PREAMBLE

AGREEMENT MADE AND ENTERED INTO between the **HAMPSTEAD SCHOOL BOARD** (hereinafter referred to as the Board) and the **HAMPSTEAD EDUCATION ASSOCIATION** (hereinafter referred to as the Association).

WHEREAS RSA 273-A of the New Hampshire Revised Statutes Annotated mandates the negotiation of a collective bargaining agreement between the Board and any certified bargaining unit of the School District's Employees, and

WHEREAS the Association had been recognized by the Board as representing the majority of the professional Employees of the District prior to the effective date of RSA 273-A, and

WHEREAS the continuation of such recognition by the Board is sanctioned by RSA 273-A as having the effect of certification of the Association as a bargaining unit under said Chapter, and

WHEREAS the Board has met with the Association and fully considered and discussed with it, on behalf of the Employees, contract changes governed by Public Employees Labor Relations Law 273-A,

IT IS AGREED AS FOLLOWS:

ARTICLE I - RECOGNITION

SECTION 1 - BARGAINING UNIT DEFINITION

The Board recognizes the Association as the exclusive representative of all the professional employees, except administrators, in the Hampstead School District for the purposes of collective bargaining and the presentation of grievances, as defined in RSA 273-A.

Definition:

- a. A professional employee is a person who, having successfully completed the prescribed course of study at a recognized school, college, or university and satisfied the certification or licensing requirements of the New Hampshire State Board of Education and/or the appropriate State Licensing Board, has been duly appointed by the Hampstead school system; the primary duty of said position being the purveyance or support of education, or the welfare of students; and
- b. who has signed a contract with the Hampstead School District for a specific period of time. Professional employees of the District are all classroom teachers, teaching specialists, counselors, school psychologists, media generalists, nurses, physical therapists, occupational therapists, certified occupational therapist assistants, speech language pathologists, preschool teachers, and certified educators (hereinafter referred to as members of the bargaining unit). Certified nurse educators will be included when and if such positions are created by the Board.

- c. Except where there is specific, qualifying language, all members working less than full-time (100% time) will have all salary and benefits prorated accordingly. Members working less than 51% may join the HEA group insurances at their own expense, if eligible under the carriers' rules.

SECTION 2 - ASSOCIATION MEMBERSHIP AND BENEFITS

The Association agrees that:

- a. Membership in the Association is neither a condition of employment nor a requirement for the continued employment of any employee.
- b. Benefits successfully negotiated between the Board and the Association are equally applicable to all members of the bargaining unit, whether members of the Association or not.
- c. Any member of the bargaining unit is free to enjoy all rights and is subject to all regulations provided in the laws of the State of New Hampshire and in the policies of the Board, whether represented by the Association or not.

SECTION 3 - ASSOCIATION CERTIFICATION

The Board and the Association agree that certification of the Association as the exclusive representative of the bargaining unit shall remain valid until the Association is dissolved, voluntarily surrenders its certification, loses a valid election, or is decertified by the New Hampshire Public Employee Labor Relations Board, as provided in RSA 273-A:10. The Association agrees to present a letter certifying that 51% of eligible members of the unit are paid current members of the Association at the beginning of the negotiations for a successor agreement.

SECTION 4 - POLICY REVISIONS

The Superintendent agrees to provide the Association with up-to-date revisions of the Board's policy manual as soon as is practicable after adoption by the Board. Policy changes approved by the School Board will be forwarded to building principals to distribute to all staff in their buildings.

ARTICLE II - NEGOTIATIONS

SECTION 1 - SUCCESSOR NEGOTIATIONS

On or about September first of the calendar year prior to the expiration of this Agreement, the parties agree to enter into good faith negotiations over a successor Agreement. Any Agreement reached shall be reduced to writing and signed by the Board and the Association.

SECTION 2 - NEGOTIATIONS CONSULTANTS

Either party may, if it so desires, utilize the services of outside consultants and may call upon professional and lay representatives to assist in the negotiations.

SECTION 3 - SCOPE OF NEGOTIATIONS

The first item of business to be resolved at the inception of negotiations shall be defining the scope of the negotiations.

