However, a probationary employee shall have the right to bring a grievance over any other provisions of the Agreement alleged to have been violated.

Section 2. Change of Classification: In addition to the initial probationary period, an employee transferred or promoted to a different classification shall serve a new probationary period of ninety (90) working days in any such new classification. During this probationary period, if it is determined by the School District that the employee's performance in the new classification is unsatisfactory, the School District shall have the right to reassign the employee to the former classification. During this probationary period the employee has the right to return to their former classification.

Section 3. Completion of Probationary Period: An employee who has completed the probationary period may be suspended without pay or discharged only for cause. An employee who has completed the probationary period and is suspended without pay or discharge shall have access to the grievance procedure.

Section 4. Union Representation. An employee receiving a written reprimand, suspension, or discharge, shall be given the opportunity to have a union staff member or steward present. The employee shall be told in advance that the nature of the meeting is disciplinary and that the employee may have a union staff member or steward present, provided such representative is reasonably available. Any employee receiving a written reprimand, suspension or discharge may respond, in writing, to the action and have such response placed in the employee's personnel file.

ARTICLE XIV VACANCIES AND TRANSFERS

Section 1. Vacancies:

Subd. 1. Job Postings: In the event a vacancy occurs within the bargaining unit the School District shall post notice of the vacancy indicating the nature of the vacancy, the qualifications necessary and the closing date for applications. New positions or vacancies will be posted in each building for a period of five (5) working days on a bulletin board provided in the workroom/office area. In case of emergency a lesser period of posting may be mutually agreed to between the School District and the Exclusive Representative.

Subd. 2. Applications: Employees within the School District who wish to apply must complete an on-line application prior to the close of normal business hours on or before the closing date. Employees are limited to transfer requests three (3) times per school year.

Subd. 3. Candidates: The School Board reserves the right to reject all candidates for a position and to repost the position under Sections 1 and 2. Any rejected candidates from within the School District may reapply.

Subd. 4. Selection of Personnel: In the event of a vacancy, all qualified employees currently employed in a Local 284 position within the School District shall have the right to submit applications and all who apply may be interviewed for the position before interviewing outside applicants.

Section 2. Transfers:

Subd. 1. Employee requested transfers shall be based on seniority and qualifications. The School District shall have the right to determine qualifications and deny any requests that do not meet qualifications. An employee may not make more than three (3) requests to transfer in any given school year. The School District shall retain the right of involuntary transfers.

Subd. 2. An employee who voluntarily transfers to a lower level shall retain the same Step he/she was on before the transfer. Employees who are involuntarily transferred to a lower pay level shall retain their current rate of pay for a period of one hundred eighty (180) working days. If an opening is posted in their previous classification and the employee does not apply for the position, their pay will automatically revert to the rate of pay commensurate to the job they are currently holding.

Subd. 3. An employee who transfers to another classification will serve a sixty (60) working day probation period at current pay. At the successful completion, the employee will receive retro-pay for that time at the increased rate.

Section 3. Involuntary Transfer: When involuntary transfers or reassignments are necessary, final review and approval of such transfer will be made by the School District or its designee. The Exclusive Representative will be advised of any involuntary transfers that are made. Employee will receive band and grade payments based on transfer.

ARTICLE XV LAYOFFS, RECALL, SENIORITY

Section 1. Seniority: The employer recognizes that the purpose of seniority is to provide a declared policy as to the order of layoff and recall of employees. For the purpose of this article, all employees shall have seniority commence with their first date of on-the-job employment involving continuous service in the School District. In the event more than one employee commenced work on the same date, the senior employee will be designated as the employee whose last name starts with the highest letter in the alphabet beginning with the letter A.

