

Job Description

Position Title: Family and Consumer Science (FACS) and Health Educator

Location: Cheney Middle School

Department: Curriculum & Instruction

Reports To: Building Principal

Term: Renewing 188-day contract beginning with 2026-27 school year. Following school calendar.

Schedule: Mon-Fri Full-time

Salary: Positions follows the [2025-2027 Teacher Salary Schedule](#)

Date of last review: March 2026

SUMMARY: The FACS and Health Educator creates an engaging, nurturing, and safe learning environment that allows learners to develop their physical, social, and emotional wellbeing; providing instruction, future-ready skills, knowledge, and dispositions to be compassionate, lifelong-learners, and contributing citizens in a rapidly changing world.

The FACS and Health Educator provides learners with academic skills and practical hands-on experiences. This role will also be teaching three periods of health class. The FACS and Health Educator will work together with current FACS and Health Educators at Liberty Middle School to implement shared standards, learning progressions, and learning experiences.

To Apply: Please complete the application and provide a letter of interest, a resume, and three letters of recommendation. Please also include your transcripts and a copy of your licensure through ESPB, if available.

QUALIFICATION REQUIREMENTS: *To perform this job successfully, an individual must be able to perform each essential duty and requirement satisfactorily. The requirements listed below are representative of the knowledge, skills, and/or abilities required for the role. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.*

ESSENTIAL DUTIES AND RESPONSIBILITIES: *(Other duties may be assigned)*

Collaboration:

- Develops positive, effective working relationships with learners and staff.
- Engages with other district staff in the professional learning community process.

Communication:

- Connects and shares ideas through appropriate/applicable formats to express thoughts and ideas with integrity.
- Utilizes effective communication skills to facilitate connection and sharing of thoughts and ideas in multiple formats with diverse audiences.
- Establishes and clearly articulates procedures and routines that promote efficiency and appropriate use of time.
- Clearly communicates the instructional purpose of each lesson and makes connections to prior learning.

- Engages learners in meaningful direct instruction, guided practice, and independent practice.
- Utilizes questions, discussions, and dialogue that promote critical thinking about diverse perspectives, viewpoints, and experiences.

Compassion:

- Empowers learners to be critical thinkers, enthusiastic learners, skillful researchers, and ethical users of information.
- Understands the complexities of cultural and global issues and how they relate to employee and learners' experiences.
- Partners with others to resolve potential controversy and conflict through respectful discussion.
- Proactively seeks to understand the ideas, opinions, and skills of others.

Creativity:

- Connects with team members and shares ideas in an effort to improve the overall learner and employee experience.
- Utilizes creative, critical thinking skills when faced with challenges.
- Designs assessments that are aligned to the standards and learning targets and provides frequent opportunities for authentic and meaningful assessments.
- Establishes a culture that values high expectations, work ethic, and a growth mindset.

Critical Thinking:

- Reasons, interprets, and analyzes information to generate new knowledge and understanding.
- Demonstrates knowledge of content and pedagogy; explicitly connecting key concepts to develop learner skills.

Reflection:

- Demonstrates understanding of the diverse social, emotional and developmental learning needs of learners.
- Maintains communication with supervisor and director regarding general feedback, career advancement opportunities, and areas of growth opportunities.

Resilience:

- Maintains composure while dealing with stressful situations.
- Proactively seeks out resolutions and takes initiative to resolve knowledge gaps.

Responsibility:

- Utilizes district guaranteed and viable curriculum including the scope & sequence of academic and social emotional learning targets along with the defined proficiency scales.
- Plans a program of study that meets the individual needs, interests, and abilities of the learners.
- Utilizes district behavioral plans as a backbone to promote positive learner behavior.
- Fosters a safe and equitable learning environment.
- Utilizes the district protocol for maintaining information on learner progress.
- Utilizes knowledge of applicable federal and state laws regarding education and learners.
- Creates an environment that is conducive to learning and appropriate to the maturity and interests of the learners.

WEST FARGO PUBLIC SCHOOLS

Educating all learners for tomorrow's world.

- Guides the learning process toward the achievement of curriculum goals and, in harmony with the goals, establishes clear objectives for all lessons, units, projects and the like to communicate these objectives to learners.