ARTICLE III - PERSONNEL

SECTION 1 - PERSONNEL FILES ACCESS

Upon written request and twenty-four hours notice, all members shall be allowed to review their personnel files and make copies of the contents contained within. No evaluations or written commentary, complimentary or derogatory, will be placed in the file without having been first shown to the member; the member shall sign the commentary or evaluation only as an indication that it has been reviewed. Personnel files shall be housed at the Superintendent's office. Explanatory or rebuttal statements can be attached by the member to material housed in the appropriate file.

SECTION 2 – DISCIPLINE

A member who feels they have been improperly disciplined or reprimanded without just cause may file a grievance under Article IV of this Agreement.

SECTION 3 - PERSONNEL FILES CONFIDENTIALITY

The personnel files of a member will be kept confidential consistent with state and federal laws. Access to the file will be strictly limited to appropriate school district personnel or others as defined by law.

SECTION 4 - REDUCTION IN FORCE

When, in the discretion of the School Board, a reduction in professional staff is required, such reduction shall be accomplished as follows:

- a. The position(s) to be eliminated shall be determined by the School Board by grade or by program, according to the best interests of the entire Hampstead School District.
- b. Reductions shall be accomplished first by attrition, resignations and/or retirements.
- c. The schedule for release of personnel shall be district-wide. Personnel shall be released irrespective of prior position held, in reverse order of seniority within the Hampstead School District, EXCEPT:
 1. When no available member with greater seniority in the Hampstead School District is certified for a position which would be retained, but vacated, by the departure of the less senior member.
 2. When a member scheduled for release would be replaced in their position by a more senior member with certification but without recent experience in that certification area. In such cases, the less senior member will be retained.

- d. Seniority, as used in this section, refers to years and months of professional certified employment within the Hampstead School District. A member's employment shall be considered to have started on September 1st of the year in which s/he was first employed if that was for the full school year, and on the actual start date if the member started during a year. Members who work less than full-time will accrue seniority prorated to their amount of employment. In cases in which individuals have the same number of years and months of employment, seniority shall be determined by lot. The seniority list will be updated annually, in January, by the Superintendent. The Association President shall receive a copy of the seniority list prior to Feb. 1.
- e. Recall - A recall list of those members who have passed their probationary period shall be maintained until at least the start of the second school year following the release.
1. Openings which may occur within the District during that period will be offered to individuals on the recall list, in inverse order of release, again subject to certification and experience as described above. This shall include any long-term substitute position.
 2. Members who decline a position under this provision shall not lose recall status unless they request in writing that their names be removed from the recall list.
 3. Members on the recall list shall be responsible for notifying the Superintendent in writing of any change of address. Failure to so notify the Superintendent may constitute loss of recall status.
 4. A member must respond within fourteen (14) calendar days to any recall notice; except between August 15 and September 15, a member must respond within seven (7) calendar days. The Association President, with Association approval, may approve a shorter time period in case of an emergency.
 5. New employees will not be rehired for any vacancy while there are laid-off certified members available and willing to fill those positions.
 6. A teacher who bumps another teacher under Section III (4) shall return to the position from which they were bumped if said position is vacant and the bumped teacher wishes to exercise their recall rights.
- f. Seniority - Members released under this policy and who are recalled within the recall period shall retain all accrued seniority and retain all rights under the law accruing to their experience.
- g. Association Notification - Whenever a reduction in force appears probable, the President of the Association will be notified in writing (or email) by the Superintendent or Assistant Superintendent.

SECTION 5 - JOB TRANSFERS

Members in the bargaining unit will be considered for a job transfer into any newly created position or opening due to someone leaving the position.

- a. The SAU will provide the Association President with written notification of all vacancies via email at least two (2) days prior to the posting of the position. All vacancies in the Hampstead School District will be posted by the Principal in each Hampstead School District school's office and staff room for at least two (2) days prior to any other postings.
- b. Any member wanting to pursue a job transfer must state their interest in writing to the Superintendent of Schools. This may be prior to or upon posting of the position.
- c. All members requesting a job transfer will be given due consideration, including an interview for the position, if they have the proper certifications necessary for the position.
- d. All members that interview for a position will be given written notification of appointment disposition.

SECTION 6 - JOB SHARING

Members wishing to share a position will present a detailed, complete written proposal by April 1 to the building principal for approval, with copies to each team member.

