Why Kingsley?

Kingsley Area Schools is a class B school district of 1,500 students offering unparalleled learning opportunities in Northern Michigan. KAS has a legacy of championship-winning athletics, award-winning music programs, and dozens of extracurriculars on top of a rich academic catalog that includes advanced placement courses. The Michigan Department of Education calls the district a Beating the Odds school system for maximizing student achievement across the entire spectrum of economic backgrounds. Kingsley's Elementary is consistently recognized for its achievements, earning one of 13 state nominations for a National Blue Ribbon School of Excellence. Kingsley's secret to success? Teachers who are personally invested in every child.

Work in a community of excellence, live in a landscape of unspoiled beauty. Kingsley offers the best of what Pure Michigan has to offer: pristine rivers, miles of forested trails, abundant wildlife, and open skies. We are just a 20-minute drive from charming Traverse City and its beaches, chic restaurants, and cultural opportunities, and a 45-minute drive from the Sleeping Bear Dunes National Lakeshore.
