POSITION OPENING

Posting Date: January 9, 2026

Position: Assistive Technology Consultant

Effective Date: Immediately

Circumstances: Vacancy created by internal movement

Certification/Qualifications:

1. Bachelor or Masters Degree
2. Major field of study or degree emphasis; Speech Language Pathology, Occupational Therapy, Special Education, or related field.
3. Experience working with students who have complex communication needs.
4. Demonstrated ability and knowledge of the principles, practices, and ethical standards of Assistive Technology and its use in classroom settings.
5. Knowledge of developmental language and literacy and its application to AAC.
6. Knowledge of relevant state and federal laws, rules and regulations related to special education as it relates to Assistive Technology.
7. Ability to consult with school personnel in developing and implementing SETT process.
8. Ability to deal effectively with students, parents and other educational professionals regarding student concerns and problems.
9. Experience working with all school-aged groups (preschool through age 26) and understanding evaluation with standardized and non-standardized methods.
10. Experience developing professional development for staff and parents.
11. Experience in the development of IEPs.
12. Experience providing consultive services to adults in a variety of settings.
13. Such alternatives to the above qualifications as the Board of Education may find appropriate and acceptable.

Salary: Wage and benefits to be in accordance with the Master Agreement for Certified Staff.

Job Goal:

The successful candidate will need to be adaptable and a collaborative team member with exceptional communication, leadership and problem-solving skills to provide consultation and assist in implementation of Assistive Technology for students. Candidates should have expertise and knowledge of language and its application to AAC implementation.
