Licensed Practical Nurse South Windsor High School

Description: South Windsor Public Schools is seeking a full time 1:1 Licensed Practical Nurse. This position would support and monitor a student in the school setting, across academic areas as well as daily activities. It is classified as nine and one-half months (9.5), hours from 37.5 up to 40 hours per week. Toileting and lifting along with additional hours for van runs will be required.

South Windsor is a diverse community of approximately 27,000 citizens and more than 5,100 public school students. The district values this diversity, and has worked to create a districtwide culture of equity and social consciousness. SWPS is comprised of four elementary schools, one middle school (6-8), and one high school (9-12), all of which cultivate and support culturally responsive classrooms and learning communities. The ongoing work of our teachers and staff includes the creation of enriching experiences that expand the depth of knowledge for students beyond today's classroom in order to produce graduates with the 21st century skills needed to make them college or career ready.

If you are someone who believes in the power of a high-quality education, who champions equity and inclusion, and who is ready to be part of an exceptional team working to prepare students to achieve their own personal excellence in a complex global society, then we hope you'll consider joining South Windsor Public Schools.
