ARTICLE IX LEAVE PROVISIONS

Section 1. Sick Leave Provisions:

Subd. 1. Unused sick leave days may accumulate to an unlimited amount.

Subd. 2. Sick leave with pay shall be allowed by the School Board whenever an employee's absence is found to have been due to illness which prevented the employee from attending and performing duties on that day or days. If an employee suffers a student-related injury on the job and must leave work to see a physician or other health care provider, the time that the employee misses for the remainder of that day and up to three (3) days following, if the health care provider deems the absence necessary, shall not be deducted from pay nor accrued sick leave.

Subd. 3. The School Board may require an employee to furnish a medical certificate from the school health officer or from a qualified physician as evidence of illness, indicating such absence was due to illness, in order to qualify for sick leave pay.

Subd. 4. In the event that a medical certificate will be required, the employee will be so advised. All medical certificates required shall be at District expense.

Subd. 5. Sick leave allowed shall be deducted from the accrued sick leave days earned by the employee.

Subd. 6. Sick leave pay shall be approved or denied only upon submission into the District's automated leave system.

Subd. 7. Employees are required to give adequate notice to their supervisor when sick leave is to be taken to allow time to obtain replacements.

Subd. 8. Employees contracted for one-hundred fifty-five (155) or more working days in a school year will be compensated for perfect or near perfect annual attendance according to the following plan:

- a. Zero (0) hours absent earns two (2) additional days off. Days off shall be arranged by mutual consent between the building principal/administrator and the employee.
- b. One (1) hour to six, seven, or eight (6,7, or 8) hours absent, depending on daily hours worked, earns one (1) additional day off. The day off shall be arranged by mutual consent between the building principal/administrator and the employee.
- c. Over eight (8) hours absent or daily hours worked, for any reason other than paid vacation or hours missed due to a school closing because of inclement weather, earns no additional days off.
- d. All days off earned in one school year must be taken in the following school year.

Section 2. Emergency & Essential Leave:

Subd. 1. All employees may be granted leave at the discretion of the Superintendent or the Superintendent's designee, the days used to be deducted from sick leave, for situations that arise requiring the employee's attention which cannot be attended to when school is not in session and which are not covered under other provisions.

Subd. 2. Deaths, funerals, court appearances, and estate settlements are examples of situations where this leave may be granted by the Director of Human Resources, the Superintendent's designee.

Subd. 3. An absence resulting from serious illness or death of a member of the family (spouse, child, sibling, parent, guardian, parent-in-law, step-children, step-parent, step-sibling, grandparents and grandchildren, or related member of the household) may be extended to five (5) days with no salary deduction for each incidence. Additional leave may be granted under these provisions for special circumstances at the discretion of the Superintendent or the Superintendent's designee. These days of leave will be deducted from cumulative days credited to the employee's individual leave account.

Subd. 4. Requests for leave under this provision must be made in writing to the Director of Human Resources at least three (3) days in advance. In the event of emergencies, requests must be made as soon as possible and practical. The request will state the reasons for the proposed leave. The Director of Human Resources reserves the right to refuse to grant leave if under the circumstances involved the Superintendent determined such leave shall not be granted.

Subd. 5. Bereavement or Hospice Leave: Up to five (5) days per school year will be allowed for use as bereavement or hospice leave for family (family includes spouse,

sibling, parent guardian, children, parent-in-law, step-children, step-parent, step-siblings, grandparents and grandchildren). Bereavement or hospice leave days are paid days and will not be deducted from the leave account. These days are not cumulative. The paraeducator will notify their supervisor/principal directly and use the district's automated absence system.

Subd. 6. Up to one day per school year will be allowed and deducted from sick leave for use as funeral leave for extended family members not listed and close personal friends.

Section 3. Personal Leave: Each employee shall be credited with three (3) days per year for personal reasons with prior approval from the Director of Human Resources. Such a day will be deducted from the employee's accrued sick leave. This leave may accumulate from year to year up to a maximum of five (5) days and does not count against the perfect attendance incentive.

Section 4. Jury Duty: All employees shall be permitted leave if called for jury duty and shall continue to be paid by the District. The salary received from jury duty must be turned over to the District. Mileage, if any, may be kept by the employee.

Section 5. Medical Leave:

Subd. 1. An employee who is unable to perform the employee's duties because of personal illness or disability and who has exhausted all accumulative sick leave may receive a leave of absence without pay for the duration of such illness or disability up to one (1) year. The leave may be renewed for one (1) year at the discretion of the School Board upon written request by the employee.

Subd. 2. By State Law, the employee while on medical leave of absence shall be permitted to continue with the District insurance programs by paying the full premium.

