

1:1 Support – Cross-Country

Position Dates: Immediate Start – October 30, 2026

Position Overview:

Seeking a dedicated 1:1 support to provide individualized support to a student throughout the cross-country season. The paraprofessional will attend daily practices and competitive meets, providing hands-on assistance and ensuring the student can safely and successfully participate.

Responsibilities:

- Attend daily cross-country practices and scheduled competitive meets.
- Run alongside the student during practices and races, with distances ranging from approximately 2–4 miles.
- Assist the student with navigating routes and race courses.
- Provide encouragement, guidance, and individualized support as needed.
- Travel with the team to away meets via school bus.
- Collaborate with coaching staff and school personnel to support the student's participation and success.

Qualifications:

- Ability and willingness to run/walk 2– 4 miles alongside a student.
- Comfortable working outdoors in varying weather conditions.
- Reliable, patient, and supportive.
- Ability to travel to away meets via school transportation.
- Prior experience working with students with disabilities is preferred.
