Summer School Teacher

Summer School Teacher Pay (Drivers Education included)

The summer school teacher pay is calculated by using the base salary for the school year just completed (2026-2027 base pay is $54,310)

- 35.73 to 42.73 (+$7 for the ceiling wage for current employees using the Professional Educator's current per diem amount)
- 35.73 came from $54,310/190 (days) and then divided by 8 (hours in a day)
- Overload **9-12 level Credit Recovery/Initial Credit Classes only**
    - If a staff member teaches an initial credit course and a credit recovery or 2 credit recovery classes a .5 overload of the average base level pay (2025-2026 rate= $37.04/hour*.5=$18.52/hour added to the regular summer school rate of employees) will be provided in addition to the regular summer school hourly rate.

Summer School Support Staff (Assistants and Administrative Associates)

Summer School Support Staff Pay Each year wages are adjusted annually per school board approval of the completed school year. *If an employee's pay is more than the base hourly pay below, the employee is paid their regular school year rate.

- $21.85 base hourly pay for Summer School Support Staff which is all Assistants (Special Education Assistant base rate)
- $22.83 base hourly Summer School Administrative Associates (Admin Associate II base rate)

Summer School Substitute Rates