Subd. 3. At the expiration of the medical leave, if the illness or disability still exists and the leave is not extended, the employee's employment is terminated. However, group insurance benefits may be continued under Subd. 2. above.

Section 6. Child Care Leave:

Subd. 1. A child care leave may be granted by the District subject to the provisions of this section. Child care leave may be granted because of the need to prepare and provide parental care for a child or children of the employee for an extended period of time.

Subd. 2. An employee making application for child care leave shall inform the Director of Human Resources in writing of intention to take the leave at least three (3) calendar months before commencement of the intended leave.

Subd. 3. An employee who chooses not to request an unpaid child care leave may utilize available sick leave for periods of illness or disability relating to pregnancy; after which, the employee may request a child care leave, and the leave shall not be denied based upon the employee's use of sick leave days for periods of illness or disability relating to pregnancy.

Subd. 4. The District may adjust the proposed beginning or ending date of a child care leave so that the dates of the leave are coincident with some natural break in the school

year - i.e., winter vacation, spring vacation, semester break or quarter break, end of a grading period, end of the school year, or the like.

Subd. 5. In making a determination concerning the commencement and duration of a child care leave, the School Board shall not, in any event, be required to:

- a. Grant any leave more than twelve (12) months in duration.
- b. Permit the employee to return to the employee's employment prior to the date designated in the request for child care leave.

Subd. 6. An employee returning from child care leave shall be reemployed in a position for which the employee is qualified. This does not permit a returning employee to bump a senior employee.

Subd. 7. Failure of the employee to return pursuant to the date determined under this Section shall constitute grounds for termination unless the School Board and the employee mutually agree in writing to an extension of the leave.

Subd. 8. The parties agree that the applicable periods of probation are intended to be periods of actual service enabling the District to have opportunity to evaluate an employee's performance. The parties agree, therefore, that periods of time for which the employee is on child care leave shall not be counted in determining the completion of the probationary period.

Subd. 9. An employee who returns from child care leave within the provisions of this Section shall retain all previous experience credit for pay purposes and any unused leave time accumulated under the provisions of this Agreement at the commencement of the beginning of the leave. The employee shall not accrue additional experience credit for pay purposes or leave time during the period of absence for child care leave.

Subd. 10. An employee on child care leave is eligible to participate in group insurance programs if permitted under the insurance policy provisions, but shall pay the entire premium for such programs as they wish to retain, commencing with the beginning of the child care leave. The right to continue participation in such group insurance programs, however, will terminate if the employee does not return to the District pursuant to this Section.

Subd. 11. Leave under this Section shall be without pay or fringe benefits paid by the District.

Subd. 12. The employee must notify the Department of Human Resources no later than April 1, prior to the expiration of the leave to notify the District of the employee's plans for the next fiscal year.

Section 7. Discretionary Leave: After one (1) year of District employment, an employee may be granted, upon obtaining prior approval from the building administrator and Director of Human Resources, up to five (5) days per year of unpaid leave. Leave requests may be denied based upon the operational needs of the District. Such leave shall not be deducted from the employee's accumulated sick leave. An employee requesting a discretionary leave, must submit the request to the Department of Human Resources at least fifteen (15) working days in advance.

If the employee gives appropriate notice, the District will respond within five (5) working days of the date the request was received in the Department of Human Resources. The District may grant the request by taking no action on it during the allotted time frame. Requests submitted with less than fifteen (15) days' notice may still be considered.

Section 8. Long Term Leave: An employee who has completed at least one (1) year of service with the District may be granted leave without pay subject to the request being submitted in writing in advance of such leave and subject to the approval of the Director of Human Resources. The requested dates of the leave of absence must be specified in the application. If the requested leave is not in excess of twelve (12) months, and if the leave is approved, the employee shall return to her/his own position at the conclusion of the leave. If the leave is in excess of twelve (12) months, the employee will be placed into a vacant position of like classification and hours as the employee held before the leave. If no such vacant position is available, the employee may utilize the displacement procedure located in Article XII, Sec. 13.

Section 9. Leave for Employees working over 1000 Hours in the Past Year: Employees who have worked over one thousand hours (1,000) hours over the previous twelve (12) months may take up to twelve (12) weeks of leave in order to care for a family member (child, spouse, parent or themselves) that is experiencing a serious health condition. The Employee may use any paid time available to them; the District will maintain its contributions toward single or family health insurance for up to 12 weeks and the Employee will return to their position at the conclusion of their leave.

Subd. 3. Approval must be obtained from the Director of Human Resources before overtime hours are worked. An attempt should be made to provide hourly help or to work out some other solution so that overtime will not be necessary. Subd. 4.

