ARTICLE V: EMPLOYEE RIGHTS

Section 1. The employee shall have the right to reproduce any of the contents of the files at the employee's expense (material costs, not personnel costs) and to submit for inclusion in the file written information in response to any material contained therein. Each employee shall be promptly furnished with a copy of all evaluative and disciplinary entries placed into his or her permanent personnel file.

Unless mutually agreed, a transfer shall not decrease the earnings for the same time worked of any employee covered by this Agreement unless it is with just cause.

Subd. 2. Advancing Classification Qualified employees may be transferred from one classification to another classification with the approval of the School District. Employees being transferred shall be placed on the step of the salary schedule for the appropriate classification as agreed between the School District and employee advancing to a new classification. Employees who have transferred to an advanced classification hold that position only and are not able to move between classifications. If the advanced classification ceases to exist, the employees may exercise their right of seniority to transfer into another classification but at that point would forfeit any claim to the position in the advanced classification.

Subd. 3. Probationary Period for Advancing Classification A qualified employee who transfers to a new classification shall have a sixty (60) workday probationary period. At any time before 60 working days have elapsed, the employee or the School District may elect to reverse the transfer. An employee who has had a transfer reversed shall be placed in an equivalent position and equivalent rate of pay as when he/she left before the transfer. The School District shall reserve the right to transfer other employees in the unit to create a position for the returning employee.

Subd. 4. Voluntary Transfer Requests Any employee who wishes to transfer from one site to another, or who wishes to be given a classification that provides for a change in

hours, must submit a request for transfer to the Superintendent's office no later than May 31 each year. Copies of all such requests shall be provided to Principals and any other Administrator affected. Such requests may be taken into consideration when making classifications for the next school year, but under no circumstance shall the School District be required to grant any such request. Requests submitted by May 31 shall be considered only for classifications made for the following school year.

Subd. 5. Voluntary Reduction An employee may elect to take a voluntary reduction of hours if approved by the School District. Employees electing to take a voluntary reduction of hours will retain the right to claim their original hours worked, through seniority, until the end of the school year in which the voluntary reduction began.

Section 10. Probationary Period for Newly Hired Employees

Subd. 1. Employees will be required to complete a probationary period of three consecutive years of successful service in the district as determined through annual job performance reviews using the District adopted plan for annual written evaluations.

Subd. 3 Improvement Plan If an employee does not satisfactorily meet District Standards as defined by the Board adopted annual evaluation process, they will be placed on a plan which will outline areas in need of improvement. If, through the improvement plan, the employee has satisfactorily met the standards of the district, employment shall continue and that year shall count toward completion of the employee's probationary period. If, through the improvement plan, the employee does not satisfactorily meet the standards of the district, an extension of the probationary period may be considered and/or employment may be terminated.

Subd. 4. Accrual of Benefits. All leave benefits listed herein shall accrue to the employee during the probationary period.

Section 11. Seniority Recognition: The parties recognize the principle of seniority in the event of a reduction in the workforce and for determination of benefits within the School District.

Subd. 1. Placement on Seniority List: All employees who have completed the probationary period as defined in Article V (Employee Rights), Section 11 will be placed on the seniority list based on their initial date of hire in the district, or the most recent date of hire in the district if the employee had a break of service after successfully completing the probationary period. An employee must have completed a minimum of 600 hours of service in the same position in any given school year for it to be considered a year of service under this article.

Subd. 2. Rights. All employees who have established seniority shall have rights to a position within their classification during the entirety of the school year except for instances where the district has just cause to terminate the employee. An employee who has gained seniority rights shall be entitled to the same total number of hours within their classification each year unless that number of hours is modified due to reduced staffing needs. An individual employee, with greater seniority, may choose to accept fewer hours in the district or ask to be transferred to a different position within their classification, where they would have the opportunity to keep their same number of hours. If the district has reduced staffing needs, cuts will be made beginning with the least senior ESPs within a classification. In the event two or more employees have the same seniority date the following, in order, will be considered tie-breaker criteria:

1. Whether an employee has obtained documents for "highly qualified" status.
2. Discretion of the School District.

Subd. 3. Classification Seniority. Classification seniority shall accrue only while actively working in a specific classification. Any employee transferred or re-employed in another classification retains, but does not accumulate his/her seniority in his/her original classification and, in addition, commences seniority in his/her new classification. An employee who is working in two classifications shall advance seniority in the classification which comprises the majority of that employee's work day. If more than one employee begins work in the same classification on the same day, seniority for such employee shall be determined as previously stated in this section.

