POSITION GUIDE

Position Title:	Teacher of Special Education - Floater	**Code:**	
Department:	Early Childhood & Special Education Services	**Group:**	PROF
Reports to:	Supervisor of Special Education	**Date:**	July 2019

PURPOSE OF POSITION:

The teachers of exceptional students are responsible for planning and implementing an effective program of instruction based on students' Individual Education Programs (IEP's). The Teacher of Special Education – Floater position supports their assigned Program by covering daily, short-term, and long-term teacher positions. Teachers report to their respective Program Supervisor.

ESSENTIAL FUNCTIONS:

All job functions are to be executed through the lens of high quality customer service. Customers are defined as both internal and external clients. Examples demonstrative of high quality service may include, but are not limited to, the following:

- *prompt responsiveness to inquiries*
- *professional and courteous verbal and nonverbal communication*
- *proactive problem solving*
- *embodying the Keys to our Culture*

1. Develops and implements an appropriate Individualized Education Program (IEP) for each student by assessing student needs, determining appropriate instructional goals and objectives, designing instruction to meet student needs, and evaluating student progress.

2. Works cooperatively with Program Supervisor, Building Administrators, teachers, and other Intermediate Unit and school district staff to teach students functional skills within the least restrictive environment.

3. Utilizes research-based instructional and behavioral support techniques in order to reach IEP goals and objectives.

4. Establishes and/or maintains a consistent classroom, instructional schedule, and maintains an orderly learning environment.

5. Collects data and maintains adequate records of pupil progress as required by the Department of Education.

6. Submits required reports which document students' educational progress.

7. Communicates effectively with parents, school, and IU13 personnel.

8. Plans and oversees the duties of instructional support staff assigned to the classroom.

9. Coordinates and conducts IEP meetings and parent conferences to elicit parental input on educational and behavioral program goals.

This is not a complete itemization of all facets of this position.

10. Works with the Program Supervisor to determine assignments for Teacher coverage within Program, which may involve traveling to different school locations throughout Lancaster and Lebanon on a daily basis.

11. Performs other duties as assigned by the Program Supervisor in the event that a teaching position is not available within Program.

12. Adheres to the established work schedule through regular and consistent attendance.

13. Staff must observe all LLIU requirements governing FERPA, HIPAA, and any LLIU policies on FERPA and/or HIPAA's policies and notices of privacy practices.

MARGINAL FUNCTIONS:

Marginal functions will vary with the specific assignment and depend on the particular position function for which the person is responsible.