- a. Final decision will be given in writing on or before May 1, by the Superintendent and the Principal. Approval is for one year only, but renewable by written application.
- b. Salary, benefits, Hampstead Experience Differential and seniority issues will be prorated in the proposed plan.
- c. Members requesting job sharing positions must be certified in the appropriate areas for the position.
- d. Job share members who are beyond the probationary period will get the first option at any full-time position, which becomes available.
- e. When the job share is discontinued, the member that originally held the position shall have the right to return to full-time status if the position still exists. The second member shall have the right to the position if it still exists, if the first member declines the position.
- f. The administration's decision is not subject to the grievance procedure.

ARTICLE IV - GRIEVANCES

SECTION 1 - PURPOSE OF GRIEVANCE

This Article provides for an orderly and sole procedure for the processing of Individual, Board and Association grievances pertaining only to the interpretation or application of express provisions of this Agreement. The grievance process shall not apply, and the Board's decision shall be final and binding, as to the following matters: (1) any matter for

which a specific method of review is prescribed by law; (2) any rule or regulation by the State Department of Education; (3) any by-law of the School Board pertaining to its internal organization; (4) any matter which according to law is either beyond the scope of Board authority or limited to unilateral action by the Board alone; (5) a complaint by an employee which arises by reason of their not being re-employed; (6) a complaint by an employee occasioned by appointment to, lack of appointment to, retention or lack of retention in any position for which "tenure" is not possible or not required.

SECTION 2 - REFLECTION ON GRIEVANT

The Board and the Association recognize and endorse the importance of bringing grievances to light and adjusting them promptly. The initiation of a grievance in good faith by an individual will not cause any reflection on that member's standing with the Administration or loyalty and desirability to the District, nor will the grievance be considered as a reflection on the Administration or the Board.

SECTION 3 - GRIEVANCE INITIATION TIME LINES

A grievance to be considered under this procedure must be presented to the second party within twenty (20) school days of its occurrence, or within twenty (20) school days of when the first party should have reasonably known of its occurrence. Once the grievance is being considered, the failure of the aggrieved party to appeal a decision, or lack of decision, rendered at a given step in the procedure to the next step within the specified time limit constitutes explicit acceptance of the decision and is a waiver of further appeal of said decision. All time periods may be extended by mutual written agreement, signed by both parties.

SECTION 4 - INDIVIDUAL GRIEVANCE

- a. The following grievance procedure applies to individual members. Each party will bear the costs incurred by itself. Any member shall be assured freedom of restraint, interference, coercion, discrimination, or reprisal in presenting a grievance.
- b. Level One - Informal Discussion: An individual shall discuss the grievance with the appropriate Building Principal or Director (as applicable) in an attempt to resolve the matter.
- c. Level Two - Principal: If the Individual is not satisfied with the results of Level One above, the Individual may continue with a Level Two formal meeting. The meeting will include the individual, the appropriate building Principal, and, if requested by the individual, an Association Representative. The individual must present the completed form Appendix B, within five (5) school days of the Level One Informal discussion. The completed form must be presented to the Association and the appropriate Principal. The Principal must render a decision within five (5) school days of the meeting.
- d. Level Three - Superintendent: If satisfactory settlement has not been reached at Level Two, the individual shall present the grievance to the Superintendent within five (5) school days of the Principal's Level Two decision. The written grievance on Appendix B shall contain the details of the complaint and the corrective action desired by the individual. It must also give the date of the Level One informal discussion, as well as the

date and substance of the Level Two decision. The Superintendent will meet with the Principal, the individual, and, if requested by the individual, a representative of the Association, in an attempt to resolve the grievance. A written decision will be given to the individual within five (5) school days of the meeting.

- e. Level Four - School Board: If satisfactory settlement has not been reached at Level Three, the individual has five (5) school days after the Superintendent's decision to submit the grievance on form Appendix B to the Board for resolution. The Board shall meet with the Superintendent, the individual, and, if requested by the individual, an Association Representative, not less than five (5) nor more than (10) days after receipt of the request. A decision must be rendered in writing by the Board within ten (10) school days of the meeting.
- f. Level Five - Arbitration
If the decision of the School Board does not resolve the grievance, the Association shall have the sole right to appeal that decision and the matter shall be submitted to binding arbitration, provided that the Association notifies the School Board in writing of such request within twenty (20) school days of receipt by the Association of the School Board's decision. The procedure set forth below in Section 10 will be followed.

