TEACHER

BSO Elementary Teacher

ESSENTIAL DUTIES AND RESPONSIBILITIES:

1. Reports to and is supervised by the Principal.
2. Plans for and guides instructional programming and activities which contribute to a climate where students are actively engaged in meaningful learning experiences and successfully achieve their personalized educational programs.
3. Identifies, selects, and modifies instructional resources to meet the needs of the students with varying backgrounds, learning styles, and special needs.
4. Continuously monitors and assesses student learning and makes appropriate modifications to meet students' needs.
5. Maintains up-to-date, accurate, effective and efficient record keeping procedures.
6. Provides a positive environment in which students and families are encouraged to be actively involved in the learning process.
7. Maintains a high level of communication (both orally and in writing) with other staff, students, and parents to deliver program information and address individual student needs.
8. Engages parents and students in the learning process through frequent and meaningful communication (e.g., phone, e-mail) about student progress.
9. Models professional and ethical standards when dealing with students, parents, peers, and community.
10. Ensures that student growth and achievement is continuous and appropriate for age group, subject area, and/or program classification.
11. Establishes and maintains collaborative working relationships with students, parents, and peers to enhance the instructional environment.
12. Meets professional obligations through efficient work habits, such as: documenting student progress, meeting deadlines, honoring schedules, coordinating resources and meetings in an effective and timely manner, and demonstrating respect for others.
13. Maintains and teaches a specified number of students as part of an interdisciplinary team.
14. Willingness to change Elementary grade level from year to year, as assigned and needed.
15. Other duties and responsibilities as assigned.

To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. The requirements listed below are representative of the knowledge, skill, and/or ability required. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.