Section 2. Order of Layoff: If a job is eliminated, or an employee's hours are reduced, employees shall be laid off within their classification. Employees with the least seniority will be laid off first (last hired, first to be laid off). If an employee's position is eliminated, the employee, if qualified as determined by the employer, shall have the right to displace the least senior employee with matching hours within their own classification. If there are no less senior employees in the laid off employee's classification with matching hours, then the employee shall have the right to displace the least senior employee in that classification within one (1) hour or shall have the right to displace the least senior person in the next lower classification with matching hours, if qualified as determined by the employer. A displaced person shall then have the right to displace the least senior person in the next lower classification, providing the person displaced has less seniority than the displacing person. Under no circumstances shall a laid off

employee have the right to displace another employee with more seniority, or one in a higher classification.

Section 3. Order of Recall: Employees will be recalled in inverse order (last laid off, first recalled) of seniority in which laid off within their classification, provided such recalled employee has the necessary skills and qualifications to perform the duties as determined by the School District. Employees on layoff shall retain recall rights for a period of twelve (12) months from the date of layoff.

Section 4. New Hires: Under no circumstances can the School District hire a new employee in a position for which a laid off employee is qualified.

Section 5. Termination of Seniority: Seniority rights shall terminate upon resignation or termination of an employee.

Section 6. Seniority List: The School District shall publish a seniority list by classification and/or position and post it in the administrative office in each building, at least annually, in October, with a copy to the Exclusive Representative. Any employee challenging their seniority date may file a grievance within the time periods as provided within the grievance procedure of this Agreement. The seniority date as published by the School District shall be deemed final and conclusive unless the employee files and processes a timely grievance after publication of the seniority list.

Section 7. Application. The provisions of this article shall not be applicable to an adjustment in an employee's hours involving less than 1½ hours per day except if the adjustment results in loss of eligibility for benefits.

ARTICLE XVI GRIEVANCE PROCEDURE

Section 1. Grievance Definition: A "grievance" shall mean an allegation by an employee resulting in a dispute or disagreement between the employee and the School District as to the interpretation or application of terms and conditions contained in this Agreement.

Section 2. Representative: The employee, administrator, or School Board may be represented during any step of the procedure by a person or agent designated by such party to act on the party's behalf.

Section 3. Definitions and Interpretation:

Subd. 1. Extension: Time limits specified in this Agreement may be extended by mutual agreement.

Subd. 2. Days: Reference to days regarding time periods in this procedure shall refer to working days. A working day is defined as all week days not designated as holidays by state law.

Subd. 3. Computation of Time: In computing any period of time prescribed or allowed by procedures herein, the date of the act, event, or default for which the designated period of time begins to run shall not be included. The last day of the period so computed shall be counted, unless it is a Saturday, a Sunday, or a legal holiday, in which event the period runs until the end of the next day which is not a Saturday, a Sunday, or a legal holiday.

Subd. 4. Filing and Postmark: The filing or service of any notice or document herein shall be timely if it is personally served or if it bears a certified postmark of the United States Postal Service within the time period.

Section 4. Time Limitation and Waiver: A grievance shall not be valid for consideration unless the grievance is submitted in writing to the School District's designee, setting forth the facts and the specific provision of the Agreement allegedly violated and the particular relief sought within twenty (20) days after the date of the first event giving rise to the grievance occurred. Failure to file any grievance within such period shall be deemed a waiver thereof. Failure to appeal a grievance from one level to another within the time periods thereafter provided shall constitute a waiver of the grievance. An effort shall first be made to adjust an alleged grievance informally between the employee and the School District's designee.

Section 5. Adjustments of Grievance: The School District and the employee shall attempt to adjust all grievances which may arise during the course of employment of any employee within the School District in the following manner:

Subd. 1. Level I: If the grievance is not resolved through informal discussions, the Superintendent or designee shall give a written decision on the grievance to the parties involved within ten (10) days after receipt of the written grievance.

