Stafford Public Schools serves approximately 1300 students in Stafford Springs. Our schools offer a supportive and innovative educational environment for students from pre-kindergarten through high school. Located in the historic town of Stafford Springs, our district embraces change while valuing the past.

The mission of the Stafford Public Schools is to prepare our students to assume productive, meaningful, and responsible roles in an increasingly competitive global society. We take pride in cultivating a space that encourages learning, and we are dedicated to assisting each student achieve academic success and personal development. Our work is guided by our Portrait of the Graduate framework and our multi-year Strategic Plans. We encourage families to become partners in educating, equipping and inspiring the upcoming generation of active citizens and leaders.

Mr. Scott Sugarman
