JOB DESCRIPTION

Position: Health Science Teacher

Reports to: Building Principal

Qualifications: PEL w/ 2,000 hours of work experience in health care or related fields. OR 8,000 hours of work experience in health care or related fields.

Terms of Employment: 9 months

Basic Function: In cooperation with the administration, a certified teacher creates a flexible program and a class environment that: takes into account the unique learning needs of each individual student; is favorable to learning and personal growth; establishes effective rapport with students; motivates students to develop skills, attitudes and knowledge needed to provide a good foundation, in accordance with each student’s’ ability; and establishes good relationships with parents/guardians and with other staff members.

Duties and Responsibilities:

1. Implement curriculum for the ‘Intro to Health Care Occupations’ and ‘Human Disease and Medical Terminology’ courses. (Additional courses could be added to the pathway course sequence in future years)
2. Participate in the course development process by creating instructional materials and student assessments.
3. Provides leadership for teachers by planning, collaborating, organizing, mentoring and facilitating change to improve the Health Sciences pathway.
4. Provides knowledge of appropriate standards, content, materials, and resources.
5. Facilitates the use of research-based teaching strategies and best practices to address the needs of students in accordance with the Career Pathways initiative.
6. Facilitates professional development related to Health Sciences to support the school’s and the district’s vision for career readiness.
7. Collaborates with staff to plan the integration of technology into core instruction as it relates to health sciences.
8. Demonstrates appropriate use of instructional technology and other educational tools to enhance and extend instruction and learning opportunities.
9. Collaborate with the district’s Early College Coordinator and RVC staff to ensure alignment in coursework to postsecondary training.
Evaluation: Performance of this job will be evaluated in accordance with the provisions of the Teacher Evaluation Plan.
