It is expressly understood that this save harmless provision will not apply to any legal action that may arise as a result of any willful misconduct by the Employer or as a result of the Employer's failure to properly perform its obligation under this article.

E. Term of Agreement

The term of this Agreement shall begin on July 1, 2026, and shall continue in full force and effect until June 30, 2030, or until such later date as the two parties may hereinafter agree is to be the extended ending date. C. Personnel Files

Each Bargaining Unit member shall have access to his or her personnel file during the regular working hours at a time mutually agreed upon. The Bargaining Unit member shall have the right to copy the non-confidential contents of the file. The Bargaining Unit member shall have the opportunity to initial all materials prior to placement in the personnel file. Bargaining Unit members have the right to respond to the materials contained in the file.

D. Grievances

It is in the interest of the general public, and in the interest of the school children that both the Employer and Bargaining Unit members served, that grievances be reconciled and disposed of as expeditiously as possible.

The parties agree that grievances, which arise out of the interpretation of this Agreement, shall be resolved in accordance with the grievance procedure described in Appendix B attached hereto and made part of this Agreement.

The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to problems that arise out of the interpretation of the terms of this contract. Both parties agree that these proceedings will be kept as informal as may be appropriate at any level of the procedure.

It is important that grievances be processed as rapidly as possible. The number of days indicated at each level should be considered a maximum, and every effort should be made to expedite the process. The time limits specified may be extended by mutual written request.

1. Definitions: "Grievance" means a complaint regarding the meaning, interpretation, or application of any provision in this Agreement, affecting the employees covered by this Agreement. "Grievant" means the person(s) making the complaint. "Party in interest" means the employee(s) making the complaint and their representatives. "Days" means workdays.
2. Grievances by Bargaining Unit members shall be presented in accordance with our (4) step process which is described in the following sections:
 - a. Step I - Bargaining Unit member(s) initiating the alleged grievance shall present the grievance in writing and on a form as specified in this Agreement to the building principal or other first level supervisor within twenty (20) school days after its occurrence. The building principal or other first level supervisor shall reply to the grievance within ten (10) school days after initial presentation of the grievance.

- b. Step II - If the action in Step I fails to resolve the grievance to the satisfaction of the affected parties, the grievance shall be referred to the Superintendent in writing on the designated form within ten (10) school days after the aggrieved person(s) received a decision from the first level supervisor. The Superintendent shall reply to the grievance within ten (10) school days after the date of the appeal to Step II.
 - c. Step III - If the action in Step II fails to resolve the grievance to the satisfaction of the affected parties, the grievance shall be referred to the Board of Education in writing on the designated form within ten (10) school days after the aggrieved person(s) received a decision from the Superintendent. The Board shall reply to the grievance within thirty, (30) calendar days after the date of the appeal to Step III.
 - d. Step IV - If the action in Step III fails to resolve the grievance to the satisfaction of the Association, the grievance may be referred to binding arbitration (as provided in Section 903 of Act 195 [1970]), in writing on the designated form within thirty (30) calendar days after the aggrieved person(s) received a decision from the Board of Education.
- 3. A representative of the OAEA and/or PSEA/NEA shall be present at any step of the grievance procedure.
 - 4. All documents, communications and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of any of the participants.
 - 5. In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as is practicable.
 - 6. The arbitrator shall neither add to, subtract from, nor modify the provisions of this Agreement. The arbitrator shall confine him/herself to the precise issues submitted for arbitration and shall have no authority to determine any of the issues not submitted to him/her.

E. Supplemental Contracts

1. Guiding Principles

The supplemental contract positions approved by the Employer are not part of the regular contractual duties of the Bargaining Unit member and shall be filled on a voluntary basis. These positions shall be paid as indicated on the current supplemental contract salary schedule.

Supplemental contracts are awarded for a single school year only. The annual decision to retain specific supplemental contracts shall be at the sole discretion of the Employer. Notice of personnel or position status changes shall be made within sixty days (60) of the completion of assignment or season. The decision not to retain an incumbent in a given supplemental position shall not be considered a demotion under the terms of this Agreement.

2. Administrative Regulations

- a. The Employer shall negotiate the amount of remuneration to be allowed for each supplemental contract. This is to be regarded as pay for extra duty and responsibility and not a part of the tenure contract.
- b. The points to be assigned to any new extra duty position established by the Employer during the duration of this Agreement shall be negotiated.
- c. All pay for extra duty shall be paid separately from a Bargaining Unit member's regular pay utilizing direct deposit. However, any Bargaining Unit member who opts out of direct deposit in accordance with Section 201.10.2 hereinabove may also opt out of direct deposit for purposes of extra duty pay.
- d. The Employer reserves the right to withhold any remuneration for supplemental contract activity upon the Superintendent's recommendation, which is based upon neglect of duty, unsatisfactory work, or failure to fulfill all obligations and responsibilities for the assignment. When such a recommendation is to be made by the Superintendent, s/he will provide the affected Bargaining Unit member with a written list of charges and with an opportunity for a conference to discuss the charges.
- e. Bargaining Unit members holding "School Employees' Supplemental Contract" will be paid as outlined on the supplemental contract, as indicated in Section 3.
- f. Any coach/sponsor who has not already received the "bonus" plan agreed to in the Collective Bargaining Agreement of 1993-1998, shall receive a one (1) point bonus at the end of every five (5) years of coaching, advising, etc., in the same activity or sport to a maximum of five (5) points (i.e., at the end of the fifth year a person shall receive a bonus of one (1) point in addition to their salary per this Agreement. At the end of the tenth year, two (2) points; at the end of the fifteenth year, three (3) points; at the end of the twentieth year, four (4) points; and at the end of the twenty-fifth (25) year, five (5) points of the point value per this Agreement). These bonuses will be paid for the years stated only.
- g. The monetary value for supplemental contract points will be \$620 during the term of this Agreement.

- h. The point value assigned each extra duty position shall be as indicated on the attached schedule under the column heading of "points."
- i. The Superintendent shall make decisions concerning deductions from supplemental salary for absence in each instance. No payment under supplemental contracts will be authorized during periods when Bargaining Unit members are on sabbatical or maternity leave. Deductions shall be made when a substitute is paid to perform the extra duty; when deductions are made, they shall be made on a per diem basis, based upon the supplemental contract salary. The per diem rate will be determined by dividing the contract salary by the total number of school days during which the activity would normally be in progress.
- j. Adjustments which may involve transfers within the framework of this schedule or consideration for previous experience shall be as determined by the Superintendent. In general, credit for experience in one sport or activity will not be applicable for salary purposes when transferring to another sport or activity. When an assistant coach/sponsor moves into a head coach/sponsor position in the same sport or activity, the years served, as assistant will count toward proper placement on the point scale.
- k. Credit for experience as coach/sponsor of a sport or activity applies only to those years for which the Employer approved a supplemental contract.
