POSTING DATE: September 24, 2025

OPENING

Special Education Teacher

Harold Martin School, PreK-3

The Hopkinton School District has an immediate opening and is seeking a certified special education teacher to work with students with disabilities.

POSITION RESPONSIBILITIES:

- Work collaboratively with school personnel and service providers to ensure appropriate programming in the least restrictive environment
- Development, implement, and monitor effectiveness of a student's IEP.
- Provide direct specialized instruction to meet student needs.
- Develop data sheets for goal tracking and successfully analyze the data to make programming decisions.
- Provide case management for students in compliance with IDEA.
- Train, support and coordinate instructional assistants working with students
- Participate in the development of effective behavior plans
- Working in conjunction with the classroom teacher, modify instructional materials to allow students access to the general education curriculum, where appropriate

NH Department of Education Certification. Experience working with elementary-aged students with disabilities.

Qualified candidates can apply at: <https://www.applitrack.com/hopkinton/onlineapp/>
