Job Title: Certified High School Science Teacher (Maternity Coverage)

Location: Bow High School

Reports to: School Principal

Position Overview:

Bow High School is seeking a dynamic and passionate **Physical Science Teacher** to join our dedicated staff for maternity coverage (end of September through December). The ideal candidate will bring innovative instructional strategies to the classroom, demonstrate a commitment to building strong connections within the school community, and be student-centered.

Key Responsibilities:

- Plan and deliver engaging, standards-aligned science instruction to high school students.
- Collaborate regularly with colleagues
- Use data and assessment tools to inform instruction and support diverse learners.
- Implement and support **Multi-Tiered Systems of Support (MTSS)** to address the academic and behavioral needs of all students.
- Foster a positive, inclusive, and supportive classroom environment that encourages student voice, creativity, and critical thinking.
- Participate actively in school events, committees, and community-building efforts.
- Communicate regularly and effectively with students, families, and colleagues.

Qualifications:

- Valid New Hampshire teaching certification in Physical Science is required.
- Experience or familiarity with Multi-Tiered Systems of Support (MTSS) preferred.
- Demonstrated ability and willingness to collaborate in a team-teaching environment.
- Strong interpersonal skills and a desire to form meaningful connections within the school community.
- Commitment to student-centered learning and differentiated instruction.
