ADJUNCT INSTRUCTOR IN NURSING
ILLINOIS VALLEY COMMUNITY COLLEGE

Reports to: Director of Nursing Programs

POSITION SUMMARY:

Teach and assess student learning outcomes in nursing, allied health and health-related courses. Develop and promote the nursing curriculum designed for both transfer courses to four-year colleges/universities, and applied degree programs. In collaboration with colleagues, be responsible for ongoing curriculum evaluation, assessment, and improvement, within the context of IVCC's general education philosophy. Facilitate student learning outside of the classroom through participation in student activities, college, and community events; and assist with student recruitment.

ESSENTIAL DUTIES AND RESPONSIBILITIES:

- **Learner-centered Teaching**: Teach nursing, allied health, and health-related courses according to relevant student learning objectives. Regularly assess student learning to continuously improve instruction. Endorse learner-centered scheduling, including evening and Saturday courses, extension courses, and /or distance learning. Ability to teach courses on the main campus, the Ottawa center, and extension sites.

- **Curriculum Development**: Develop and/or revise course(s) in collaboration with colleagues. Propose and develop inter and/or intra-divisional course offerings.

- **Technology**: Integrate instructional technology as appropriate in the discipline of nursing, including exploration of on-line course delivery and web-based course components. This position may include the teaching of on-line and blended nursing and allied health courses.

- **Involvement**: Support IVCC's Student Development activities, and participate in divisional and/or college-wide committees. Participate in institutional and community activities. Assist in recruitment of students.

- **Professional Development**: Initiate and maintain active participation in professional development opportunities that encompass the discipline of nursing and teaching effectiveness.

- **Philosophy**: Continually strive to achieve the college **Mission**, **Vision,** and **Purposes**, and model the college's **Valued Practices**.

QUALIFICATIONS:

Required:

- Bachelor's degree in Nursing from an accredited college/university and actively enrolled in a Master's degree in Nursing program with an anticipated completion date of no longer than twelve months after date of hire.
- Currently licensed to practice Nursing in the state of Illinois.
- Minimum two years clinical nursing practice.
- Demonstrated commitment to the mission of the community college.

Preferred:

- Teaching experience at the college level in nursing or health related fields, including the teaching of on-line courses.
