

Building Operations Lead

IN THIS ROLE:

The Building Operations Lead will provide assistance to the Executive Director of IT & Operations or Designee in guiding the Building Operations Assistants in the support and maintenance of all of the Wayne RESA Campuses (including the Education Center, Burger Baylor, the Annex, and any other Wayne RESA-owned facilities). The Building Operations Lead will provide leadership in the areas of custodial operations and operating Audio/Visual equipment. In addition, the Building Operations Lead will provide alternating on-call coverage for all the Wayne RESA Campuses.

This position includes all duties assigned to the Building Operations Assistants and provides routine building services, support, and maintenance to the Wayne RESA Campuses. This position requires frequent contact with Wayne RESA staff in regard to building services, maintenance, and to provide for the health and safety of employees, and direct contact with event attendees. The Building Operations Lead will also regularly work with contractors and outside common carrier employees as well as post office personnel in the shipping and receiving areas.

The position requires the ability to accurately follow written and verbal directions and to perform assigned duties in an efficient and safe manner. The work requires stamina and the physical abilities necessary to carry out the requirements of the job.

Activity often involves carrying out numerous varied assignments during the workday. The Building Operations Lead should have basic mechanical skills and have the ability to operate or learn to operate mailroom and computer technology, as well as the equipment necessary for grounds and building maintenance.

The regular schedule for this position is Monday – Friday, 2:00 p.m. – 10:00 p.m. with alternating on-call coverage.

QUALIFICATIONS

Education

- Associate degree or two (2) years of related experience required
- High School Diploma or equivalent required
