

Teaching Positions

Teacher of Advanced Manufacturing

---

Board Approved - 2/18/26

---

Certificate needed: Computer Integrated Manufacturing CTE

1. Electrical and Mechanical Theory
2. Computer Aided Drafting and Design (CADD)
3. Programmable Logic Controllers
4. Pneumatics and Hydraulics
5. Entry Level Robotics
6. Manufacturing Environments

Basic Knowledge of:

1. #D Printing
2. Materials Engineering
3. CNC Machining
