Job Description

Reviewed: March 1, 2018

JOB TITLE: Career Based Intervention Program Teacher

QUALIFICATIONS/CERTIFICATION:

1. Bachelor's Degree and standard 7-12 teaching certificate with two years of satisfactory teaching experience under a standard teaching certificate, verification of one year of full-time work experience outside of education, and CBI endorsement or the ability to obtain a CBI endorsement as directed by ODE.
2. Provide instruction in the six core strands – solving problems, and thinking skillfully, communicating effectively, applying technology, working responsibly, planning and managing a career, and managing resources.
3. Assist CBI students with their academic coursework including communicating with the academic teachers.
4. Work in a team environment.
5. Hold student and parent conferences, and work with students individually and in small groups.
6. Strengthen students' citizenship and leadership skills through student leadership activities with an emphasis on service learning.
7. Have at least one year of full-time work experience outside of education.
8. Monitor and improve classroom achievement by using student assessment and program data.

JOB GOAL: To provide instruction to help students with barriers to career and academic success improve academic competence, graduate from high school, develop employability skills, and participate in a career path in preparation for post-secondary education and careers.
