

1:1 Support – Football

Position Dates: Immediate Start – October 2, 2026

Position Overview

Seeking a dedicated 1:1 support to provide individualized communication support to a student-athlete during the football season. The individual will assist a student who relies on lip reading, ensuring clear communication with coaches, teammates, and officials during daily practices and games. The ideal candidate must have a working knowledge of football rules and play-calling to assist the student effectively on and off the field.

Responsibilities

- Attend all daily football practices and scheduled home/away games.
- Provide direct lip-reading and communication assistance on the sideline and during practice drills, huddles, and team meetings.
- Facilitate effective communication between the student, coaching staff, teammates, and game officials.
- Assist the student in understanding fast-paced play calls, sideline signals, and coaching feedback in real time.
- Travel with the team to away games via school bus.
- Collaborate with coaching staff and school special education personnel to ensure a safe, inclusive, and successful athletic experience for the student.

Qualifications

- Strong understanding of the game of football, including common terminology, positions, and play-calling concepts.
- Clear facial articulation and expressive communication skills to support lip reading in a fast-paced environment.
- Ability to work outdoors in high-noise environments and varying weather conditions.
- Reliable, patient, highly adaptable, and supportive.
- Ability to travel to away games via school transportation.
- Prior experience working with Deaf/Hard of Hearing students or individuals with disabilities is preferred.
