

DURHAM PUBLIC SCHOOLS JOB DESCRIPTION—SCHOOL TREASURER

GENERAL STATEMENT OF JOB

Hired by principal, with the advice and consent of the internal auditors and the Superintendent of Durham Public Schools. Works principally for the school principal, but will have responsibilities to the auditors, Executive Director of Finance of the Durham Public Schools and others.

The treasurer must be a team player and role model for other employees in the organization, and must:

- *demonstrate a commitment to continuous quality improvement,
- *support and exhibit organization core values of caring, respect, integrity, responsibility, high expectations, be customer driven, and value diversity

The treasurer must be decisive, articulate, experienced in accounting and computers, honest and ethical, and possess strong written and verbal communication skills.

The treasurer is the chief enforcer of the rules and procedures established by the Board of Education, as discussed in the Procedures Manual. He/she may also be called upon to perform tasks or projects that may not be in the Manual that are needed by school personnel.

REQUIREMENTS FOR JOB

- *Experience using financial accounting computer systems
- *Knowledge and experience using Excel and Word
- *Able to communicate issues and questions with people at all levels
- *Dress appropriately as befits a professional position.
- *Vocational or technical degree in accounting and/or business practices, with a minimum of 3 years practical business or accounting experience, is preferred. However, high school education with diploma, along with previous work experience, would be considered.
- *Legible handwriting and good organizational skills.
- *Needs to be able to work independently and possess good time-management skills.
- *Possess a valid North Carolina driver's license.

ESSENTIAL JOB FUNCTIONS

- *Maintain a large, multi-fund computerized accounting system; receive checks and cash from teachers and other school personnel; deposit such to bank; verify invoices for payment; record accounting transactions into computer and maintaining their integrity. Generate checks from the computer; sign checks, along with the principal; manage cash, including monthly reconciliation; generate monthly reports including cash receipts and disbursements, general ledger, and cash reports. Insure that the proper G/L codes are always used. Maintain accounts receivable and accounts payable files.
- *Onsite administrator of the DPS payroll system—reports employee absences, leave forms, etc. Respond to payroll inquiries from school personnel or central administration.
- *Assist in the preparation of the school budget. Monitor records for state and local budget allotments; prepare requisitions for POs, assign proper budget codes and send to purchasing department; reconcile monthly financial reports from the finance department

- *Responsible for the proper maintenance of office equipment; monitor inventory levels of supplies, and orders when necessary.
- *Maintain records for athletic and/or special events, including inventories of unsold event tickets.
- *Supervise financial aspects of fundraising.
- *Maintain and supervise field trip requests, including calculation of the costs to students.
- *Process and maintain federal "free and reduced" lunch applications.
- *Prepare Form 1099 information, escheat checks, and sales tax reports.
- *Perform clerical functions for the administrative staff, type correspondence, compose own letters, draft information for newsletters, bulletins and other publications at the discretion of the principal