Subd. 4. Seniority Upon Resignation: An employee shall lose seniority upon written resignation, termination, or failure to report to work after recall within ten working days.

Subd. 5. Rights to Hours When building schedules allow, options for additional hours will be offered to the most senior employee.

Subd. 6 Evaluation Process After an employee gains seniority status a performance review will take place every other year unless there is a significant change in their work assignment or as administration deems necessary.

Section 12. Recall:

Subd. 1. Employees will be recalled in seniority order within classification and position. An employee recalled to his/her former position shall receive the current rate of pay for such position.

Subd. 2 Notice of recall shall be made by certified mail to the last known address of the employee being recalled. The employee shall forfeit rights to recall if the employee fails to return to an offered position within ten (10) working days after notice of recall, and in such event the employee's name shall be removed from the seniority and recall list. It is

the responsibility of the employee on layoff to keep the School District advised of his/her current mailing address.

Subd. 3. An employee on layoff or reduction shall retain his/her seniority and right to recall for a period of two years after the date of layoff or reduction.

Addendum - Sick Leave Bank

A. Medical Emergency. The District and Association have established a sick leave bank (SLB) for qualifying employees and immediate family who experience a “medical emergency.” A “medical emergency” is defined as a medical condition of the employee that will require a prolonged absence from duty (meaning more than 5 consecutive duty days) and will result in a substantial loss of income because the teacher or employee has exhausted all forms of paid leave.

B. Donations. Donations into the Sick Leave Bank will be open to all qualifying employees. Employees who choose to become a member of the SLB must donate one (1) day or eight (8) hours of their accumulated sick leave to the Sick Leave Bank. Employees will need to complete a donation form indicating participation by the 15th day of September the school year. An employee that previously declined membership, or is newly hired, can elect to participate at the beginning of the next school year. A completed SBL form must be completed and submitted to the District Office by the fifteenth (15th) day of September. Any employee who does not complete the proper form by the deadline stated within this section will not be a member of the Sick Leave Bank for that year.

C. Renewing SLB Balance. If the Sick Leave Bank reaches a balance below 120 days or 960 hours, each member will be notified and an additional donation of 1 (one) day or eight (8) hours to the SLB. If the employee does not donate the additional day or hours within the timeframe established by the school district, will not be a renewed member of the sick leave bank. At the renewal time, each member will need to complete a new SBL form. The SLB may not go into a negative balance.

D. Application Process. Employees who want to request a withdrawal of leave from the SLB must submit a written application to the District along with a medical certification from the teacher's or employee's treating physician. The District will approve the application if all criteria in this Section are met.

The application will be reviewed by the SLB committee. Members of the committees shall consist of: 2 teachers, 1 person from the administration contracts, 1 from the managers group, 1 from the food services and custodial group, 1 from the para group, 1 from Secretary group and 1 from the school board. The committee will make the final decision on granting the use of SLB approval. The committee's decisions are final and they cannot be grieved.

The SLB committee may approve fewer days than the employee requests, but the employee may reapply if approved days are exhausted. The number of approved days will be deducted from the SLB upon use by the employee.

E. Limit and Eligibility for Other Benefits. Employees may use up to 60 days or 480 hours from the SLB for full time employees. An employee may reapply if more days are needed. If a part time employees is granted SLB approval, the maximum amount of leave to be use is the employee's FTE *60 days or 480 hours during their career with the School District. Employees will immediately become ineligible to draw from the SLB if they become eligible to receive long term disability benefits, workers' compensation, other pay, or other benefits from the District or the State in place of any part of their salary.
