

Job Title: Middle School Boys Soccer Coach**Job Summary:**

The Middle School Boys Soccer Coach is responsible for coaching and developing student-athletes in the sport of soccer. The coach will lead practices, manage games, and create a positive and supportive environment that promotes teamwork, sportsmanship, and physical fitness.

Key Responsibilities:

- Plan and conduct soccer practices focused on skill development, teamwork, and fitness.
- Coach the team during games and tournaments, ensuring a positive and encouraging experience for all players.
- Teach players the fundamentals of soccer, including techniques, strategies, and rules of the game.
- Promote good sportsmanship, respect, and teamwork both on and off the field.
- Communicate with parents and school staff about team progress, schedules, and events.
- Ensure player safety and proper equipment usage during practices and games.
- Foster a fun and inclusive environment where players of all skill levels can improve.
- Encourage student-athletes to develop confidence, leadership, and a strong work ethic.
- Support the overall goals of the school's athletic program.

Qualifications:

- Knowledge of soccer rules, techniques, and strategies.
- Ability to communicate effectively and motivate student-athletes.
- Strong organizational skills and a positive, team-oriented attitude.
- Previous coaching or playing experience is preferred but not required.

Physical Requirements:

- Ability to demonstrate soccer drills and physical activities.
- Ability to lift and carry soccer equipment as needed.
