire amount of care in full, out of pocket, you can request that the provider not disclose such information to the Plan, and the provider must agree to such request.

- Choose how we contact you. You have the right to ask that we communicate with you about medical matters in a certain way or even at a certain location. An example of this could be that we only contact

you at work or by mail. If you have a preference regarding how we communicate with you, please let us know in writing. We are not required to agree to your request, but, if we do agree to it, we will comply with it.

- See and obtain a copy of your protected health information that may be used to make decisions about you, such as claims and cases or medical management records. You may receive a summary of this health information. If your protected health information is maintained electronically in one or more designated record sets, then you have the right to get a copy of this health information in an electronic format. A written request will be needed to inspect and copy your protected health information. In certain limited circumstances, your request to inspect and copy your protected health information may be denied. An access request should be made to the applicable claims administrators as listed within this privacy notice.
- Ask to amend the protected health information we maintain about you if you believe it is wrong or incomplete. The amendment must be submitted in writing to the claims administrator for the Plan in which you are enrolled, along with a reason that supports your request. If your request is denied, you may have a statement of your disagreement added to your protected health information.
- Appoint a personal representative You may request that the Plan disclose your protected health information to your personal representative. A “personal representative” is an individual you designate to act on your behalf and make decisions about your medical care. If you want the Plan to disclose your protected health information to your personal representative, submit a written statement giving the Plan permission to release your protected health information to your personal representative and documentation that this individual qualifies as your personal representative under state law, such as a power of attorney authorizing this individual to make health care decisions for you. Submit this request in writing to the applicable claims administrator.
- Receive an accounting of disclosures of your protected health information made by the Plan during the six years before your request. This accounting will not include disclosures of protected health information made:

1. For treatment, payment, and health care operations purposes;
2. To you or pursuant to your authorization;
3. To correctional institutions or law enforcement officials; and
4. In connection with other disclosures for which federal law does not require us to provide an accounting

Your request should indicate in what format you want the list (for example, on paper or electronically). Submit this request in writing to the applicable claims administrator. The first list that you request in a 12-month period will be free and we may charge you for responding to any additional requests. We will notify you of the cost involved and you may choose to withdraw or modify your request at that time before any costs are incurred.

You have the right to a paper copy of this privacy notice anytime. You may contact Susan Mead at [smead@lths.org](mailto:smead@lths.org).

You may also request a copy via mail at the address listed at the beginning of this notice.

## How to exercise your rights

### Contact the claims administrators

If you have any questions about this privacy notice or want to exercise any of your rights, call the claims administrator for the Plan coverage options

in which you are enrolled. Contact information is listed in the “Claims administrators” section on the last page of this notice.

### Filing a complaint

If you believe your privacy rights have been violated, you may contact the Plan’s HIPAA Privacy Official in writing at the following address:

Susan Mead  
Human Resources Department  
Lockport Township High School District 205  
1323 E. 7th Street, Lockport, IL 60441  
815-588-8120

You may also file a complaint with the Secretary of the United States Department of Health and Human Services Office of Civil Rights at: 200 Independence Avenue, SW, Room 509-F HHH Building, Washington, DC 20201, or at the applicable regional office of the HHS Office of Civil Rights, the contact information for which is available at:

<http://www.hhs.gov/ocr/about-us/contact-us/index.html>

We will not take any action against you for filing a complaint.

The Company’s group health plans have policies and procedures in place designed to address breaches of unsecured protected health information. The Company’s group health plans are obligated to, consistent with HIPAA, notify you if your unsecured protected health information is breached. If your complaint relates to breach notification procedures of the Company’s group health plans or compliance with the policies and procedures of the Company’s group health plans in general, send the complaint to the Privacy Official at the address listed above.

### Restrictions on protected health information

The Company may not use or disclose protected health information for employment-related actions or decisions. The Company may only use or further disclose protected health information as permitted or required by law and will report any use or disclosure of protected health information that is inconsistent with the permitted uses and disclosures.

### Plan Administrator and health plan separation

The Company’s team members, classes of team members, or other workforce members listed as “authorized employees” in the Plan’s HIPAA policies and procedures will have access to protected health information only to perform the plan administrative functions required of the Plan Administrator to administer the Company’s group health plans.

This list includes every team member, class of team member, or other workforce member under the control of the individual who may receive protected health information relating to the ordinary course of business.

The team members, classes of team members, or other workforce members identified above (and any individual under the control of these team members) may be subject to disciplinary action and sanctions for any use or disclosure of protected health information that is in violation of these provisions.