Compensatory time off for overtime at time-and-one-half may be given if the time off and the overtime occur in the same fiscal year and are approved in advance by the supervising administrator.

However, a probationary employee shall have the right to bring a grievance on any other provisions of the contract alleged to have been violated.

Section 3. Seniority Date Tie: In the event two or more employees share the same seniority date, ties shall be broken with the highest last four digits of an employee's social security number as the most senior, then the next highest number, and so on until such time as all employees have been placed on the seniority list.

Section 4. Union Representation: Whenever the District calls a meeting with an employee that could lead to discipline, the District shall notify the employee in writing of their right to have union representation at the meeting.

Section 5. Employee Expectations: The parties recognize that the employer has the right to provide administrative direction to an employee regarding acceptable behavior. If difficulties arise that require corrective action, the employer shall be allowed to discipline for just cause. Due process shall be provided for all employees who have completed the probationary period. The due process requirement encompasses the concept that the employee must receive reasonable notice of expectations and appropriate opportunity to correct behavior before discipline occurs. The employer recognizes the concept of progressive discipline for non-probationary employees consisting of the following levels:

1. Verbal reprimand and/or written corrective expectations
2. Written notice of deficiency with corrective expectations
3. Suspension without pay
4. Discharge

Normally, the employer will implement the levels of progressive discipline in order, except when the case involves a more serious infraction.

Employees who have completed the probationary period who are subject to disciplinary action shall have the right to the grievance procedure.

Section 6. Removal of Discipline: Disciplinary actions, including oral and written warnings, of a similar nature, that have resulted in no further disciplinary action against an employee seven (7) or more years after the last disciplinary action, shall be removed from an employee's personnel file and placed in the employer's grievance file, at the request of the employee.

Section 7. Resignation: A resignation should be turned in at least two (2) weeks in advance of the employee leaving. Employees should write a letter of resignation to the Director of Human Resources (copy to the supervisor). The Director of Human Resources then presents the resignation to the School Board at their next regular meeting for acceptance.

Section 8. Job Postings: A written notice, including the job description, shall be e-mailed to all Paraeducator employees all position openings. Generic postings of possible future openings may be utilized by the District to create an applicant pool, however, specific position openings of three (3) hours or more will be posted "inside" via e-mail for a period of at least five (5) working days. Employees who have completed their probationary period will be given an opportunity to be considered for such positions; and no position shall be filled for at least five (5) working days after posting. Contracted Paraeducator employees who make application will be given due consideration based on ability, experience, job performance, and seniority prior to the District filling the position with a candidate outside of the bargaining unit.

Section 9. Summer Pupil Support Hours: In the event that summer pupil support hours are available, employees of the bargaining unit will be given first consideration and be reimbursed at an hourly wage based on the current school year salary schedule in accordance with the classified band-grade. When available, employees will be notified of additional summer pupil support needs prior to the end of the school year. Each spring, interested employees should notify the Department of Human Resources of their desire for summer employment.

Section 10. Job Assignment: Job assignment is the responsibility of the immediate supervisor.

Section 11. Absenteeism: An employee who must be absent because of illness or other legitimate reasons must notify the supervisor as early as possible.

Section 12. Absences: Absences or unapproved absences not covered under the provisions of Article IX will result in a salary deduction at the employee's regular daily compensation rate.

Section 13. Substitutes: Employees of the bargaining unit are not responsible for arranging their own substitutes when situations occur that require absence from their work assignment.

Section 14. School Closing:

Subd. 1. The closing of school is the responsibility of the Superintendent. Announcements of school closings will be broadcast over local TV and radio stations.

Subd. 2. In the event a student attendance day is cancelled due to severe weather, and not rescheduled, employees shall not be required to report for duty and will not suffer a loss in wage nor will a deduction be made from the employee's disability account nor have any effect on any perfect attendance incentive program. In the event of a late start or early dismissal, employees shall receive full pay for that day.

If these days are rescheduled by the Board, employees will make up these days at that time.

Section 15. Time Sheets: Time sheets will be turned in to the employee's immediate supervisor according to the schedule sent to all administrators and supervisors by the payroll department.

Section 16. Staff Reduction:

Subd. 1. Reassignment Rights: In the event that the position of an employee working thirty (30) hours or more per week for at least one-hundred fifty-five (155) contracted days in the school year is eliminated or reduced in hours below thirty (30) hours per week, the employee has the right to be reassigned to a position, of thirty (30) or more hours per week, held by a least senior employee with the same Level ranking, if and only if, the employee has the same job description and the employee's skills would match that of the displaced employee.

Similar rights would apply to an employee working less than thirty (30) hours per week but at least one-hundred fifty-five (155) contracted school year days, if a reduction of more than two hours per day were to occur, except that displacement could only be made to a position of less than thirty (30) hours per week.

