**Tasks involved in fulfilling above duty/responsibility:**

- Provides assessment, planning, implementation, outcome identification, evaluation, and reassessment for students with chronic health conditions and/or general education setting
- Provides and/or delegates direct professional nursing service to students and staff such as first aid, illness and emergency care, medication administration and management/medical treatments (i.e. g-tube feedings, catheterization) per physician's orders and parent consent
- Directs the functions of paraprofessionals assigned to the health office
- Provides supervision for direct and indirect care
- Provides mental health support including intervention and/or referral to appropriate school staff or community agencies
- Enhances the educational process through modification or removal of health related barriers to learning and by promoting student wellness
- Makes appropriate assessments and referrals for suspected abuse/neglect as a mandated reporter.
- Assists students and parents in identifying and utilizing available and appropriate community health resources
- Assesses student needs regarding specialized education services & provides appropriate documentation

<b>Duty/Responsibility No:</b>	2	<b>Statement of duty/responsibility:</b> <i>Conduct developmental health assessment/screening for students.</i>
<b>Percent of Time:</b>	20%	

**Tasks involved in fulfilling above duty/responsibility:**

- Supervises and/or provides screening and follow up for deficits in vision, hearing, growth and development, and other physical deficits
- Initiates referrals to appropriate health care providers for evaluation per policy guidelines
- Participates as a member of the multidiscipline team in the identification, evaluation, and placement of students into special education programs
- Recommends modifications of the school program for students who require accommodations due to a health deficit.
- Develops and maintains current Individualized Health Plans for students who need nursing intervention during the school day to accommodate student needs in the least restrictive environment

<b>Duty/Responsibility No:</b>	3	<b>Statement of duty/responsibility:</b> <i>Communicate with students, staff, families and health care providers concerning health issues</i>
<b>Percent of Time:</b>	20%	

**Tasks involved in fulfilling above duty/responsibility:**

- Initiates, updates, and periodically reviews student health records to assure compliance with state mandates including immunizations, physical examinations, and medical conditions
- Maintains communication with administrators, teachers, other school personnel, and parents/guardians to enhance cooperative action, which will meet the health and safety needs of students
- Initiates contact with and acts as a liaison between the home, school, community health agencies and the private medical sector to enhance the health and wellness of the school community
- Provides health counseling to students and families to assist them in making health decisions
- Maintains confidentiality regarding all school and health-related issues
- Trains & supervises personal care assistants

<b>Duty/Responsibility No:</b>	4	<b>Statement of duty/responsibility:</b> <i>Monitor communicable diseases</i>
<b>Percent of Time:</b>	7%	

**Tasks involved in fulfilling above duty/responsibility:**

- Provides for wellness of students and staff by following MN Department of Health guidelines for reportable diseases, excluding students as recommended by public health officials; providing communicable disease information; and enforcing district immunization policy
- Maintains a system for documentation of communicable disease
- Communicates communicable diseases within classrooms to families per policy guidelines
- Maintains attendance as appropriate per building

<b>Duty/Responsibility No:</b>	5	<b>Statement of duty/responsibility:</b> <i>Monitor health and safety hazards for students and staff</i>
<b>Percent of Time:</b>	3%	

**Tasks involved in fulfilling above duty/responsibility:**

- Assess the health and safety needs of the school environment in compliance with Occupational Safety and Health Administration (OSHA) guidelines, implementing Bloodborne Pathogen Control Plan and other interventions as indicated
- Reports environmental health and safety hazards for students and staff
- Participates as a crisis/response team member and provide crisis intervention for students and staff in the advent of sudden illness or injury
- Participates as a member of the school safety committee

<b>Duty/Responsibility No:</b>	6	<b>Statement of duty/responsibility:</b> <i>Maintain Registered Nurse Professionalism</i>
<b>Percent of Time:</b>	10%	

**Tasks involved in fulfilling above duty/responsibility:**

- Participates in community organizations and professional associations that relate to fostering student and family learning, health and development
- Serves on school committees as appropriate
- Assumes responsibility for personal professional development
- Completes medical, special education and third party billing documentation within a timely manner