### Claims Administrators

Here is the contact information to reach the claims administrator for the Company’s group health plans benefits in which you are enrolled, please call the applicable number listed below:

Susan Mead  
Human Resources Department  
Lockport Township High School District 205

### Complaints

If you are concerned that we have violated your privacy rights, or you disagree with a decision we made about access to your records, you may contact the person listed above. You also may send a written complaint to the U.S. Department of Health and Human Services — Office of Civil Rights. The person listed above can provide you with the appropriate address upon request or you may visit [www.hhs.gov/ocr](http://www.hhs.gov/ocr) for further information. You will not be penalized or retaliated against for filing a complaint with the Office of Civil Rights or with us.

### Notice of Patient Protections

BCBSIL HMO generally requires the designation of a primary care provider. You have the right to designate any primary care provider who participates in our network and who is available to accept you or your family members. Until you make this designation, BCBSIL HMO designates one for you.

For information on how to select a primary care provider, and for a list of the participating primary care providers, contact BCBS of IL at [www.bcbsil.com](http://www.bcbsil.com).

For children, you may designate a pediatrician as the primary care provider.

You do not need prior authorization from BCBSIL HMO or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in our network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, contact BCBS of IL at [www.bcbsil.com](http://www.bcbsil.com).

## Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit [healthcare.gov](http://healthcare.gov).

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or [insurekidsnow.gov](http://insurekidsnow.gov) to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at [askebsa.dol.gov](http://askebsa.dol.gov) or call 1-866-444-EBSA (3272).

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of January 31, 2026. Contact your State for more information on eligibility.

## ACA Reporting Notice

In an effort to reduce waste and promote efficiency, Lockport Township High School District 205 Group Health Plan is taking advantage of a new law that allows us to make your IRS Form 1095-C or Form 1095-B available to you only upon request. We are required to file this form with the IRS to show whether we offered you healthcare coverage in one or more months of calendar year 2025. If you recall, in the past, this form was mailed you in the first quarter of the year. However, pursuant to the new law, we will not be mailing the forms this year.

While we are no longer automatically mailing the form to you, you can request a copy of your form at any time. If you are interested in obtaining a copy of your form, you may contact:

Susan Mead  
Human Resources Department  
Lockport Township High School District 205  
1323 E. 7th Street, Lockport, IL 60441  
815-588-8120

We will provide the form to you within thirty (30) days of your request.

# Health Insurance Marketplace Coverage Options and Your Health Coverage

Form Approved  
OMB No. 1210-0149  
(expires 12-31-2026)

## PART A: General Information

Even if you are offered health coverage through your employment, you may have other coverage options through the Health Insurance Marketplace ("Marketplace"). To assist you as you evaluate options for you and your family, this notice provides some basic information about the Health Insurance Marketplace and health coverage offered through your employment.

### What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options in your geographic area.

### Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium and other out-of-pocket costs, but only if your employer does not offer coverage, or offers coverage that is not considered affordable for you and doesn't meet certain minimum value standards (discussed below). The savings that you're eligible for depends on your household income. You may also be eligible for a tax credit that lowers your costs.

### Does Employment-Based Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that is considered affordable for you and meets certain minimum value standards, you will not be eligible for a tax credit, or advance payment of the tax credit, for your Marketplace coverage and may wish to enroll in your employment-based health plan. However, you may be eligible for a tax credit, and advance payments of the credit that lowers your monthly premium, or a reduction in certain cost-sharing, if your employer does not offer coverage to you at all or does not offer coverage that is considered affordable for you or meet minimum value standards. If your share of the premium cost of all plans offered to you through your employment is more than 9.12%<sup>1</sup> of your annual household income, or if the coverage through your employment does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit, and advance payment of the credit, if you do not enroll in the employment-based health coverage. For family members of the employee, coverage is considered affordable if the employee's cost of premiums for the lowest-cost plan that would cover all family members does not exceed 9.12% of the employee's household income.<sup>1,2</sup>

**Note:** If you purchase a health plan through the Marketplace instead of accepting health coverage offered through your employment, then you may lose access to whatever the employer contributes to the employment-based coverage. Also, this employer contribution -as well as your employee contribution to employment-based coverage- is generally excluded from income for federal and state income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis. In addition, note that if the health coverage offered through your employment does not meet the affordability or minimum value standards, but you accept that coverage anyway, you will not be eligible for a tax credit. You should consider all of these factors in determining whether to purchase a health plan through the Marketplace.

<sup>1</sup> Indexed annually; see <https://www.irs.gov/pub/irs-drop/rp-22-34.pdf> for 2023.

<sup>2</sup> An employer-sponsored or other employment-based health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs. For purposes of eligibility for the premium tax credit, to meet the "minimum value standard," the health plan must also provide substantial coverage of both inpatient hospital services and physician services.

## When Can I Enroll in Health Insurance Coverage through the Marketplace?

You can enroll in a Marketplace health insurance plan during the annual Marketplace Open Enrollment Period. Open Enrollment varies by state but generally starts November 1 and continues through at least December 15.

