## JOB EXPECTATIONS & REQUIREMENTS

### Position Purpose / Description

Under the direction of the Director, the Lead Teacher works with a classroom and/or small groups of students; assisting students by modeling the necessary skills to perform assignments; following educational and specific behavioral plans; and modeling appropriate behaviors and interactions with students and staff.

## Essential Functions

- Plan and implement classroom instruction by providing and preparing lesson materials, monitoring the students during their work and helping them in their learning where necessary.
- Observe students' activities to ensure student safety and well-being and intervene when necessary.
- Ensure that the necessary materials for teaching a class, such as visual aids, are prepared, up-to-date, and present in the instruction space.
- Select and use training/instructional methods and procedures appropriate for the situation when learning or teaching new things.
- Maintain a clean, sanitary workspace through use of hand disinfectant and sanitizer, in order to minimize infection risk between colleagues or when working with children.
- Monitor individual and/or groups of students for the purpose of providing a safe and positive learning environment. Monitor and manage student behavior in a way that maximizes instructional time.
- In collaboration with teaching faculty, identifies students who are below standards in specific skills and knowledge.
- Assist students with assignments that reinforce learning concepts.
- Maintain a record of interventions and progress monitoring.
- Implement instructional programs and lesson plans for the purpose of presenting and/or reinforcing learning concepts.
- Demonstrate preparation and skill in working with students from diverse cultural, economic and ability backgrounds.
- Seek and utilize appropriate resources to enhance student learning and professional practice.
- Cultivate an environment of respect and rapport in the classroom and foster a culture of learning via responsive classroom practices.
- Communicate clear instructional outcomes, directions and explanations of concepts to students.
- Use questioning and discussion techniques to deepen student understanding.
- Engage students in high-level learning using various techniques in small group, whole group and individual settings.
- Keep a pulse of student understanding using formative assessment and react with flexibility and responsiveness.
- Seek opportunities for feedback and professional development.
- Display a high level of professionalism with students and colleagues.
- Attend meetings and in-service presentations for the purpose of acquiring and/or conveying information relative to job functions.
- Other duties as assigned.

## Education

- High School Diploma or GED.
- Must pass paraprofessional exam, if less than 60 college credit hours.

## Experience

Previous work with Elementary Age students is preferred.