Subd. 2. Level II: In the event the grievance is not resolved in Level I, the decision rendered may be appealed to the School Board, provided such appeal is made in writing within ten (10) days after receipt of the decision in Level I. If a grievance is properly appealed to the School Board, the School Board shall set a time to hear the grievance within twenty (20) days after receipt of the appeal. Within twenty (20) days after the meeting, the School Board shall issue its decision in writing to the parties involved. At the option of the School Board, a committee or representative(s) of the Board may be designated by the Board to hear the appeal at this level, and report its findings and recommendations to the School Board. The School Board shall then render its decision.

Section 6. School Board Review: The School Board reserves the right to review any decision issued under Level I or Level II of this procedure provided the School Board or its representative notifies the parties of the intention to review within ten (10) days after the decision has been

rendered. In the event the School Board reviews a grievance under this section, the School Board reserves the right to reverse or modify such decision.

Section 7. Denial of a Grievance: Failure by the School Board or its representative to issue a decision within the time periods provided herein shall constitute a denial of the grievance and the employee may appeal it to the next level.

Section 8. Mediation: Upon mutual agreement, the parties may petition the Bureau of Mediation Services for assistance in the resolution of any grievance prior to arbitration. If the parties so agree, the time lines for such review and appeal to arbitration shall be adjusted by mutual agreement between the parties.

Section 9. Arbitration Procedures: In the event that the employee and the School Board are unable to resolve any grievance, the grievance may be submitted to arbitration as defined herein:

Subd. 1. Request: A request to submit a grievance to arbitration must be in writing signed by the aggrieved party, and such request must be filed in the office of the Superintendent within ten (10) days following the decision in Level II of the grievance procedure.

Subd. 2. Prior Procedure Required: No grievance shall be considered by the arbitrator which has not been first duly processed in accordance with the grievance procedure and appeal provision.

Subd. 3. Selection of Arbitrator: Upon the proper submission of a grievance under the terms of this procedure, the parties shall, within ten (10) days after the request to arbitrate, attempt to agree upon the selection of an arbitrator. If no agreement on an arbitrator is reached, either party may request the commissioner of the Bureau of Mediation Services to submit a panel of seven (7) arbitrators to the parties, pursuant to the PELRA, provided such request is made within twenty (20) days after request for arbitration. The request shall ask that the panel be submitted within ten (10) days after the receipt of said request. Within ten (10) days after receipt of the panel, the parties shall alternately strike names, and the remaining name shall be the arbitrator to hear the grievance. The order of striking shall be determined by lot. Failure to agree upon an arbitrator or the failure to request an arbitrator from the commissioner within the time periods provided herein shall constitute a waiver of the grievance.

Subd. 4. Hearing: The grievance shall be heard by a single arbitrator and both parties may be represented by such person or persons as they may choose and designate, and the parties shall have the right to a hearing at which time both parties will have the opportunity to submit evidence, offer testimony, and make oral or written arguments relating to the issues before the arbitrator. The proceeding before the arbitrator shall be a hearing de novo.

Subd. 5. Decision: The decision by the arbitrator shall be rendered within thirty (30) days after the close of the hearing. Decisions by the arbitrator in cases properly before the arbitrator shall be final and binding upon the parties subject, however, to the limitations of arbitration decisions as provided in the PELRA. The arbitrator shall issue a written decision and order including findings of fact which shall be based upon substantial and competent evidence presented at the hearing. All witnesses shall be sworn upon oath by the arbitrator.

Subd. 6. Expenses: Each party shall bear its own expenses in connection with arbitration including expenses relating to the party's representatives, witnesses, and any other expenses which the party incurs in connection with presenting its case in arbitration. A transcript or recording of the hearing shall be made at the request of either party. The parties shall share equally fees and expenses of the arbitrator, the cost of the transcript or recording if requested by either or both parties, and any other expenses which the parties mutually agree are necessary for the conduct of the arbitration.

