

Job Title: Middle School Field Hockey Coach**Job Summary:**

The Middle School Field Hockey Coach is responsible for coaching and developing student-athletes in field hockey. The coach will plan and lead practices, guide players during games, and create a supportive, fun, and educational environment. The coach will also promote teamwork, good sportsmanship, and physical fitness.

Key Responsibilities:

- Plan and conduct field hockey practices focused on skill development, teamwork, and fitness.
- Coach the team during games and tournaments, ensuring a positive experience for all players.
- Teach players the rules, strategies, and techniques of field hockey.
- Promote good sportsmanship and team spirit on and off the field.
- Communicate regularly with parents and school staff about team progress and events.
- Ensure player safety and proper equipment usage during practices and games.
- Foster a fun, inclusive environment for players of all skill levels.
- Encourage student-athletes to develop confidence, leadership, and a strong work ethic.
- Support the overall goals of the school's athletic program.

Qualifications:

- Knowledge of field hockey rules, techniques, and strategies.
- Ability to communicate effectively and motivate student-athletes.
- Strong organizational skills and a positive attitude.
- Previous coaching or playing experience is preferred but not required.

Physical Requirements:

- Ability to demonstrate and lead physical activities.
- Ability to lift and carry field hockey equipment as needed.
