

SOMERS PUBLIC SCHOOLS

Job Description *Anticipated* SHS Culinary Arts Teacher

TITLE: Culinary Arts Teacher

REPORTS TO: SHS Administration

OVERVIEW: The teacher serves as a guide and model to the student learning process. The teacher should challenge each student to his/her highest potential. The teacher will enforce school rules, administrative regulations, and Board policy, which govern student conduct. The teacher will provide parents or guardians with a review of the student's progress. The teacher will implement that portion of the instructional program for which he/she has been specifically assigned.

REQUIRED QUALIFICATIONS AND COMPETENCIES:

Education:

- Minimum of a Bachelor's degree required

Certifications:

- Valid Connecticut Teaching Certification in **Home Economics (045) or Occupational Subjects in Comprehensive High Schools – Culinary Arts (098) required**
- ServSafe Certification

DUTIES & RESPONSIBILITIES:

- Provide the appropriate educational opportunities, instruction, and assessment for each student, according to his/her needs and abilities
- Prepare, in advance, appropriate lesson plans; demonstrate knowledge and application of subject matter
- Keep accurate records, tests, reports, etc., as required by Connecticut Statutes, Regulations, and Board Policy
- Establish and maintain open communication with parents; establish and maintain good rapport with students, school personnel, and parents
- Work with fellow teachers, team leaders/head teachers, directors, administration, etc., in planning for instruction
- Participate in staff development and in-service training
- Establish and maintain a learning environment that is conducive to teaching and learning; plan and implement use of classroom time effectively

Vision: The Somers Public Schools strives to be an exceptional and innovative educational community.

Mission: Prepare each student to contribute and succeed in an ever-changing global society.

- Implement School Board and school-based mission, goals, policies, and procedures to uphold school regulations and meet student needs
- Work collaboratively with guidance personnel and other special educators to assist students with special needs; ensure IEP and 504 accommodations/modifications are implemented
- Communicate curriculum and student-related information effectively in oral and written modes to students and parents
- Other duties and responsibilities as assigned by the Superintendent of Schools

The above description is illustrative of tasks and responsibilities. It is not meant to be all-inclusive of every task and responsibility.

WAGES & BENEFITS: In accordance with current SEA collective bargaining agreement

HOURS: In accordance with current SEA collective bargaining agreement