An employee who has not had hours reduced or a position eliminated, but has been displaced by a more senior employee, has the same rights as the employee affected directly by staff reduction. (When feasible, an attempt shall be made to combine positions to allow for benefit qualification.)

Prior to the end of the school year and before any reassignment changes take effect, the District and the Union will meet to work together on the process that implements the intent of this language.

Subd. 2. Lay-offs During the School Year: Whenever possible, the District will attempt to avoid a mid-year, mid-contract lay-off or reduction in contract hours. Any employee affected by a mid-year, mid-contract lay-off or reduction shall have entitlement to reassignment rights as provided in Subd. 1. above.

Subd. 3. Recall Rights: Employees who are "laid off" shall be put on a recall list for two calendar years after which time the Seniority List will be adjusted to exclude the name of the employee. An employee who is recalled by the District shall have two (2) working days to respond with his or her decision after receiving verbal communication from the District. Employees who are on layoff shall provide contact information to the District which may include a mobile phone and home phone number.

Section 17. Tax Sheltered Annuities: An employee is eligible to participate in a District matching annuity program as provided in M.S. 356.24 according to the provisions contained in this Section.

Subd. 1. A Paraeducator is eligible to participate in the matching tax-deferred plan after three (3) years of service in the District.

Subd. 2. The maximum annual District contribution shall be based on the number of years of service to the District. District contributions will be prorated for less than full time Paraeducators.

Subd. 3. The maximum annual District contribution for all Paraeducators shall be based on the following schedule:

| c. | ten (10) years or more | \$2,300 |

Subd. 4. The District shall contribute an amount equal to the Paraeducators requested annual contribution up to the maximum amount listed in this Section.

Subd. 5. All amounts that the District contributes to an employee's account under the matching annuity program shall be deducted from any severance payment the employee is due under Article XIII of the Agreement.

Section 18. Pay Days: Pay days are as per published each year.

Section 19. Mileage: Any employee who may be required to use their own automobile in the performance of the employee's duties, shall be reimbursed for all required driving on approved school business and shall be compensated at the IRS rate.

Paraeducators who participates in a required training program will be compensated at her/his regular hourly rate for time spent in the training.

The District will also provide payment of up to three (3) hours for Paraeducators who wish to attend Opening Convocation before the opening of school each year.

Section 21. Seniority Dates for Accreted Instructional Assistants: Per the 1997 BMS ruling accreting the District's instructional assistants (AOM, TITLE, and ESL) into the Paraeducator Bargaining Unit and the subsequent negotiated agreement with SEIU Local 284 representing the Paraeducators, all accreted assistants filling those roles as of May 22, 1997, shall have a seniority date in the Unit of May 22, 1997.

ARTICLE XIII

Regular part-time and part-time employment shall be credited toward the accumulated years of service. Example: The number of hours worked in a year divided by 1,062 hours will yield a partial year to be added to the total employment.

Section 2. This Article shall apply to employees as defined in Article VII, Section 1., 2., and 3. (subd. 1.) who work more than one-hundred fifty-five (155) contracted days in a school year.

Section 6. Members of the Bargaining Unit or members of the Clerical Bargaining Unit who are employed by the District as of December 31, 1992, are eligible for severance according to Plan A. 1. Plan A. An employee who is at least 50 years of age and has completed at least 15 years of continuous service with the District shall be eligible for severance pay as defined and limited in Sections 3 and 4.
2. Plan B. An employee who is at least fifty (50) years of age and has completed at least twenty (20) years of continuous service with the District shall be eligible for severance pay as defined and limited in Section 3. and 4.

The employee's right to continue participation in such group insurance, however, will be discontinued upon the employee reaching five (5) years past the age of Medicare eligibility.

Subd. 1. Age 55 Option: The District will continue to pay for health coverage (at the same rate as active employees) for five (5) years for employees hired before December 31, 1992 with fifteen (15) years of service and for employees with twenty (20) years of service hired after December 31, 1992, and before July 1, 2016. Subd. 2. **Non-duplication with Medicare:** If the retiree is entitled, by virtue of age eligibility, to have any part of the cost of services or supplies paid by Medicare Parts A or B, even though the retiree does not enroll in Medicare or waives or fails to claim the medical benefits, the District will reduce its contribution toward medical premiums so that the total charges amount paid by Medicare and the District will not exceed the total charges for covered benefits, except for those employees who are in the basic plan and are not eligible for Medicare. Retirees who qualify for Medicare must inform the District within thirty (30) days of that date to facilitate the transfer of contributions to the new co-insurer.
