POSITION TITLE: Reading Intervention Teacher – Elementary

JOB CODE: 000169
SAP 30000160
SALARY GRADE: RT

CONTRACT LENGTH: 10 Months

IMMEDIATE SUPERVISOR: Principal

POSITION SUMMARY: The Reading Intervention Teacher is a campus-based position and is an “in-house” resource that provides a crucial link to address the needs of early literacy, oral language development and struggling readers.

ILLUSTRATIVE DUTIES:
- Use research-based reading materials to provide instructional reading intervention for qualifying students who struggle with reading.
- Assist in adapting intervention materials to enhance student literacy and oral language development.
- Compile intervention data gathered from instructional sessions.
- Organize and administer materials for intervention.
- Participate in training and advising of intervention personnel.
- Perform miscellaneous job-related duties as assigned.

POSITION REQUIREMENTS:

Education:
- Bachelor’s degree from an accredited college or university.
- Master’s Degree preferred.

Certifications:
TEA Certification is required.

Experience:
- A minimum of 3 years teaching experience teaching students in the area of early literacy and oral language development
- Demonstrated experience implementing intensive early literacy intervention to students.
- Demonstrated experience working independently and with teams to collect data.
- Equivalent combination of relevant education and experience may be substituted.

Other Requirements:
- Microsoft Office.
- Knowledge of research and evaluation methods.
- Ability to travel throughout the district and city by means of private or public transportation. If driving personal (or private) vehicle, must possess a valid Texas driver’s license and appropriate insurance coverage.
