

Position: Art Educator
Location: Armstrong Middle School
Salary: Per KEA Master Agreement
Start Date: Flexible - Between December 1, 2025 and January 20, 2026

Kearsley Community Schools is seeking a highly qualified and creative **Art Educator** to join our dedicated team of educators. The successful candidate will inspire students through engaging, innovative, and technology-integrated art instruction.

The Kearsley Board of Education will offer the successful candidate an annual salary in accordance with the [KEA Master Agreement](#), commensurate with skills and experience. A comprehensive and competitive **MESSA** fringe benefit package is also included.

The Community

Located in Genesee Township, in north-central Genesee County, our community offers a blend of suburban and rural living. Residents enjoy:

- Genesee County Parks featuring a large lake, campground, and recreation areas
- The Genesee Valley Trail, a 21-mile hiking and biking path
- A variety of local businesses and industrial centers, including the General Motors International Processing Center

Genesee Township provides an ideal balance of natural beauty, recreation, and economic opportunity - making it an attractive place to live and work.

The District

Kearsley Community Schools serves approximately **2,900 students** across three elementary schools, one middle school, and one high school. Highlights include:

- Award-winning early childhood program at the Pumpkin Patch
- Expanded dual enrollment and cutting-edge classroom technology
- Community Building/Restorative Practices with Ali Hearn
- Nationally recognized Bike Tech® and SME Prime programs at Kearsley High School

The district employs approximately 175 certified educators, most of whom hold advanced degrees.

Voters recently approved a \$21,680,000 bond to support new and enhanced learning environments, districtwide improvements, and safety upgrades. Key projects include:

- A new community recreation facility with a 1,500-seat competitive gym, indoor track, and training spaces
- Enhanced STEM and Robotics spaces and flexible classroom designs
- Secure, redesigned entrances for all three elementary schools
