JOB EXPECTATIONS & REQUIREMENTS

Position Purpose / Description

The Speech-Language Pathologist works within the district with students who qualify for speech language services. The SLP is responsible for screening, evaluating, treating students with qualifying diagnoses. The school-based speech-language pathologist provides diagnostic, therapeutic, and consultative services to students with speech, language, voice, fluency, and social communication disorders. Speech language pathologists are responsible for coaching and consulting with teachers and other support personnel to increase academic success.

The SLP works with the entire school staff to provide assistance in the creation and implementation of Individualized Education Programs. Working collaboratively with educators, families, and multidisciplinary teams, the SLP supports students' access to curriculum and promotes their academic and social success.

Essential Functions

- **Develops, implements, and monitors** Individualized Education Program (IEP) goals related to speech and language.
- **Administers** screening protocols with at-risk students to initiate the evaluation process.
- **Attends, participates, and contributes** in multidisciplinary team meetings, IEP meetings, and case conferences for students who have been identified as at-risk or found eligible for special education services related to speech-language disorders.
- **Conduct** comprehensive speech and language initial evaluations and triennial re-evaluations to determine eligibility.
- **Scores and interprets** standardized assessments.
- **Creates and implements** lesson plans based on the needs of students.
- **Organizes, manages, and records** student data and progress on goals.
- **Transports** students to and from testing or therapy areas.
- **Communicates** with students and other professionals to meet the academic, behavioral, and emotional needs of students.
- **Obtains** case histories and completes observation checklists.
- **Manages** behavior using appropriately designed management techniques.
- **Arranges** the clinical-educational setting to maintain a safe and positive environment.
- **Provides** direct therapy services individually and in small groups across a range of settings.
- **Collaborates** with teachers, staff, and families to support communication needs in the classroom and school environment.

Additional Duties

- **Maintains** accurate records, documentation, and reports in compliance with state and federal regulations.
- **Provides** consultation, training, and resources to school staff and families.
- **Utilizes** best practices, evidence-based interventions, and licensure requirements.
- Other duties as assigned by the Assistant Director and/or Director of Student Services

Knowledge, Skills, and Abilities

- Knowledge of IDEA and special education processes in schools.
- Experience in a school setting.
- Strong communication, interpersonal, and organizational skills.
