JOB TITLE: SPECIAL EDUCATION EDUCATIONAL ASSISTANT

Reports to: Building Principal for day to day personnel decisions; Director of Special Education for program decisions; Special education teacher for day to day activities involving IEP implementation and daily duties.

Job Summary: Provide assistance to teachers in meeting the physical and instructional needs of students with disabilities.

Essential functions of the job may include but are not limited to the following:
- Work with individual students or small groups to reinforce motor, academic, social, self-care or communication skills under the direction of the teacher.
- Assisting the teacher(s) in devising strategies for reinforcing skills based on understanding of students needs, interests and abilities.
- Assume responsibility for learning and adapting to each student’s special medical, physical, communicative, and emotional need.
- Assist students with physical disabilities according to their needs, including transferring to and from wheelchairs, lifting, and positioning.
- Assist students with physical needs and personal care, including feeding, toileting needs and personal hygiene.
- Assist students while in mainstream classes.
- Assist students in test taking and/or reading the test to them.
- Help manage behavior of students. This includes intervening in crisis situations and restraining disruptive or dangerous student behavior using Crisis Prevention and Intervention strategies as needed.
- Guide students in working and playing appropriately.
- Assist with large group activities such as drill work, reading aloud, storytelling, and field trips.
- Assist and supervise students throughout the school day, inside and outside the special education classroom. This includes lunchroom, bus and playground duty.

Other functions of the job include but are not limited to the following:
- Completion of clerical tasks related to students to whom assigned.
- Participate in daily and long range lesson and classroom activity planning when requested.
- Participate in staff development training programs as assigned.
- Assist teacher in maintaining classroom materials, equipment and facilities in an appropriate manner.
- Perform other general duties to accomplish the objectives and goals of the program.