SECTION 5 - ASSOCIATION GRIEVANCE

- a. The following grievance procedure applies to an Association grievance. Each party will bear the costs incurred by itself. The Association will notify any employee affected by an association grievance prior to the submission of the grievance.
- b. Level One - Informal Discussion:
The Association President shall discuss the grievance with the appropriate Building Principal or Director (as applicable) in an attempt to resolve the matter.
- c. Level Two - Principal:
If the Association is not satisfied with a decision from Level One above, it may initiate the formal grievance procedure with the appropriate Building Principal. The Association must present the grievance in writing on the completed form Appendix B. The completed form must be presented to the appropriate Principal and the Principal must meet with the Association President or designee within five (5) school days. The Principal must render a decision within five (5) school days of the meeting.
- d. Level Three - Superintendent: If satisfactory settlement has not been reached at Level Two, the Association shall present the grievance to the Superintendent within five (5) school days of the Principal's Level Two decision. The written grievance on form Appendix B shall contain the details of the complaint and the corrective action desired by the Association. It must also give the date of the Level One informal discussion, as well as the date and substance of the Level Two decision. The Superintendent will meet with a representative of the Association in an attempt to resolve the grievance. A written decision will be given to the Association within five (5) school days of the meeting.
- e. Level Four - Board:

If satisfactory settlement has not been reached at Level Three, the Association has five (5) school days after the Superintendent's decision to submit the grievance on form Appendix B to the Board for resolution. The Board shall meet with the Superintendent, the individual, and, if requested by the individual, an Association Representative, not less than five (5) nor more than (10) school days after receipt of the request. A decision must be rendered in writing by the Board within ten (10) school days of the meeting.

f. **Level Five - Arbitration:**

If the decision of the School Board does not resolve the grievance, the Association shall have the sole right to appeal that decision and the matter shall be submitted to binding arbitration, provided that the Association notifies the School Board in writing of such request within twenty (20) school days of receipt by the Association of the School Board's decision. The procedure set forth below in Section 10 will be followed.

SECTION 6 - BOARD GRIEVANCE

a. The following grievance procedure applies to a board grievance. Each party will bear the costs incurred by itself. The Board will notify any member affected by a board grievance prior to the submission of the grievance.

b. **Level One - Informal Discussion:**

The Board Chairperson shall discuss the grievance with the Association's President in an attempt to resolve the matter.

c. **Level Two - Association President:**

If satisfactory settlement has not been reached at Level One, the Chairperson of the Board shall present the grievance on the completed form Appendix B to the President of the Association. Within ten (10) school days, the President of the Association and the Chairperson of the Board shall meet to draw up a proposal to resolve the grievance. Both parties shall receive the written proposal no later than ten (10) school days following the meeting. If either party is not satisfied with the proposal, the President of the Association and the Chairperson of the Board shall meet two or more times to further attempt resolution of the grievance.

d. **Level Three - Association Executive Board:**

If satisfactory settlement has not been reached after the third meeting, the Board's representative or designee will present the grievance on form Appendix B to the Executive Board of the Association within ten (10) school days. The Association's Executive Board will render a written decision within five (5) school days.

e. **Level Four - Arbitration**

If the decision of the Association Executive Board does not resolve the grievance, the School Board shall have the sole right to appeal that decision and the matter shall be submitted to binding arbitration, provided that the School Board notifies the Association Executive Board in writing of such request within twenty (20) school days of receipt by the School Board of the Association Executive Board's decision. The procedure set forth below in Section 10 will be followed.

SECTION 7 - GRIEVANCE SUBSTANTIATION

At each and every step of the grievance procedure, the individual, the Board and the Association may call a reasonable number of witnesses, and, upon request of the other party, permit inspection of pertinent records insofar as permissible without violating laws or regulations, for the purpose of substantiating the contentions of claims of the parties.

SECTION 8 - GRIEVANCE DEFINITION OF DAYS

In the event a grievance is filed at such time that it cannot be processed through all the steps in the grievance procedure by the end of the school year, the grievance procedure prescribed in Article IV, Sections 3, 4, 5, and 6 shall be followed, except for substituting "Central Office working days" for "School Days".