Outside the annual Open Enrollment Period, you can sign up for health insurance if you qualify for a Special Enrollment Period. In general, you qualify for a Special Enrollment Period if you've had certain qualifying life events, such as getting married, having a baby, adopting a child, or losing eligibility for other health coverage. Depending on your Special Enrollment Period type, you may have 60 days before or 60 days following the qualifying life event to enroll in a Marketplace plan.

There is also a Marketplace Special Enrollment Period for individuals and their families who lose eligibility for Medicaid or Children's Health Insurance Program (CHIP) coverage on or after March 31, 2023, through July 31, 2024. Since the onset of the nationwide COVID-19 public health emergency, state Medicaid and CHIP agencies generally have not terminated the enrollment of any Medicaid or CHIP beneficiary who was enrolled on or after March 18, 2020, through March 31, 2023. As state Medicaid and CHIP agencies resume regular eligibility and enrollment practices, many individuals may no longer be eligible for Medicaid or CHIP coverage starting as early as March 31, 2023. The U.S. Department of Health and Human Services is offering a temporary Marketplace Special Enrollment period to allow these individuals to enroll in Marketplace coverage.

Marketplace-eligible individuals who live in states served by HealthCare.gov and either- submit a new application or update an existing application on HealthCare.gov between March 31, 2023 and July 31, 2024, and attest to a termination date of Medicaid or CHIP coverage within the same time period, are eligible for a 60-day Special Enrollment Period. **That means that if you lose Medicaid or CHIP coverage between March 31, 2023, and July 31, 2024, you may be able to enroll in Marketplace coverage within 60 days of when you lost Medicaid or CHIP coverage.** In addition, if you or your family members are enrolled in Medicaid or CHIP coverage, it is important to make sure that your contact information is up to date to make sure you get any information about changes to your eligibility. To learn more, visit HealthCare.gov or call the Marketplace Call Center at 1-800-318-2596. TTY users can call 1-855-889-4325.

## What about Alternatives to Marketplace Health Insurance Coverage?

If you or your family are eligible for coverage in an employment-based health plan (such as an employer-sponsored health plan), you or your family may also be eligible for a Special Enrollment Period to enroll in that health plan in certain circumstances, including if you or your dependents were enrolled in Medicaid or CHIP coverage and lost that coverage. Generally, you have 60 days after the loss of Medicaid or CHIP coverage to enroll in an employment-based health plan, but if you and your family lost eligibility for Medicaid or CHIP coverage between March 31, 2023 and July 10, 2023, you can request this special enrollment in the employment-based health plan through September 8, 2023. Confirm the deadline with your employer or your employment-based health plan.

Alternatively, you can enroll in Medicaid or CHIP coverage at any time by filling out an application through the Marketplace or applying directly through your state Medicaid agency. Visit <https://www.healthcare.gov/medicaid-chip/getting-medicaid-chip/> for more details.

## How Can I Get More Information?

For more information about your coverage offered through your employment, please check your health plan's summary plan description or contact

## PART B: Information About Health Coverage Offered by Your Employer

This section contains information about any health coverage offered by your employer. If you decide to complete an application for coverage in the Marketplace, you will be asked to provide this information. This information is numbered to correspond to the Marketplace application.

3. Employer name <b>Lockport Township High School District 205</b>		4. Employer Identification Number (EIN) <b>Verify with HR</b>	
5. Employer address <b>1323 East Seventh Street</b>		6. Employer phone number <b>815-588-8120</b>	
7. City <b>Lockport</b>	8. State <b>IL</b>	9. ZIP code <b>60441</b>	
10. Who can we contact about employee health coverage at this job? <b>Susan Mead</b>			
11. Phone number (if different from above)		12. Email address <b>smead@lths.org</b>	

Here is some basic information about health coverage offered by this employer:

- As your employer, we offer a health plan to:
  - All employees. Eligible employees are:

- Some employees. Eligible employees are:

**Contact your HR administrator for details**

- With respect to dependents:
  - We do offer coverage. Eligible dependents are:

**Contact your HR administrator for details**

- We do not offer coverage.

If checked, this coverage meets the minimum value standard, and the cost of this coverage to you is intended to be affordable, based on employee wages.

\*\* Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.

If you decide to shop for coverage in the Marketplace, [HealthCare.gov](https://www.healthcare.gov) will guide you through the process. Here's the employer information you'll enter when you visit [HealthCare.gov](https://www.healthcare.gov) to find out if you can get a tax credit to lower your monthly premiums.

The information below corresponds to the Marketplace Employer Coverage Tool. Completing this section is optional for employers, but will help ensure employees understand their coverage choices.
