JobId: 2852

### Science Teacher South Windsor High School

**Description:** South Windsor Public Schools is seeking a Physical Science/Astronomy teacher at South Windsor High School for the 2026-2027 school year.

South Windsor is a diverse community of approximately 27,000 citizens and more than 5,100 public school students. The district values this diversity, and has worked to create a districtwide culture of equity and social consciousness. SWPS is comprised of four elementary schools, one middle school (6-8), and one high school (9-12), all of which cultivate and support culturally responsive classrooms and learning communities. The ongoing work of our teachers and staff includes the creation of enriching experiences that expand the depth of knowledge for students beyond today's classroom in order to produce graduates with the 21<sup>st</sup> century skills needed to make them college or career ready.

If you are someone who believes in the power of a high-quality education, who champions equity and inclusion, and who is ready to be part of an exceptional team working to prepare students to achieve their own personal excellence in a complex global society, then we hope you'll consider joining South Windsor Public Schools. We invite applicants to join a team of exemplary teachers, administrators, and support staff working to shape an exciting time in the South Windsor community.

**Qualifications:** Candidates must possess a Connecticut certification in one of the following areas:

- (030) Biology, 4-12
- (031) Chemistry, 4-12
- (032) Physics, 4-12
- (033) Earth Science, 4-12
- (034) General Science, 4-12

**Apply online** at [www.southwindsorschools.org](http://www.southwindsorschools.org) under the District Information link. Please make sure you have provided all materials (cover letter, resume, three letters of recommendation, certification and transcripts) that are required for the application process. Written references must match those listed on the application.

**Open until filled.**