SECTION 9 - GRIEVANT REPRESENTATION

- a. A grievant must be present at all levels of the grievance procedure. At the grievant's option, after Level One, a representative of the Association or an independent third party may be present to represent the member.
- b. When an individual is not represented by the Association in the processing of a grievance, the Association shall, at the time of submission of the written grievance to the Principal at Level 2 or any higher level, be notified by the Principal, in writing prior to all hearing sessions concerning the content of such grievance and shall receive a copy of all decisions rendered. The Association shall have the right, when it is not actively representing a grievant, to present its position in writing relevant to said grievance.

SECTION 10 – ARBITRATION PROCEDURES

- a. Once a matter has been referred to arbitration, the parties will attempt to agree upon a mutually satisfactory third party to serve as arbitrator. If no agreement is reached within ten (10) school days following the date that the request for arbitration was received by the other party, either party may request that the PELRB provide a list of arbitrators and the parties will follow the PELRB's procedures for selection of an arbitrator.
- b. Neither the Board nor the Association will be permitted to assert any ground or evidence before the arbitrator, which was not previously disclosed to the other party.
- c. The arbitrator shall limit themselves to the issues submitted to them and shall consider nothing else. They shall be bound by and must comply with all of the terms of the Agreement. They shall have no power to add to, delete from, or modify in any way any of the provisions of this Agreement. The arbitrator may recommend a "make whole" award, but may recommend no penalty payments.
- d. The Board, the aggrieved, and the Association shall receive copies of the arbitrator's report. This shall be accomplished within thirty (30) school days of the completion of the arbitrator's hearing. The decision of the arbitrator shall be binding on both parties.
- e. The parties agree to share equally the compensation and expense of the arbitrator and any related fees. Each party will be responsible for its own expenses.

ARTICLE V - LEAVE

SECTION 1 - LEAVE ACCRUAL

Each full-time member shall accumulate paid leave for use in case of illness, disability, medical or legal appointment, family obligation, or emergency event at a rate of 1.4 days

per school calendar month, to a maximum of fourteen (14) days per year. This benefit shall accrue on the first day of every calendar month commencing on September 1 and continuing through June 30 of each year. Members working less than full-time shall have their leave accrual prorated.

SECTION 2 – USE OF LEAVE

Except in emergencies, or the illness of the member or the member's spouse, child, parent, or member of household, written request for leave days should be made to the Principal or Superintendent at least two (2) days before such leave occurs. Leave days shall not be used for recreational purposes and may not be taken on the day immediately preceding or the day immediately following a vacation or holiday, except with the approval of the Superintendent or designee.

SECTION 3 – LEAVE ACCUMULATION

Leave shall be accumulated to the following maximum:

- a. For contracts of 189 days or more: 120 days for all members hired before July 1, 2009. All members hired after July 1, 2009 will accumulate to 110 days.
- b. For contracts of fewer than 189 days: a quantity prorated from the numbers established in (a) above.

SECTION 4 - MAXIMUM LEAVE

The maximum paid leave granted to a member at a given time is equal to the sum of the accumulated leave from previous contract years, plus the number of accrued days during the current year. A member may petition the Superintendent to advance leave days.

SECTION 5 - EXCESS LEAVE DAYS

Leave days taken in excess of the maximum defined in Section 3 shall be deducted from the member's salary at the prescribed pro rata daily rate and deducted from the next paycheck.

SECTION 6 - RETIREMENT LEAVE DAY REDEMPTION

Upon legal retirement, members eligible for the NH Retirement System and with ten (10) to fifteen (15) years of Hampstead District service will be paid a lump sum equal to fifty dollars (\$50) multiplied by the number of accumulated leave days, as defined in Section 3 of this article. Members eligible for NH Retirement System with fifteen (15) or more years will be paid a lump sum equal to seventy-five dollars (\$75) multiplied by the number of accumulated leave days. This payment will be made no earlier than June 15 and no later than August 31 following retirement.

SECTION 7 - ANNUAL LEAVE DAY REDEMPTION

- a. Members who have accumulated the maximum number of leave days will continue to accrue days during the school year, in accordance with Article V, Section 1, which may be

used during that year. Any such days remaining at the end of the school year will be redeemed at seventy-five dollars (\$75) multiplied by the number of accumulated leave days beyond maximum, as defined in Section 3. The payment will be made in September for the preceding school year to members who are returning the following year or who have provided timely notice of resignation or retirement.

