

## Job Posting

### Opening for: Intervention Specialist Full & Part-time Positions

**Description:** The ACE Academy Community school has an immediate opening for an Intervention Specialist (both full & part-time) located in Middlefield, Ohio. The High School is a program where students work in Agricultural fields of study and complete their core academic requirements through an online platform. Students report to the building every day and work in the classroom. ACE is looking for an intervention specialist to provide instruction and leadership to those students that currently have an IEP or need intervention.

**Qualifications:** Candidates must hold a current, valid license as an Intervention Specialist, must have the ability to write an IEP, have a general understanding of compliance, timelines/deadlines, understand/utilize technology as a tool for teaching and learning, pass required background checks

**Working Conditions:** Salary and work year as well as terms and conditions of employment shall be determined by the ACE Academy Board of Directors.

**Start Date:** September 8, 2026

**All Candidates:** Please send letter of interest/email to: [msmoley@escwr.org](mailto:msmoley@escwr.org)
