Position: SEL (Social and Emotional Learning) Implementation Specialist

General Description:

The Social and Emotional Implementation Specialist works with school teams to design, implement, coordinate and evaluate a portfolio of school wide social, emotional and behavioral practices. The Social and Emotional Learning Specialist will also work with teams to adopt restorative practices that promote positive youth development. This is a 200 day, four-year, grant-funded position.

Qualifications:

- Bachelor's Degree in Education, Special Education, or a directly related field.
- At least 3 years successful teaching or related experience.
- Experience or demonstrated interest in social and emotional learning, student mental health, and trauma-informed care and its importance in the classroom setting.
- Experience with restorative practices, culturally responsive approaches, and strategies that promote belonging, inclusion, and equity.
- Experience with school-wide integration of CASEL Competencies and restorative practices across the curriculum.

Knowledge, Skills, and Experience:

- Ability to communicate to staff and the greater community on topics related to social and emotional learning and restorative practices.
- Excellent written and oral communication skills.
- Ability to use implementation science and project management skills to support the adoption of school-wide SEL and restorative practices.
- Ability to be flexible in scheduling and prioritizing needs.

Responsibilities:

- Lead and manage SEL program and restorative practices implementation at the district and school level, ensuring fidelity of implementation through all stages of program adoption.
- Provide professional development to teachers on the integration of social and emotional learning and restorative practices.
- Participate on Tier I teams to support school-wide well-being and positive school climate through leveraging of social and emotional learning and restorative justice programs and practices.

Other Requirements:

- Other duties as assigned by the supervisor.
- Supervised by Assistant Superintendent for Curriculum, Instruction, and Assessment and the Director of Staff and Student Wellness
