

Math Teacher

Job Description

Reports To:	Building Principal
FLSA Status:	Exempt
School Classification:	Certified Staff
Starting Pay Range:	\$45,577-\$82,065
Location:	Onsite
Position Summary:	HCHS teachers will be charged with providing a rigorous, fast-paced, and inspiring learning environment for all of their students. In 2026-2027, the following courses will be offered within the Math department: Algebra I, Geometry, Algebra II, Statistics, Pre-Calculus, AP-Statistics, AP-Calculus, Consumer Math, and Math Intervention. In addition to leading courses in their content area, HCHS teachers will also be advisors: adults committed to supporting a small group of students as they work to develop their academic and social-emotional selves. Advisors will be critical in the HCHS model of student support, and those who stay for all four years of their advisees' high school career will have the amazing privilege of handing their advisees their diplomas and wishing them well as they head off to college. The Math Teacher will work under the guidance of the Instructional Leadership Team and in close collaboration with fellow classroom teachers and advisors.

ESSENTIAL FUNCTIONS and RESPONSIBILITIES:

General Duties

Instructional Planning and Implementation

- Utilize curriculum to develop and implement standards-based lesson plans that include an understanding and modeling of independent thinking skills, creative problem-solving, and evidence-based reasoning, differentiating and scaffolding as needed
- Implement assessments that are aligned with daily, weekly, and unit objectives

- Use data to adjust short- and long-term plans in order to meet students' learning needs

Learning and Development

- Collaborate with colleagues and seek feedback in the spirit of continuous improvement
- Demonstrate a commitment to continuous improvement and student achievement; reflect on instructional practices to meet individual professional development goals
- Actively participate in professional development, grade level, and community meetings

School and Classroom Culture

- Establish and maintain relationships with students and families based in trust and regular communication; collaborate and communicate regularly with families about academic progress and behavior
- Establish and maintain high expectations and routines for academic work and classroom behavior
- Establish and reinforce expectations and accountability structures to maintain a positive, focused classroom

Additional Responsibilities

- Maintain accurate records, grade book, and data tracking systems
- Actively attend to supervision duties and contribute positively to a collaborative school environment