Subd. 7. Jurisdiction: The arbitrator shall have jurisdiction over disputes or disagreements relating to grievances properly before the arbitrator pursuant to the terms of this procedure. The jurisdiction of the arbitrator shall not extend to proposed changes in terms and conditions of employment as defined herein and contained in this written Agreement; nor shall an arbitrator have jurisdiction over any grievance which has not been submitted to arbitration in compliance with the terms of the grievance and arbitration procedure as outlined herein; nor shall the jurisdiction of the arbitrator extend to matters of inherent managerial policy, which shall include but are not limited to such areas of discretion or policy as the functions and programs of the employer, its overall budget, utilization of technology, the organizational structure, and selection and direction and number of personnel. In considering any issue in dispute, the arbitrator's order shall give due consideration to the statutory rights and obligations of the School District to efficiently manage and conduct its operation within the legal limitations surrounding the financing of such operations.

Section 10. Election of Remedies and Waiver: A party instituting any action, proceeding or complaint in a federal or state court of law, or before an administrative tribunal, federal agency, state agency, or seeking relief through any statutory process for which relief may be granted, the subject matter of which may constitute a grievance under this Agreement, shall immediately thereupon waive any and all rights to pursue a grievance under this Article. Upon issuing a proceeding in another forum as outlined herein, the employee shall waive the right to initiate a grievance pursuant to this article or, if the grievance is pending in the grievance procedure, the right to pursue it further shall be immediately waived. This section shall not apply to actions to compel arbitration as provided in the Agreement or to enforce the award of an arbitrator.

**ARTICLE XVII
PUBLIC OBLIGATION**

The parties mutually recognize that their first obligation is to the public and that the right of students and the residents of the School District to the continuous and uninterrupted operation of the school is of paramount importance.

The Exclusive Representative agrees, therefore, that during the term of this Agreement, neither the Exclusive Representative nor any individual employee shall engage in any strike. For purposes of this section, the term, "strike," shall mean any concerted action in failing to report for duty, the willful absence from one's position, sympathy strike, the stoppage of work, slowdown, or the abstinence in whole or in part from the full, faithful and proper performance of the duties of the employment for the purposes of inducing, influencing or coercing a change in the conditions of compensation or the rights, privileges, or obligations of employment. The parties agree that this Article shall not be subject to the grievance or arbitration procedure but is enforceable in the Courts.

**ARTICLE XVIII
MEET AND CONFER**

The Exclusive Representative shall select a representative to meet and confer with a representative or committee of the School District on matters not specified under section 179A.03, subd. 19 relating to the services being provided to the public. The School District shall provide the facilities and a time will be set that is mutually agreed to by both parties for the conferences to take place. The parties shall meet on an as needed basis.

**ARTICLE XIX
PUBLICATION OF THE MASTER AGREEMENT**

Copies of the Master Agreement shall be provided to every employee who is a member of the bargaining unit who is now employed, or hereafter employed by the School District. It is the School District's responsibility to distribute copies of the Agreement to the employees. The School District shall also furnish the Exclusive Representative with an additional three (3) copies of the Master Agreement.

**ARTICLE XX
DURATION**

Section 1. Term and Reopening Negotiations: This Agreement shall remain in full force and effect for a period commencing on July 1, 2025 through June 30, 2027 and thereafter pursuant to the PELRA. If either party desires to modify or amend this Agreement at its expiration, it shall give written notice of such intent no later than May 1, 2027.

Section 2. Effect: This Agreement constitutes the full and complete Agreement between the School District and the Exclusive Representative representing the employees. The provisions herein relating to terms and conditions of employment supersede any and all prior Agreements, resolutions, practices, District policies, rules, regulations concerning terms and conditions of employment inconsistent with those provisions.

Section 3. Finality: Any matters relating to the terms and conditions of employment, whether or not referred to in this Agreement shall not be open for negotiation during the term of this Agreement unless by mutual consent.

Section 4. Severability: The provisions of this Agreement shall be severable, and if any provisions thereof or the application of any such provision under any circumstances is held invalid, it shall not affect any other provisions of this Agreement or the application of any provision thereof.

IN WITNESS THEREOF, the parties have executed this Agreement as follows:
