

Dear LISD Employees,

Summer school planning is in full swing. We are pleased to share that we will continue to host summer school options for eligible elementary, middle and high school students across LISD. Job postings will go live on March 14th. If you are interested in working in one of our summer programs, please review the listings below and then follow the steps to complete the application process. If you have any questions about the individual positions, please contact the person listed for each opportunity.

- You will need to list the specific positions desired in order of choice on the application.
- If you are only interested in one position, you can select N/A for any additional choices.
- You can also list N/A on locations if it does not apply to the position.
- If the program is only offering one session, please click N/A for the session number.
- Be sure to notice the deadline to complete each application.

Applicants will apply for the positions below through Applitrack. We have simplified the process in Applitrack and we are hopeful it will be more user-friendly. For instructions to find the positions on the Leander ISD website, log into Applitrack, complete the application process, and know who to contact with questions.
