POSITION OPENING: Senior Technical Support Specialist

IN THIS ROLE:

As a Senior Technical Support Specialist, you will thrive in a collaborative, mission-driven environment where your technical expertise directly impacts the educational experience. In this multifaceted role, you will be responsible for the full lifecycle of technology—from configuring and installing personal workstations, network equipment, and software to managing complex audiovisual systems in the classroom. We are looking for a dynamic, customer-focused professional who can seamlessly transition between providing high-level Tier 2 and 3 technical support and leading strategic projects that include researching new technologies, managing staffing resources, and developing comprehensive end-user training and documentation. If you are a motivated self-starter with a passion for problem-solving and a commitment to delivering outstanding service within the school system, this is the perfect opportunity to leverage your leadership and technical skills to empower our community.

WHAT WE NEED:

- Configures, images, and installs personal work stations and network equipment.
- Packages and installs required workstation software.
- Maintains an accurate inventory of district-owned software and hardware.
- Provides technical assistance and support to end users on the application of technologies and resolution of technical issues.
- Works with vendors to resolve technical problems as needed.
- Provides back-up support to the Help Desk function.
- Performs moves, additions, and changes to network user accounts.
- Maintains required documentation.
- Maintains statistics on help desk activities.
- Performs moves, adds, and changes of telephones.
- Researches and evaluates the usefulness of new hardware and software products.
- Coordinates and conducts individual training or workshops.
- Provides leadership for assigned projects and/or initiatives.
- Performs other duties as assigned.

WHAT YOU NEED:

- Associate's degree in Computer Science, Information Technology, or a related field and a minimum of 2-3 years of related experience; or other equivalent combination of education and experience from which comparable knowledge and abilities can be acquired.
- CompTIA A+ certification is preferred.

SALARY DETAILS:

\$60,859 - \$70,579 salary based on relevant prior work experience, with the potential to earn up to **\$76,003** after employment with Oakland Schools.

Exempt position / 12-month work year.

This is a field services position in which employees perform their job duties onsite in a local district each day.