- b. Notice of resignation as required in paragraph (a) above, shall be considered “timely” if it is received by the deadline for return of a signed contract for the following year. The Superintendent may waive this requirement in emergency circumstances.

ARTICLE VI - BEREAVEMENT & PROFESSIONAL ABSENCES

SECTION 1 - BEREAVEMENT DAYS

The following days may be authorized by the Superintendent or designee under the conditions described:

- a. An employee shall be granted bereavement absences with pay because of death in the immediate family. Normally five (5) days will be granted per bereavement. An employee’s immediate family shall be considered as husband, wife, child, mother, father, sister, brother, mother-in-law, father-in-law, brother-in-law, sister-in-law, son-in-law, daughter-in-law, grandparents, grandchildren and other persons residing in the same household as the employee.
- b. An employee shall be granted absences with pay because of the death of uncles, aunts, nieces and nephews, not to exceed two (2) days per bereavement.
- c. In unusual circumstances the Principal, with the approval of the Superintendent, is authorized to grant additional bereavement days or bereavement leave for individuals not listed above.

SECTION 2 - NEA-NH DELEGATE

Two designated delegates of the Association will be allowed one (1) day leave-of-absence, each, to attend the State Educational Association's delegate assembly. The Superintendent may authorize, in advance, additional Association business days, provided the Association agrees to pay the substitute(s).

SECTION 3 - PROFESSIONAL LEAVE

Absence of the members for professional purposes is recognized by the Board as advantageous to the District and the Superintendent is authorized to grant said leave at their discretion.

SECTION 4 - WRITTEN REQUEST FOR LEAVE

Written application shall be made to the Principal or Superintendent at least two (2) days before taking any Article VI leave, except in emergencies, stating the reason and expected duration of the absence.

ARTICLE VII - LEAVES-OF-ABSENCE

The following leaves of absence apply to members with at least two (2) years of service in the district who work 51% or more. Members requesting leave under the following provisions shall submit their applications in writing to the Board. If granted, the Board shall send written notification to the member of the type and duration of the approved leave.

SECTION 1 - UNPAID LEAVE

An unpaid leave-of-absence of one contracted year or less may be granted to any member, upon approval of the Board, for the purpose of participating in exchange teaching programs in other states, territories or countries; foreign or military teaching programs; cultural, travel or work programs related to their professional responsibilities; or to study at a recognized college or university provided that:

- a. The sum of the members on leave shall not exceed five percent (5%) of the members or one (1) member per building, whichever is greater.
- b. A member requesting said leave state their intention to return to the school system no later than May 1 of the leave-of-absence year.

SECTION 2 - SABBATICAL LEAVE

- a. Sabbatical leave for approved full-time study, or for other approved educational activities directly relating to one's professional assignment, will be available to one (1) member every other year, providing the granting of such leave will not, in the opinion of the Superintendent and Board, impair the effectiveness of instruction within the educational system. Priority will be given to an applicant seeking a Master's Degree.
- b. To be eligible for sabbatical leave, a member shall have been employed in a professional capacity by the Hampstead School District for at least seven (7) consecutive years.
- c. Sabbatical leave may be granted for a maximum of one (1) school year at fifty percent (50%) rate of pay, or for one-half (1/2) the school year at seventy-five percent (75%) rate of pay, provided the recipient is enrolled in a full-time (at least 12 graduate credits) approved program, using the salary step at the time of the request on the salary schedule in effect at the time of the leave. Payment for members on sabbatical leave will be biweekly and distributed in accordance with current payroll procedures. Insurance benefits consistent with ARTICLE X of this contract, will be allowed, but other benefits, including course reimbursement, will not. The Superintendent of Schools reserves the right to request status reports on the success of the program at any time.
- d. An eligible member desiring to apply for sabbatical leave shall file a preliminary request for sabbatical leave and a plan for the use of such leave with the Superintendent and the School no later than December 1 of the preceding year. A final request for sabbatical leave, including specific details of the program, shall be filed no later than March 1 of the calendar year in which the sabbatical leave is to commence.

- e. Upon completion of the sabbatical leave, the Superintendent and the School Board may require the member to complete a written report describing the manner in which the leave was used and the educational value received there from.
- f.
